The Anthropocene Cookbook Zane Cerpina, Stahl Stenslie, 2022-10-18 More than sixty speculative art and design projects explore how art food and creative thinking can prepare us for future catastrophes In the Age of the Anthropocene an era characterized by human caused climate disaster catastrophes and dystopias loom The Anthropocene Cookbook takes our planetary state of emergency as an opportunity to seize the moment to imagine constructive change and new ideas How can we survive in an age of constant environmental crises How can we thrive The Anthropocene Cookbook answers these questions by presenting a series of investigative art and design projects that explore how art food and creative thinking can prepare us for future catastrophes This cookbook of ideas rethinks our eating habits and traditions challenges our food taboos and proposes new recipes for humanity s survival These more than sixty projects propose new ways to think and make food offering tools for creative action rather than traditional recipes They imagine modifying the human body to digest cellulose turning plastic into food tasting smog extracting spices and medicines from sewage and growing meat in the lab They investigate provocative possibilities What if we made cheese using human bacteria enabled human photosynthesis through symbiosis with algae and brought back extinct species in order to eat them The projects are diverse in their creative approaches and their agendas multilayered multifaceted hybrid and cross pollinated The Anthropocene Cookbook offers a survival guide for a future gone rogue a road map to our edible futures

Czech Republic Vladka Edmondson, David Short, 1999 Most entries of this revised edition are new as so much has been recently published on Czech affairs All aspects of the country are covered in selective critical annotations of pre eminently English language publications making this an invaluable reference work for scholars students and the general reader alike

Calling on All Czech Food Lovers April Blomgren, 2017-09-04 Traditional Czech recipes are family favourites any day this is the reason why you will find the recipe in most restaurants in the capital city Prague as well as some other large cities across Europe The finest Czech recipes come in a wide range these include the meaty dishes they are quite easy to prepare and likewise the ingredients can also be found in all local stores across cities and towns The recipes in this book are measured in the standard American measurements for easy understanding This book has been written to entertain and educate you on the various cuisines that are popular within and outside of Czech Republic hence some of the things you will learn here include Short and easy to prepare Czech republic cuisines Healthy Czech recipes for the vegetarians and weight watchers Popular meaty Czech recipes found in major restaurants across the country Mandatory Czech Republic national dishes found in different regions of the country and much more

Kaffeehaus Rick Rodgers, 2020-10-05 Celebrates the sweet excesses of the Austro Hungarian Empire Sachertorte Apfelstrudel and Croissants are among the creations Rodgers demystifies Publishers Weekly Take a tour of the legendary caf s of Vienna Budapest and Prague where a rich tradition of masterful desserts and coffee lives on For centuries artists and

philosophers have gathered around coffeehouse tables to complement their lively conversations with exquisite desserts. Modern cafés of this region remain loyal to this pastry tradition though the décor has changed it is still strudel not lemongrass sorbet that is served on the menu. In Kaffeehaus Rick Rodgers celebrates 300 years of tradition with over 150 of the best classic Austro-Hungarian pastries. Using his celebrated skill as a teacher to present the recipes to bakers of all levels, Rodgers expertly shows how to create these glorious treats at home. Included are the explanations of the different kinds of batter dough and icing that form the foundation of this baking tradition in addition to the many beverages coffee or otherwise that pair perfectly with the desserts. This revised second edition features new charts for ingredient weights and measures in addition to updated content and resource lists. One of the few books on authentic Austro-Hungarian baking written in English with recipes for American kitchens and their ingredients, Kaffeehaus beautifully captures the taste and elegance of these cafés commemorating their culture history and the delectable legacy of their desserts. Because the featured desserts e.g. Apfelstrudel and Sachertorte are steeped in tradition, this is as much a fascinating culinary history as it is a recipe collection. Library Journal

Georgia's Historical Recipes Valerie J. Frey, 2025-05 *Georgia's Historical Recipes* is an exploration of our state's oldest recipes from the antebellum period through World War II as painstakingly researched by Georgia archivist Valerie J. Frey. This volume begins with a discussion of old recipes as primary sources and what they can tell us about the history and culture of their era and how to bring them to life in modern kitchens. Frey then moves into fifty sections that can be read alone yet allow readers to build an understanding of how foodways evolved over time. Some sections highlight a single recipe illustrating how changes in technology, agriculture, transportation, communication, and social patterns led to changes in Georgia kitchens. Most of the recipes are previously unpublished, waiting in archives to be rediscovered. Other sections explore our oldest cookbooks, offering biographical and cultural background information that makes them more meaningful. For the first time, Georgians have a list of the state's early cookbooks and its cooking experts. Readers will learn where to find Georgia's oldest recipes and discover many examples to whet their appetites literally and figuratively for a taste of Georgia's past.

Czech Republic Cookbook Ted Alling, 2017-10-03 If you've ever been interested in cooking homemade food from the Czech Republic in your own kitchen, then this is the perfect cookbook for you. Inside this book, you'll learn how to make authentic Czech food recipes such as Red Potato Goulash, Czech Kolache, Homemade Houska, Chicken Schnitzel, Roasted Pork, Czech Hard Rolls, Buchty, Chicken Paprikash, Potato Pierogies, Czech Bubble Cake, Potato Pancakes, Kielbasa, Kapusta, Vnoška, and much, much more. So what are you waiting for? Grab a copy of this book and start cooking Czech food today.

Delectable Czech Dishes Martha Stone, 2017-12-28 Can you use the ingredients available here to create wonderfully authentic Czech dishes? Indeed, you can. This cookbook will show you how. The cuisine of the Czech Republic is not usually associated with healthy eating, but you'll find some meals that you'll truly love. You can also alter the recipes once you're familiar with them, using healthier ingredients or to suit your tastes. Can Czech cuisine be enjoyable for you and your family?

Yes We'll show you how right here Czech eating habits are slowly but surely shifting to healthier options but the best traditional Czech recipes are still quite popular and they do tend to be high in sugar calories and fat Once you get the hang of these recipes most brought over from the Czech Republic and passed down through the generations you can substitute some ingredients particularly if you are health conscious and you may even find a healthier alternative which tastes better than the original recipes suggested in this book Experiment You'll enjoy the original recipes and your modified ones too Czech food is comfort food at its core and you'll love to settle in for a delicious home cooked Czech meal
