The Gospel of John Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers *The Gospel of John A Commentary* more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike

The Cana Sanctuary Frank Marotti, 2012-04-05 Uses the collective testimony from more than two hundred Patriot War claims previously believed to have been destroyed to offer insight into the lesser known Patriot War of 1812 and to constitute an intellectual history of everyday people caught in the path of an expanding American empire In the late seventeenth century a group of about a dozen escaped African slaves from the English colony of Carolina reached the Spanish settlement of St Augustine In a diplomatic bid for sanctuary to avoid extradition and punishment they requested the sacrament of Catholic baptism from the Spanish Catholic Church Their negotiations brought about their baptism and with it their liberation The Cana Sanctuary focuses on what author Frank Marotti terms folk diplomacy political actions conducted by marginalized non state sectors of society in this instance by formerly enslaved African Americans in antebellum East Florida The book explores the unexpected transformations that occurred in seventeenth and eighteenth century St Augustine as more and more ex slaves arrived to find their previously disregarded civil rights upheld under sacred codes by an international nongovernmental authoritative organization With the Catholic Church acting as an equalizing empowering force for escaped African slaves the Spanish religious sanctuary policy became part of popular historical consciousness in East Florida As such it allowed for continual confrontations between the law of the Church and the law of the South Tensions like these survived ultimately lending themselves to an Afro Catholicism sentiment that offered support for antislavery arguments
