Dagger John:

Dagger John Richard Shaw, 2020-10-21 His opponents called him Dagger John with mixed derision and awe His enemies and there were many of them used uglier words His allies approached him with careful deference his subordinates with trepidation He was in real life the Most Reverend John Hughes Archbishop of New York a one time day laborer and foreman of slaves who became a preacher and pamphleteer and a political force to be reckoned with No demure ecclesiastic Hughes was a hard nosed battler for the rights of immigrant Irish in the middle decades of the 19th century He championed their cause in an age when the Catholic Church was only grudgingly accepted as a partner in the American dream Hughes was moreover the prototype of the autocratic prelate who would rule the American Catholic Church for the next one hundred years Squelching democratic strivings among his clergy and laity whenever they appeared he created a model for the highly structured Romanized Church that would eventually dominate the American religious scene This book is the first major biography of John Hughes to be published in more than a century It reflects new research into the life of Hughes and the details of his many struggles It does not set out to explain the inner impulses of the man who was in the end tightlipped about his private life But it does shed new light on the public Hughes a churchman who appeared in the newspapers as often as he appeared in the pulpit It recounts his raucous sometimes hilarious battles with the pre Civil War nativists with disgruntled clergy from his own Church and with public figures such as James Gordon Bennett It tells of his often high handed dealings with revolutionaries politicians fellow bishops apostates Presidents ranting bigots Popes and his own poor belligerent but fiercely devoted Catholic flock *Dagger John* John Loughery, 2018-03-15 A son of Ulster A vocation Courting controversy New York City 1838 1839 Who shall teach our children The Baal of bigotry War and famine A widening stage The church militant Authority challenged A new cathedral A nation divided a church divided Manhattan under siege [A List of the Lancashire Wills Proved Within the Archdeaconry of Richmond](#) Church of England.
