Out of the Closet, Into the Archives Amy L. Stone, Jaime Cantrell, 2015-11-20 The first book to focus on the experience of LGBT archival research *Out of the Closet Into the Archives* takes readers inside the experience of how it feels to do queer archival research and queer research in the archive The archive much like the closet exposes various levels of public and privateness recognition awareness refusal impulse disclosure framing silence cultural intelligibility each mediated and determined through subjective insider outsider ways of knowing The contributors draw on their experiences conducting research in disciplines such as sociology African American studies English communications performance studies anthropology and women s and gender studies These essays challenge scholars to engage with their affective experience of being in the archive illuminating how the space of the archive requires a different kind of deeply personal embodied research

Louise Talma Kendra Preston Leonard, 2016-04-22 American composer Louise Talma 1906 1996 was the first female winner of two back to back Guggenheim Awards 1946 1947 the first American woman to have an opera premiered in Europe 1962 the first female winner of the Sibelius Award for Composition 1963 and the first woman composer elected to the American Academy and Institute of Arts and Letters 1974 This book analyses Talma s works in the context of her life focusing on the effects on her work of two major changes she made during her adult life her conversion to Catholicism as an adult under the guidance of Nadia Boulanger and her adoption of serial compositional techniques Employing approaches from traditional musical analysis feminist and queer musicology and women s autobiographical theory to examine Talma s body of works comprising some eighty pieces this is the first full length study of this pioneering composer Exploring Talma s compositional language text setting practices and the incorporation of autobiographical elements into her works using her own letters sketches and scores as well as a number of other relevant documents this book positions Talma s contributions to serial and atonal music in the United States considers her role as a woman composer during the twentieth century and evaluates the legacy of her works and career in American music

The Muse that Sings Ann McCutchan, 2003 *The Muse That Sings* is a unique behind the scenes look at both twentieth century music and the nuts and bolts of creative work Here twenty five of America s leading composers from Adams to Zorn from Bolcom to Vierk talk candidly about their craft their motivations their difficulties and how they how proceed from musical idea to finished composition While focusing on the process and the stories behind specific works the composers also touch on topics that will interest anyone involved in creative work They discuss teachers and mentors the task of revision relationships with performers and the ongoing struggle for a balance between freedom and discipline They reveal sources of inspiration artistic goals and the often unexpected ways their musical ideas develop Some describe personal tonal systems others discuss the impact of computers and other electronic tools on their work still others reflect philosophically on the inner impulses and outer influences that continue to drive them While serious music has a reputation for being difficult and inaccessible *The Muse That Sings* provides a powerful

antidote The composers in this book speak clearly and thoughtfully in response to key questions of concern to all readers interested in contemporary music Each interview has been edited to stand alone as a concise meditation on muse and technique and the book includes selected discographies as well as brief biographical sketches Anyone with an interest in twentieth century music or in the creative process will find this lively collection a valuable source of inspiration and insight

Mape with Pleasure 6 Teacher's Manual1st Ed. 2001 , **The Art of Confession** Christopher Grobe,2017-11-07 The Art of Confession tells the history of this cultural shift and of the movement it created in American art confessionism Like realism or romanticism confessionism began in one art form but soon pervaded them all poetry and comedy in the 1950s and 60s performance art in the 70s theater in the 80s television in the 90s and online video and social media in the 2000s Everywhere confessionism went it stood against autobiography the art of the closed book Instead of just publishing these artists performed with around and against the text of their lives **Contemporary Music** C.F. Peters Corporation,1975

The Contemporary Violin Patricia Strange,Allen Strange,2003-01-21 Written by a composer and a musician The Contemporary Violin offers a unique menu of avant garde musical possibilities that both performers and composers will enjoy exploring Allen and Patricia Strange s comprehensive study critically examines extended performance techniques found in the violin literature of the latter half of the twentieth century Drawing from both published and private manuscripts the authors present extended performance options for the acoustic modified electric and MIDI violin with signal processing and computer related techniques and include more than 400 notated examples The authors begin with bowing techniques and proceed systematically through other aspects of string playing including MIDI technologies Their correspondence and research with many performers and composers the book s extensive score and text bibliography and the discography of more than 130 recordings make The Contemporary Violin a valuable contemporary music reference and guide An additional benefit is its listing of Internet resources that will keep the reader up to date with recent developments in contemporary performance and composition First published by UC Press 2001 Gilded Suffragists Johanna Neuman,2019-03-01 New York City s elite women who turned a feminist cause into a fashionable revolution In the early twentieth century over two hundred of New York s most glamorous socialites joined the suffrage movement Their names Astor Belmont Rockefeller Tiffany Vanderbilt Whitney and the like carried enormous public value These women were the media darlings of their day because of the extravagance of their costume balls and the opulence of the French couture clothes and they leveraged their social celebrity for political power turning women s right to vote into a fashionable cause Although they were dismissed by critics as bored socialites trying on suffrage as they might the latest couture designs from Paris these gilded suffragists were at the epicenter of the great reforms known collectively as the Progressive Era From championing education for women to pursuing careers and advocating for the end of marriage these women were engaged with the swirl of change that swept through the streets of New York City Johanna Neuman restores these women to their rightful place in the story of women s

suffrage Understanding the need for popular approval for any social change these socialites used their wealth power social connections and style to excite mainstream interest and to diffuse resistance to the cause In the end as Neuman says when change was in the air these women helped push women s suffrage over the finish line

Musical Migration and Imperial New York Brigid Cohen, 2022-05-05 Through archival work and storytelling synthesis Music Migration and Imperial New York revises subverts and supplements many inherited narratives about experimental music and arts in postwar New York into a sweeping new whole From the urban street level via music clubs and arts institutions to the world making routes of global migration and exchange this book seeks to redraw the geographies of experimental art and so to reveal the imperial dynamics as well as profoundly racialized and gendered power relations that shaped and continue to shape the discourses and practices of modern music in the United States Beginning with the material conditions of power that structured the cityscape of New York in the early Cold War years ca 1957 to 1963 Brigid Cohen s book encompasses a considerably wider range of people and practices than is usual in studies of the music of this period It looks at a range of artistic practices concert music electronic music jazz performance art and actors Var se Mingus Yoko Ono and Fluxus founder George Maciunas as they experimented with new modes of creativity

Sound Recording Technology and American Literature Jessica Teague, 2021-05-20 This book investigates the sustained engagement between American literature and sound recording technologies during the twentieth century

The Auschwitz Sonderkommando Nicholas Chare, Dominic Williams, 2019-02-15 This book is the first to bring together analyses of the full range of post war testimony given by survivors of the Sonderkommando of Auschwitz Birkenau The Auschwitz Sonderkommando were slave labourers in the gas chambers and crematoria forced to process and dispose of the bodies of those who were murdered They have been central to a number of key topics in post war debates about the Shoah collaboration moral compromise and survival resistance representation and the possibility of bearing witness Their testimony however has mostly met with a reluctance to engage in

depth with it Moving from testimonies produced within the event the Scrolls of Auschwitz and the Sonderkommando photographs to testimonies given at trials and for video archives and to the paintings of David Ol re and the film Shoah by Claude Lanzmann this book demonstrates the importance of their witnessing in the post war memory of the Holocaust and provides vital new insights into the questions of representation memory gender and the Shoah **Samuel Beckett's Theatre in America** N. Bianchini,2015-02-10 A study of the 30 year collaboration between playwright Samuel Beckett and director Alan Schneider Bianchini reconstructs their shared American productions between 1956 and 1984 By examining how Beckett was introduced to American audiences this book leads into a wider historical discussion of American theatre in the mid to late 20th century **Leopoldo Méndez** Deborah Caplow,2007-12-01 Monografie over leven en werk van de Mexicaanse prentkunstenaar 1902 1969 met de nadruk op de jaren dertig en veertig waarin hij politiek zeer actief was Ook de invloeden van en naar andere kunstenaars uit zijn tijd komen aan bod *Subject Guide to Books in Print* ,1993 *Real Black* John L. Jackson Jr.,2005-11-15 New York s urban neighborhoods are full of young would be emcees who aspire to keep it real and restaurants like Sylvia s famous soul food eatery that offer a taste of authentic black culture In these and other venues authenticity is considered the best way to distinguish the real from the phony the genuine from the fake But in *Real Black* John L. Jackson Jr proposes a new model for thinking about these issues racial sincerity Jackson argues that authenticity caricatures identity as something imposed on people imprisoning them within stereotypes turning them into racial objects and inanimate things instead of living breathing human beings Contending that such assumptions deny people agency not to mention humanity in their search for identity Jackson counterposes sincerity an internal and more productive analytical model for thinking about race Moving in and around Harlem and Brooklyn Jackson offers a kaleidoscope of subjects and stories that directly and indirectly address how race is negotiated in today s world including tales of name changing hip hop emcees book vending numerologists urban conspiracy theorists corrupt police officers mixed race neo Nazis and high school gospel choirs forbidden to catch the Holy Ghost Enlisting Anthroman his cape crusading critical alter ego Jackson records and retells these interconnected sagas in virtuosic detail and in the process shows us how race is defined and debated imposed and confounded every single day *A Love Supreme* Ashley Kahn,2003 A captivating portrait of a jazz classic
