Idealism, Pragmatism, and Feminism John Kaag, 2011-12-16 Idealism Pragmatism and Feminism provides an account of the life and writings of Ella Lyman Cabot 1866 1934 a woman who received formal training but not formal recognition in the field of classical American philosophy It highlights the themes of idealism pragmatism and feminism as they emerged in the course of career as an educational reformer and ethicist that spanned nearly four decades Cabot s writings developed in graduate seminars at Harvard and Radcliffe at the turn of the century complement and in many cases anticipate the thinking of the fathers of the American philosophical cannon Charles Sanders Peirce Josiah Royce William James and John Dewey Her formal philosophical writing focuses on the concepts of growth creativity and the moral imagination a fact that is especially interesting given that these concepts are developed by a woman who faced serious obstacles in her personal and intellectual development Indeed these concepts are not merely philosophical ideals but practical tools that Ella Lyman Cabot used to negotiate the gender roles and intellectual marginalization that she faces at the turn of the century The discipline of philosophy was very slow to incorporate the insights of women into its self definition An analysis of the writings of Ella Lyman Cabot reveals this point but also the pointed ways in which she sought to express her genuinely creative insights

The Basic Writings of Josiah Royce Josiah Royce, 2005 *An Idealistic Pragmatism* M.B. Mahowald, 2012-12-06 When I first became acquainted with the thought of the American philosopher Josiah Royce two factors particularly intrigued me The first was Royce s claim that the notion of community was his main metaphysical tenet the second was his close association with the two American pragmatists Charles Sanders Peirce and William James Regarding the first factor I was struck by the fact that a philosopher who died in 1916 should emphasize a topic of such contemporary significance not only in philosophy but in so many other vital fields as well sociology psychology politics theology to name only a few Regarding the second I was curious as to whether the pragmatism of Peirce and James might have influenced Royce during the course of their professional and personal contacts Similarly I wondered whether the idealism of Royce might have affected the thought of Peirce and James To have appeased my curiosity in regard to all three thinkers however would have required at least three books As a start I have now appeased it in regard to one In researching the writings of Royce I found my way to the Houghton Library and to the Archives of Harvard University at Cambridge Massachusetts where the unpublished manuscripts of Royce are preserved No editing job has yet been done on this bulk of material though such would certainly be a welcome contribution to American philosophy [The Basic Writings of Josiah Royce](#) Josiah Royce, 1969 [The Basic Writings of Josiah Royce](#) Josiah Royce, 2019 These two classic volumes illustrate the scope and quality of Josiah Royce s thought providing the most comprehensive selection of his writings currently available They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation The selections reprinted here are basic to any understanding of Royce s thought and

its pressing relevance to contemporary cultural moral and religious issues *The Basic Writings of Josiah Royce* Josiah Royce, 2005 *The Contemporary Islamic Governed State* Joseph J. Kaminski, 2017-08-21 This book offers a normative reconceptualization of a modern Islamic governed state First Joseph Kaminski surveys the historical context of the trajectory of Islamic thought and offers a unique discursive framework for reconceptualizing an Islamic governed state that rejects secular Enlightenment liberalism and instead is heavily grounded in Ancient Greek ideals of politics and political leadership Despite heavily borrowing from Greek thought the model offered remains firmly rooted in a Shari ah based discursive ontological framework The volume explores topics of bureaucracy law democracy women in politics and economic justice Further this volume presents case studies from Turkey Egypt Tunisia and Malaysia and utilizes the presented theoretical framework as a lens for analysis **Studies in Church History** , 1982 Vols for 1964 are papers read at the 1st winter and 1st summer meetings of the Ecclesiastical History Society *The Basic Writings of Josiah Royce, Volume I: Culture, Philosophy, and Religion* , **General Catalogue of Printed Books** British Museum.
