Coombs, 2015-06-24 An extraordinary true story of grace mercy and the redemptive power of God When her father was murdered Laurie Coombs and her family sought justice and found it Yet despite the swift punishment of the killer Laurie found herself increasingly full of pain bitterness and anger she couldn't control It was the call to love and forgive her father's murderer that set her the murderer and several other inmates on the journey that would truly change their lives forever This compelling story of transformation will touch the deepest wounds and show how God can redeem what seems unredeemable

Fathers Can Be Good Dads Brigitta Gisella Geltrich-Ludgate, 2014-09-25 Fathers Can Be Good Dads is a novel which is based on true events Even though dates houses names of people countrysides and sceneries have been changed the family interactions are real However not all have been the actions of Ginia Marie Giselle Hinson the heroine of the book The majority though are When the author was a little girl she often sat around the family sitting room table or stood outside the doors listening as the grown ups in her family were sharing with loud laughter the mischiefs they had gotten themselves into when they were young Often the author wondered how she could improve on these mischiefs just to get a bit more attention A heartfelt thank you is expressed to all family members and friends the author had listened to Everyone was an inspiration to her Also a thank you is given to all those she had interacted with and to all those who got into trouble with her in moments of absolute exuberance where household rules were ignored The novel is dedicated to every writer who has struggled through the ups and downs of putting together personal memoirs to preserve in writing for children and their children's children an insight into a life that once existed before their own times **Letters from Dad** Robbie F. Howerton, 2022-05-04

We know how war affects countries and the people living in those countries This is the story about a young girl trying to overcome the pain of losing a loved one during a war Letters from Dad is the story of a young girl Erica Green who has low self confidence Erica has always wanted to play softball for her school but doesn't feel like she is good enough But when her dad gets drafted into the war the two of them begin sending letters back and forth with most of his letters trying to encourage her into trying out for the softball team and to her surprise she makes the team But Erica's world falls apart when

she hears the news of her dad's untimely death To help deal with her dad's death Erica and her teammates vow to win the state championship in memory of her father aEURf *Abandoned?* Ruth Billings,2021-02-03 Sue had delayed going through her mom's stuff after her death Just going into her mom's room made her depressed She wasn't surprised to find that her mom had kept her dad's letters but it was many months after her mom's death that she found them Sue found more than just her dad's letters tucked away in the bundle of papers though and the other note she found didn't make any sense to her at all She determined that it must have confused her mom also Otherwise surely her mom would have told her about it years ago Sue had never known her dad Joe de Cou because he had been declared Missing in Action just after she was born But subsequent odd events suggested he might not have died Decades later she was determined to find out to go on a quest for her own peace of mind She just wanted to know for sure what had happened to him *The Magic Carpet, Vol 3, No. 3 (July 1933)* John Gregory Betancourt,Robert Ervin Howard,Seabury Quinn,2008-01-15 Reproduction of the Vol 3 No 3 July 1933 issue of Magic carpet magazine including advertising pages *Webley .45 And Other Short Stories* R.K. Simpson,2022-03-23 Simpson writes with such sureness and economy that every story contains a full size novel The folk here are full of life full of truth full of surprises Mike Feinsilber Merriam Webster's Dictionary of Allusions R K Simpson's stories are gems They are magic They are not to be forgotten Sharon J Wohlmuth New York Times bestsellers Sisters Mothers and Daughters and Friends If you want to make God laugh tell him your plans Some of the stories in this collection bring that saying to mind God might smile at the ones that end with unexpected twists because they are reminiscent of life's unpredictability Others chronicle the confrontations we have had or have witnessed with today's demons including racism abuse homophobia theft even murder The author has painted his heroes and heroines in these struggles with a sympathetic brush so they will touch you and you will root for them despite their flaws and foibles In fact you may even no you most likely will find that some of them will drift like phantom companions along the edges of your mind to borrow a phrase from the author long after you meet them in this captivating book **Ida Norman** Mrs. Lincoln Phelps,1848 **Johnny Thirty-Two** Cesare Casciato,2007-08 Johnny Thirty Two is the story of the underdog in all of us From his rural Italian village Johnny is transplanted to Canada when he's just eight years old Her husband gone Johnny's mother makes the decision to immigrate to give her son and daughter the better life they deserve In Canada Johnny soon establishes lifelong friendships with Cole Strohm and Sandy Pesotto two boys who couldn't be more different We follow Johnny's life for three decades of adventures He stumbles in and out of trouble he overcomes obstacles and he falls in love You'll worry for him you'll laugh with him and you'll always root for him Like his mother Johnny doesn't accept the path that's been seemingly laid out before him Johnny dares to dream And in the end he achieves a prize greater than his imagination could have ever invented *The Viking's Skull* John R. Carling,2022-09-15 John R Carling's *The Viking's Skull* masterfully weaves the threads of mystery and the supernatural into a rich tapestry that captures the reader's imagination The quest of Idris Breakspear driven by the enigma

surrounding his father's wrongful accusation and subsequent disappearance plunges the reader into a world where the line between the tangible and the otherworldly blurs Carling's prose delicately balances the complexities of the plot with a descriptive style that conjures vivid imagery and resonates with the literary context of early 20th century mystery novels where characters often grapple with legacies and pursue redemption or justice An exploration of Carling's background reveals his penchant for the esoteric and his fascination with the hidden cogs of fate The narrative of *The Viking's Skull* may well be an embodiment of Carling's own reflections on the injustices of life and the lengths one might go to uncover the truth The author's historical perspective and personal experiences arguably shape the contours of the story infusing it with authentic emotion and a compelling sense of urgency Recommended for aficionados of classic mystery interlaced with the supernatural *The Viking's Skull* will appeal to readers who revel in the unraveling of intricate plots and the exploration of themes related to familial loyalty and the quest for truth Carling's adept storytelling promises a journey as turbulent and entrancing as the sea that claimed Idris father one that is sure to captivate and provoke contemplation long after the final page is turned
