Bolchazy, 2006 Little contemporary scholarship on Slovak history exists in English. This title fills an important gap in historiography about events throughout Central Europe over the last fourteen centuries. It presents the history of Slovakia in terms of the latest scholarship and in the context of ongoing historical debate about Slovak history and its presentation in post-socialist world. Extensive footnotes by scholars. 350 color illustrations. Index. Bibliography. Foreword and Epilogue. *East European Accessions Index, 1961* Czech Republic Vladka Edmondson, David Short, 1999 Most entries of this revised edition are new as so much has been recently published on Czech affairs. All aspects of the country are covered in selective critical annotations of pre-eminently English language publications making this an invaluable reference work for scholars, students and the general reader alike.
