Cyclamens From Galilee Memoirs Of A Physician From Nazareth:

Cyclamens from Galilee Elias Srouji, 2003-12 Through the story of his education in his hometown Nazareth and later in the adjacent Lebanon the author gives demographic social and geopolitical pictures of the years after World War I Eventually the author and his family moved to the U S where the author teaches medical students *Nakba and Survival* Adel Manna, 2022-09-13 A free open access ebook is available upon publication Learn more at www.luminosoa.org Beginning in 1948 Israeli paramilitary forces began violently displacing Palestinian Arabs from Palestine Nakba and Survival tells the stories of Palestinians in Haifa and the Galilee during and in the decade after mass dispossession Manna uses oral histories and Palestinian and Israeli archives diaries and memories to meticulously reconstruct the social history of the Palestinians who remained and returned to become Israeli citizens This book focuses in particular on the Galilee using the story of Manna's own family and their village Majd al Krum after the establishment of Israel to shed light on the cruelties faced by survivors of the military regime While scholars of the Palestinian national movement have often studied Palestinian resistance to Israel as related to the armed struggle and the cultural struggle against the Jewish state Manna shows that remaining in Israel under the brutality of occupation and fighting to return to Palestinian communities after displacement are acts of heroism in their own right *Byzantium and the Arabs in the Sixth Century* Irfan Shahîd, 1995 This fourth installment of *Byzantium and the Arabs in the Sixth Century* resumes the previous volume's discussion of the Ghassanids by examining their economic social and cultural history First Irfan Shahîd focuses on the economy of the Ghassanids and presents information on various trade routes and fairs Second the author reconstructs Ghassanid daily life by discussing topics as varied as music food medicine the role of women and horse racing Shahîd concludes the volume with an examination of cultural life including descriptions of urbanization Arabic script chivalry and poetry Throughout the volume the author reveals the history of a fully developed and unique Christian Arab culture Shahîd exhaustively describes the society of the Ghassanids and their contributions to the cultural environment that persisted in Oriens during the sixth century and continued into the period of the Umayyad caliphate *The Jew as Legitimation* David J. Wertheim, 2017-01-20 This book traces the historical phenomenon of the Jew as Legitimation Contributors discuss how Jews have been used through time to validate non Jewish beliefs The volume dissects the dilemmas and challenges this pattern has presented to Jews Throughout history Jews and Judaism have served to legitimize the beliefs of Gentiles Jews functioned as Augustine's witnesses to the truth of Christianity as Christian Kabbalist's source for Protestant truths as an argument for the enlightened claim for tolerance as the focus of modern Christian Zionist reverence and as a weapon of contemporary right wing populism against fears of Islamization This volume challenges understandings of Jewish Gentile relations offering a counter perspective to discourses of antisemitism and philosemitism **Capernaum** Wally V. Cirafesi, 2024-10-29 This book is about the history of Jews and Christians and their interaction in Capernaum from the time of Jesus until the Byzantine Islamic transition in Palestine in the seventh

century Based on multidisciplinary research into both the literary and archaeological sources the book addresses socio historical questions that have vexed current scholarly and popular understanding of how this small Galilean town developed into an important place for both Jews and Christians in antiquity as well as today The book engages issues such as the following the invention of Capernaum as a modern pilgrimage tourist site under the authority of the Franciscan Custodia Terrae Sanctae the nature of the historical Jesus's relationship to the town whether or not a synagogue stood in Capernaum during the time of Jesus whether or not Jewish followers of Jesus lived in Capernaum during the second and third centuries and how the architecture of the town's domestic and monumental landscapes functioned to shape Jewish and Christian identity individually and interactively These questions are investigated within their local regional and empire wide contexts to construct a picture of the ways in which Jews and Christians lived and related to each other in Capernaum and how their relations were affected by the arrival of Islam in Palestine

Hebrew Texts in Jewish, Christian and Muslim Surroundings
,2018-01-03 Hebrew Texts in Jewish Christian and Muslim Surroundings offers a new perspective on Judaism Christianity and Islam as religions of the book Their problematic relation seems to indicate that there is more that divides than unites these religions The present volume will show that there is an intricate web of relations between the texts of these three religious traditions On many levels readings and interpretations intermingle and influence each other Studying the multifaceted history of the way Hebrew texts were read and interpreted in so many different contexts may contribute to a better understanding of the complicated relation between Jews Christians and Muslims These studies are dedicated to Dineke Houtman honouring her work as professor of Jewish Christian relations

My Happiness Bears No Relation to Happiness
Adina Hoffman,2009-04-01 This first biography of a Palestinian writer also provides a moving account of the ways ordinary individuals are swept up by the floodtides of both war and peace Beautifully written and composed with a novelist's eye for detail this book tells the story of an exceptional man and the culture from which he emerged Taha Muhammad Ali was born in 1931 in the Galilee village of Saffuriyya and was forced to flee during the war in 1948 He traveled on foot to Lebanon and returned a year later to find his village destroyed An autodidact he has since run a souvenir shop in Nazareth at the same time evolving into what National Book Critics Circle Award winner Eliot Weinberger has dubbed perhaps the most accessible and delightful poet alive today As it places Muhammad Ali's life in the context of the lives of his predecessors and peers My Happiness offers a sweeping depiction of a charged and fateful epoch It is a work that Arabic scholar Michael Sells describes as among the five must read books on the Israel Palestine tragedy In an era when talk of the Clash of Civilizations dominates this biography offers something else entirely a view of the people and culture of the Middle East that is rich nuanced and above all else deeply human

Nes Ammim Gert van Klinken,2021 Today Europe is a favoured destination for refugees from all over the world We might have forgotten an earlier exodus during the aftermath of the Second World War in the opposite direction Jewish survivors of the Holocaust aimed for Palestine and after 1948 the State of Israel Protestants from

the Netherlands Switzerland America and Germany intended to join the Jewish people in their new homeland by building the village Nes Ammim The Netherlands had been occupied during the war Switzerland had remained neutral Germany carried the taints of guilt and defeat the United States the laurels of the victor What made them work together And why did the Americans and the Swiss withdraw in 1967 the year of the Six Day War The many questions surrounding this village do not end here Nes Ammim was founded near Akko in 1962 Just fourteen years earlier a majority of the local population had been Druze or Arab Most of the Arabs ended up as refugees and their land was repurposed for the kibbutzim How did Protestants relate to these events It is not the intention of the author to impose present day views onto the Christian founders of Nes Ammim The challenge of understanding their mindset within the context of their time is exactly what makes them so fascinating

The Arab-American Experience in the United States and Canada Michael W. Suleiman, 2006 *Palestine Across Millennia* Nur Masalha, 2022-02-24 In this magisterial cultural history of the Palestinians Nur Masalha illuminates the entire history of Palestinian learning with specific reference to writing education literary production and the intellectual revolutions in the country The book introduces this long cultural heritage to demonstrate that Palestine was not just a holy land for the four monotheistic religions Islam Christianity Judaism and Samaritanism rather the country evolved to become a major international site of classical education and knowledge production in multiple languages including Sumerian Proto Canaanite Greek Syriac Arabic Hebrew and Latin The cultural saturation of the country is found then not solely in landmark mosques churches and synagogues but in scholarship historic schools colleges famous international libraries and archival centres This unique book unites these renowned institutions movements and multiple historical periods for the first time presenting them as part of a cumulative and incremental intellectual advancement rather than disconnected periods of educational excellence In doing so this multifaceted intellectual history transforms the orientations of scholarly research on Palestine and propels current historical knowledge on education and literacy in Palestine to new heights

Palestine Nur Masalha, 2023-10-05 This rich and magisterial work traces Palestine's millennia old heritage uncovering cultures and societies of astounding depth and complexity that stretch back to the very beginnings of recorded history Starting with the earliest references in Egyptian and Assyrian texts Nur Masalha explores how Palestine and its Palestinian identity have evolved over thousands of years from the Bronze Age to the present day Drawing on a rich body of sources and the latest archaeological evidence Masalha shows how Palestine's multicultural past has been distorted and mythologised by Biblical lore and the Israel Palestinian conflict In the process Masalha reveals that the concept of Palestine contrary to accepted belief is not a modern invention or one constructed in opposition to Israel but rooted firmly in ancient past Palestine represents the authoritative account of the country's history
