Basil Brush at the Beach Peter Firmin,1970 **Basil Brush at the Seaside** Peter Firmin,1970-01-01 Fiction,
Folklore, Fantasy & Poetry for Children, 1876-1985: Titles, awards ,1986 **Subject Guide to Children's Books in Print**
,1984 Children's Book Review Index ,1985 Greengrey's Rambles Marc Latham,2011-06-01 DescriptionThe
Greenygrey proclaims itself Britain s most famous werewolf It has been a prolific rise in fame for the greenygrey one and the
GG brand is now known all over the werewolf world Like a cross between Loki and Scooby Doo on the dog side and Kerouac
and Joanna Lumley on the human the vegetarian werewolf helps the reader escape the restrictions of the body on an epic
virtual travel across North America As well as being an entertaining read as GG meets its heroes and lots of new characters
across the continent the book also has an educative angle as the shape shifting and chameleoning but mentally a bit
muddled superhero creates an acronym map of North America that should help you remember your Newfoundland from your
Nunavut and your Idaho from your Iowa About the AuthorDr Marc Latham is 44 and lives in Leeds Marc grew up in a one
parent family in a small town and was the only child without a known father in his primary school class Despite being a
promising student Marc dropped out of school at about twelve years of age as television and daydreaming took over his life
Ordinary work didn t interest Marc and after he didn t get taken on as a footballer he saved up some money and spent his
twenties travelling the world with Kerouac as his inspiration With his big trips under his belt Marc spent his thirties in
university and saw it out to the end of the line although he jumped off the product creation conveyor belt a long time before
finishing Television documentaries alerted Marc to conditions such as ADHD and bipolarity and along with his experiences
amongst normal people these confirmed Marc s suspicions that he is a bit mad This realisation along with running and a
healthier life have recently improved the author s moods but he hopes to continue being a bit different while becoming a full
time writer National Union Catalog ,1980 Includes entries for maps and atlases **Baz Luhrmann** Tom
Ryan,2014-11-05 Though he has made only five films in two decades Strictly Ballroom William Shakespeare s Romeo Juliet
and the Oscar nominated films Moulin Rouge Australia and The Great Gatsby Australian writer director Baz Luhrmann is an
internationally known brand name His name has even entered the English language as a verb as in to Baz things up meaning
to decorate them with an exuberant flourish Celebrated by some loathed by others his work is underscored by what has been
described as an aesthetic of artifice and is notable for both its glittering surfaces and recurring concerns In this collection of
interviews Luhrmann discusses his methods and his motives explaining what has been important to him and his collaborators
from the start and how he has been able to maintain an independence from the studios that have backed his films He also
speaks about his other artistic endeavors including stage productions of La Bohème and A Midsummer Night s Dream and his
wife and collaborative partner Catherine Martin who has received two Academy Awards for her work with Luhrmann

Brigitte M. Britton, Layne D. Nisenbaum, 2005-11 This book is a collection of works discoveries gained through Clyde Anthony's dreams and visions But more than that through Carolyn Frances it's a communication with a consciousness that comes directly from the realm of dreams and visions a conscious awareness that proclaims their power bearing testimony to their place in human history and their worth in the human search for meaning a search that is borne by individual abilities the strength of the species called Human This book is an affirmation of that search a testimony to the fertility of humankind's inner life and consciousness which though it is fueled by beliefs exists in life's fecund grounds of being beyond life itself directly to its great sources No other book goes deeper into this direct experience which is a dance with Earth itself the direct power of life Past on memory sky seed of Creature Universe moving the black winds of centuries to come Oh creature Human great gifts you bear on the vastness of time Together Earth and Human sings the life proclaiming its destined desires dancing through space hungry for the knowledge truth who are we We come together to light the spark in the dark hours of time
