scepter to reclaim his godhood But the intertwined destiny of two men may interfere with his ascension Lanius is the only son of King Mergus of Avornis But he is the son of a seventh wife and therefore illegitimate in the eyes of church and state So after the king s death the nobles use young Lanius as their figurehead while they rule behind the scenes Grus is a captain in the king s navy a man of common origins as well as common sense His is charged with guarding the border from Avornis enemies including those who live in thrall of the Banished One He s watched his homeland weaken under incompetent rulers and fears for the future as disturbing visions torment his dreams Now both Lanius and Grus must decide what s best for the kingdom before the influence of the Banished One spreads to their people And so begins the quest for the Scepter of Mercy

The Scepter's Return Harry Turtledove,2015-12-15 Two rival kings must unite to defeat a malevolent god in the wise and humorous conclusion to the Hugo Award winning author s Scepter of Mercy trilogy Publishers Weekly When Avornis falls the Banished One will reign supreme Rival kings Lanius and Grus each covet solitary power but realize that a kingdom divided cannot stand against the evil god who enslaves the minds of men through their nightmares Once Avornis was safe from his dark influence protected by a powerful talisman supplied by the pantheon of deities who expunged the immortal called Milvago from their ranks But that was centuries earlier before the Scepter of Mercy was lost and only through its recovery can Avornis survive Now Lanius has a daring most likely impossible plan but it requires the cooperation of his fellow ruler the warrior and usurper king Grus If they fail to work together they will die together nevertheless along with everything that is good and right in their world Hugo Award winner Harry Turtledove brings his Scepter of Mercy trilogy to a spectacular end with a story of courage conflict and selfless sacrifice In The Scepter s Return as in the previous books of the series the acclaimed world builder reimagines epic fantasy leaving his own special imprint on the popular genre much as he has done with the alternate history for which he is so justifiably renowned
