Cwmardy ; &, We Live Lewis Jones,2006 The epic industrial novels of the 1930s Cwmardy and We Live are published together here for the first time In Cwmardy Big Jim collier and ex Boer War soldier and his partner Si n endure the impact of strikes riots and war while their son Len emerges as a sharp thinker and dynamic political organizer Len s tale is taken up in We Live in which he is influenced by Mary a teacher and the Communist Party which becomes central to his work both underground and in union politics and to his decision to leave and fight in the Spanish Civil War Cwmardy and We Live paint a graphic portrait of the casual exploitation tragedy and violence as well as the political hope and humanity of South Wales industrial workers from the 1900s to the 1930s Wales Unchained Daniel G Williams,2015-04-15 Contributes to the fields of Welsh Studies Comparative Studies Transatlantic Studies Offers analyses of key chapters in the cultural making of modern Wales Offers insights into national and ethnic identity and encourages readers to consider the extent of Welsh tolerance and intolerance Draws on Welsh and English language sources and ranges across literature history music and political thought The book is an example of Welsh cultural studies in action The book intervenes in key debates within cultural studies nationalism and assimilationism language and race class and identity cultural identity and political citizenship The Secrets of Law Austin Sarat,Lawence Douglas,Martha Merrill Umphrey,2012-10-31 The Secrets of Law explores the ways law both traffics in and regulates secrecy Taking a close look at the opacity built into legal and governance processes it explores the ways law produces zones of secrecy the relation between secrecy and justice and how we understand the inscrutability of law s processes The first half of the work examines the role of secrecy in contemporary political and legal practices including the question of transparency in democratic processes during the Bush Administration the principle of public justice in England s response to the war on terror and the evidentiary law of spousal privilege The second half of the book explores legal literary and filmic representations of secrets in law focusing on how knowledge about particular cases and crimes is often rendered opaque to those attempting to access and decode the information Those invested in transparency must ultimately cultivate a capacity to read between the lines decode the illegible and acknowledge both the virtues and dangers of the unknowable Roald Dahl Damian Walford Davies,2016-08-15 Published to mark the centenary of Roald Dahl s Welsh birth Roald Dahl Wales of the Unexpected breaks new ground by revealing the place of Wales in the imagination of the writer known as the world s number one storyteller Exploring the complex conditioning presence of Wales in his life and work the essays in this collection dramatically defamiliarise Dahl and in the process render him uncanny Importantly Dahl is encountered whole his books for children and his fiction for adults are read as mutually invigorating bodies of work both of which evidence the ways in which Wales and the author s Anglo Welsh orientation demand articulation throughout the career Recognising the impossibility of constructing a monolithic Welsh Dahl the contributors explore the compound and nuanced ways in which Wales signifies across the oeuvre Roald Dahl Wales of the Unexpected takes Dahl studies into new territory in

terms of both subject and method showing the new horizons that open up when Dahl is read through a Welsh lens Locating Dahl in illuminating new textual networks resourcefully offering fresh angles of entry into classic Dahl texts rehabilitating neglected Dahl texts and analysing the layered genesis of seemingly familiar works by excavating the manuscripts this innovative volume brings Dahl home in order to render him invigoratingly unhomey The result is not a parochialisation of Dahl but rather a new internationalisation

**Aneurin Bevan a Paul Robeson** Daniel Williams,2010 The National Eisteddfod Lecture at Ebbw Vale 2010 While Paul Robeson is celebrated today in Wales as a socialist he was also a key figure for Black Nationalists Bevan seems to have been somewhat aware of this for he delivered one of his most nationalistic speeches before introducing Robeson at the 1958 Eisteddfod in Ebbw Vale

**Representing the Male** John Perrott Jenkins,2021-06-15 A book entirely devoted to a subject in and of Wales that has not previously been published in Wales The subject Masculinity is also a growing discipline in international study The novelists presented societies and times in which they had either lived or continued to live Working class or proletarian fiction features in several UK and US university syllabuses The book connects Welsh fiction to a broad international context beyond an English regionalism

*After Raymond Williams* Hywel Dix,2013-09-15 After Raymond Williams Cultural Materialism and the Break Up of Britain has two broad aims The first is to re examine the concept of cultural materialism the term used by Raymond Williams to describe his theory of how writing and other cultural forms relate to general social and historical processes Using this theory the second objective is to explore the material ways in which contemporary British writing participates in one particular political process that of the break up of Britain The general trajectory of the book is a matter of superseding Williams the early chapters are devoted to extrapolating Williams s materialist theory of cultural forms while later chapters are concerned with applying this theoretical material to a series of readings of books and films produced in the years since his death in 1988 This volume provides a detailed account of some of the writing produced in Scotland and Wales in the years surrounding political devolution and also considers the ways in which different subcultural communities use fiction to renegotiate their relationships with the British whole

**The Popular Front Novel in Britain, 1934-1940** Elinor Taylor,2017-11-01 In The Popular Front Novel in Britain 1934 1940 Elinor Taylor provides the first study of the relationship between the British novel and the anti fascist Popular Front strategy endorsed by the Comintern in 1935 Through readings of novels by British Communists including Jack Lindsay John Sommerfield Lewis Jones and James Barke Taylor shows that the realist novel of the left was a key site in which the politics of anti fascist alliance were rehearsed Maintaining a dialogue with theories of populism and with Georg Luk cs s vision of a revived literary realism ensuing from the Popular Front this book at once illuminates the cultural formation of the Popular Front in Britain and proposes a new framework for reading British fiction of this period

**We Live** Lewis Jones,2014-07-01 We Live takes up Len s tale in which he is influenced by Mary a teacher and the Communist Party which becomes central to his work both underground and in union politi and to his decision to leave

and fight in the Spanish Civil War      **Cwmardy** Lewis Jones,2014-07-01 In Cwmardy Big Jim collier and ex Boer War soldier and his partner Sian endure the impact of strikes riots and war while their son Len emerges as a sharp thinker and dynamic political organizer      **J.O. Francis, Realist Drama and Ethics** Alyce von Rothkirch,2014-06-15 This book rediscovers and re evaluates the work of the Welsh dramatist J O Francis 1882 1954 and his contribution to the development of Welsh drama in the twentieth century More than a prize winning dramatist whose plays were performed all over the world Francis can also be described as one of the founding fathers of modern Welsh drama whose work has helped establish theatrical realism on the Welsh stage His creative non fiction for the popular press and for radio gives a unique perspective on how Wales was seen through the eyes of a perceptive London Welsh observer Using much previously unpublished material this volume is an excellent introduction to one of Wales s foremost dramatists and is innovative in the way that it creates a picture of the amateur dramatic scene of south Wales 1920 40 based on sound statistical analysis of available evidence It situates Francis s work in its cultural context and brings this exciting period in Welsh cultural history to life in its introduction to a new audience      **The Withered Root** Rhys Davies,2007 The Withered Root is the story of the last great Welsh revival a religious thrust of feeling chapels and coal mines righteous fervour and fertile febrile carousal which swept across Wales in the year of the Lord 1904 The Revival is led by the young charismatic Reuben Daniel a Welsh speaking collier preacher He is a young man full of life and its desires but still unsure of its meaning Reuben is absorbed driven to expound the gospel and seek out the devil wherever or whoever that may be in his quest for conversion He progresses from the village pulpit at the head of a small band of followers called The Corinthians to Valley s saviour and beyond in a few hectic months of sermons pilgrimage and passion But in the new world of salvation there is conflict between the physical and the spiritual as Reuben s odyssey becomes a test for his mind body and soul Book Jacket      In the Green Tree Alun Lewis,2006 Through his letters home and six short stories Alun Lewis paints a vibrant picture of life in India as a British serviceman during World War II Intimate vivid observational and always filled with emotion this is a rare literary example of one Welshman s experience of empire and war      *Country Dance* Margiad Evans,2006 This first person account of passion murder and cultural conflict plays out in the person of the young Ann Goodman who is torn by the struggle for supremacy in her mixed blood Welsh and English In this love story set in the late 19th century the rural way of life is no idyll but rather a savage and exacting struggle for survival      *The Environment on Stage* Julie Hudson,2019-08-08 The Environment on Stage Scenery or Shapeshifter investigates a pertinent voice of theatrical performance within the production and reception of ecotheatre Theatre ecologies unavoidably enmeshed in the environment describe the system of sometimes perverse feedback loops running through theatrical events productions performances and installations This volume applies an ecoaware spectatorial lens to explore live theatre as a living ecosystem in a literal sense The vibrant chemistry between production and reception and the spiralling ideas and emotions this generates in some conditions are unavoidably driven by flows of matter and energy thus by the natural

environment even when human perspectives seem to dominate The Environment on Stage is an intentionally eclectic mix of observation close reading and qualitative research undertaken with the aim of exploring ecocritical ideas embedded in ecotheatre from a range of perspectives Individual chapters identify productions performances and installations in which the environment is palpably present on stage as it is in natural disasters such as floods storms famine conflict and climate change These themes and others are explored in the context of site specificity subversive spectators frugal modes of narrative the shifting stuff of theatre productions and imaginative substitutions Ecotheatre is nothing less than vibrant matter that lets the environment speak for itself *The Spokesman*, 2009 **British Literature in Transition,**

**1920-1940: Futility and Anarchy** Charles Ferrall, Dougal McNeill, 2018-12-20 Literature from the political 1930s has often been read in contrast to the aesthetic 1920s This collection suggests a different approach Drawing on recent work expanding our sense of the political and aesthetic energies of interwar modernisms these chapters track transitions in British literature The strains of national break up class dissension and political instability provoked a new literary order and reading across the two decades between the wars exposes the continuing pressure of these transitions Instead of following familiar markers 1922 the Crash the Spanish Civil War or isolating particular themes from literary study this collection takes key problems and dilemmas from literature in transition and reads them across familiar and unfamiliar cultural works and productions in their rich and contradictory context of publication Themes such as gender sexuality nation and class are thus present throughout these essays Major writers such as Woolf are read alongside forgotten and marginalised voices **A Thing of Nought** Hilda Vaughan, 2011-05-01 In short story A Thing of Nought Vaughan returns hauntingly to the theme of lovers parted by the world here miraculously joined in another The Battle to the Weak Hilda Vaughan, 2011-05-01 In the first and arguably the finest of Hilda Vaughan's ten novels the dawn of the twentieth century brings a new generation that clashes with the conservative traditionalism of an old Welsh way of life Rhys Lloyd and his engagement with the ideas of Social Darwinism and the League of Nations make him a dangerous figure in the village The son of a Welsh speaking Nonconformist his love for the church going Esther reflects tensions that have long and bitterly divided the community Most striking however is the stoic and determined Esther who calmly suffers the casual brutality of her agricultural upbringing drawing on an inner strength and organic spirituality that would provide an archetype for Vaughan's later heroines Despite a loving and sensitive depiction of her native Radnorshire landscape Vaughan offers no rural idyll The Battle to the Weak is a vividly drawn socially engaged portrait of a small rural Welsh community with an awareness of its context within the wider world

**Poetry 1900-2000** Meic Stephens, 2007 Poetry 1900 2000 brings together a vibrant expression of the industrial pastoral rural urban religious political and linguistic experience of Wales in the twentieth century world The poetry collected here is as varied as Wales itself and ranges from the well known to the startling from the lyrical to the experimental the celebration of tradition to that of protest Each poet's biography situates the writer in a social and literary context and the collection

presents an unparalleled panorama of the development of Welsh poetry in English in the twentieth century Book Jacket
