Tinsley, 2018-10 Most of us can probably think of a spiritual experience in our life that made a permanent profound impression God reveals His infinite love through our personal experiences Too often these stories of spiritual reality are never shared with others When I began praying for spiritual experiences when my parents were very ill I was blessed with a visit from crying angels The first story in my book Crying Angels inspired the title of my book I felt I should record and share my spiritual stories and the stories I had heard from others I realized that both the teller and the listener's faith in God increases when stories are shared Our sharing creates a ripple effect of numerous blessings My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you Sarah V Tinsley When I Get to Heaven Howard W. Brown, 2012-05 This beautifully crafted memoir explores the life of the Reverend Howard William Brown a senior pastor with the United Methodist Church with powerful stories of one man's inner quest to grasp the very nature of eternity When I Get to Heaven achieves a memorable portrait of Reverend Brown's dynamic spiritual journey from his early childhood memories to an enlightened vision of the great beyond Penned in the final year of his life the book reveals deep insights into the great spirit of expectation that captivates us while on earth and illuminates our path toward life eternal From his last notes I am not afraid of my journey past this life Heaven is wonderful and I could talk forever about eternity but I will only say that I am not afraid to go on How did I come to be a believer The walk I have taken began in a crowded bakery in the 1930s in Pittsburgh Pennsylvania where I stood in line for my mother waiting nervously to order one dozen coconut jelly cakes Somehow I found my way many years later to the steps of Drew Seminary where I found the grace and the words to begin to become a preacher Yet there was more to come much more before I would step into my first pulpit As life would have it I would go off to war to find the prayer I did not know was in me the prayer that would lead me to the ministry but that was years away and I still had many life lessons to learn A Journey of Ripples J. P. "Jim" Fowler, 2007-09 Just as ripples from a single raindrop in a pond spread into infinity simple acts of kindness can turn into ripples of altruism and giving that last throughout eternity A Journey of Ripples is a series of stories as told by Matt an eyewitness to the power of paying it forward as he chronicles the experiences of his friends in Oregon The first story begins in 1986 when Paul reaches out to help Jo Ann

on the darkest day of his life the day he buries his wife of more than fifty years In turn Jo Ann promises him that she will do the same for someone else The rest of the stories tell of the extraordinary responses to that promise This moving collection is about sacrifice and most importantly about giving and receiving beyond our fear pride and circumstances *The Travels and Extraordinary Adventures of Bob the Squirrel* Anonymous,2023-11-02 In the whimsical tale of The Travels and Extraordinary Adventures of Bob the Squirrel the anonymous author employs a delightful narrative style infused with humor and rich imagery that captivates readers of all ages The book chronicles the fantastical journeys of Bob a curious and adventurous squirrel as he navigates through enchanting landscapes and encounters a myriad of quirky characters The prose is marked by vivid descriptions and a playful tone drawing on the traditions of fable and children s literature while also offering poignant reflections on themes such as friendship bravery and the spirit of adventure The decision to remain anonymous may hint at the author s desire to focus attention on the story rather than personal identity allowing the reader to fully immerse themselves in Bob s world This technique resonates with contemporary themes of inclusivity and universality encouraging individuals from diverse backgrounds to find their own meaning within the narrative Anonymous authorship often evokes a sense of mystery compelling readers to engage on a deeper level with the text and its moral implications I highly recommend The Travels and Extraordinary Adventures of Bob the Squirrel for both children and adults alike Its charming illustrations and evocative storytelling will appeal to families seeking engaging read aloud options while offering valuable life lessons that invite meaningful dialogue This enchanting tale promises to ignite imaginations and leave readers yearning for their own extraordinary escapades **The Life Journey of a Missionary's Son** Albert E Barnes,2012-05-25 This book covers a large variety of subjects ranging from personal stories to anecdotes of eight American presidents to the investigation of the death of four NASA astronauts to an encounter with a Russian Prime Minister to inspirational subjects to exploring why we are on this planet There are inspiring discussions of Gods existence dreams that forecast the future stories of a haunted house prayers that are answered how we fit in the universe a chapter on addictions and much much more

An Old Man Thinking for the First Time James Kalm Fitzgerald,2024-05-22 A seed was dropped by a man that did not know he was sowing seeds A certain seed sprouted a philosophy plant which was noticed by a passerby The passerby a lost soul picked and consumed the plant which awakened a decade s old and long forgotten planned quest That quest was locked away in the mind of the lost soul in a closet of things once planned but long since forgotten In that closet on a bookshelf was a book the lost soul had once thought to read The Holy Bible Covered in scarlet webs this book now stood out as a quest that must be taken The lost soul removed the book from the forgotten things in the closet of his mind and moved it from the mind to his hands The Book was consumed The old man would start thinking differently This thinking it seemed to the old man would be useless unless this thinking might be shared No experience in writing but nevertheless compelled to go fishing for men with words

The Devil Is a Father, Too Sahle Amaklech Sahle, Amaklech Sahle, 2010-05 The Devil is a Father Too is birthed out of a series of dreams the Lord began to give me allowing me to experience the unseen world Divinely set up visitation of the Spirit realm and the encounter of the truth some I refer to as a sneak preview of the supernatural realm By which the Lord

displayed the undeniable power of His word giving me a deeper understanding and knowledge of the truth that absolutely set me free and transformed my life forever Often times the Lord uses the mess of our life into a life time message to demonstrate and disclose His power and reach out to mankind This revealed truth has consequently birthed a passion and pursuit of purpose that inspired me to share in this book The father you submit to has full power to control you While the final choice and the decision is left up to you but the choice and the decision you make has a very serious and eternal consequences Therefore this book is inspired by the Holy Spirit to give you insight into the Truth so you make the right choice from the standpoint of understanding and knowledge of the truth **What Are God's Ears Tuned To?** David W.
