Overton,2008-03-29 Learn what the ancient bible Prophets prophesied about the True Church of the last days The ancient bible prophecies presented by Daniel Isaiah Ezekiel John the Revelator and many others come alive in this intriguing and riveting work by one of God s authorized priesthood holders Like a detective the reader is led from clue to clue to answer the most intriguing questions that have puzzled so many bible scholars and historians throughout the centuries does the real gospel truth exist anywhere on earth Is there such a thing as the One True Church teaching the One True Gospel of Jesus Christ Though many Christian Churches have often proclaimed they teach the gospel truth many of these claims are fervently examined and put under the scrutiny of a microscope to challenge the age old conventional wisdom that it does not matter

which church you attend The secret catacombs of the past are completely unsealed so the warnings presented by the ancient bible prophets can finally be read and studied by the entire world The mathematical secrets Daniel provides are also answered and what he predicted for our modern times will shock many Christians at their very core Daniel s prophecies when interpreted correctly clearly dispels many of the most common myths and theories taught throughout the Christian world today Daniel s prophecies also confirms the One true gospel of Jesus Christ does exist on earth today and the real Christians who desire to find the Real gospel truth only need to study the ancient bible prophecies to find the answers they are searching for The scripture seek and ye shall find is proven more sacred and becomes a personal commandment for those who are truly determined to find the real gospel truth

The Gospel Truth Patrick T. Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am
