The ... Annual Report of the Martin Luther King, Jr. Federal Holiday Commission to Fulfill the King Legacy, 1992 *The Domestication of Martin Luther King Jr.* Lewis V. Baldwin, Rufus Burrow, 2013-07-03 Clarence B Jones close King advisor and draft speechwriter has done much to reinforce a conservative hijacking of King s image with the publication of his controversial books *What Would Martin Say* 2008 and *Behind the Dream* 2011 King emerges from Jones s books not as a prophetic radical who attacked systemic racial injustice economic exploitation and wars of aggression but as a fiercely conservative figure who would oppose affirmative action and illegal immigration *The Domestication of Martin Luther King Jr* offers a critique of Jones s work and the larger effort on the part of right wing conservatives to make King a useful symbol or the sacred aura in a protracted campaign to promote their own agenda for America This work establishes the need to rethink King s legacy of ideas and activism and its importance for our society and culture Contributors include Lewis V Baldwin Rufus Burrow Jr Adam Fairclough Walter Earl Fluker Shirley T Geiger Cheryl A Kirk Duggan Michael G Long Rosetta E Ross George Russell Seay Jr Traci C West **Health Services for Domestic Agricultural Workers, 1972** United States. newly oppressed minorities The Struggle for the People s King reveals how as these powerful groups remake collective memory toward competing political ends they generate offshoots of remembrance that distort history and threaten the very foundations of multicultural democracy In the revisionist memories of white conservatives gun rights activists are the new Rosa Parks antiabortion activists are freedom riders and antigay groups are the defenders of Martin Luther King s Christian vision Drawing on a wealth of evidence ranging from newspaper articles and organizational documents to television transcripts press releases and focus groups Hajar Yazdiha documents the consequential reimagining of the civil rights movement in American political culture from 1980 to today She shows how the public memory of King and civil rights has transformed into a vacated sanitized collective memory that evades social reality and perpetuates racial inequality Powerful and persuasive The Struggle for the People s King demonstrates that these oppositional uses of memory fracture our collective understanding of who we are how we got here and where we go next Hearings, Reports, Public Laws United States.
