Basic Training Sandy Bell, 2020-04-29 In writing this manual it is my hope to deliver a clear understanding of the why and how the church is to minister to those in need of healing We need to have a better understanding of what healing may or may not look like This manual was written for the purpose of training Jesus s disciples in the ministry of healing Inside these pages are a toolbox that can be used anywhere at any time We must understand as Christ s disciples on the frontlines of life the key to all healing is not in anything we do except to flow with what Jesus is doing through our relationship with him His ways are not our ways He will go to any length to accomplish what is needed to have a relationship with those He loves Every healing will be according to the will and purposes of God It is essential that the reader knows the One who is the source of all healing physical emotional mental and spiritual We become whole in body soul and spirit because it is God s desire and Jesus s sacrifice El Roi knows us and our troubles It was the great commission that Jesus commanded His disciples to preach the Gospel to all people Whoever believes the good news and is baptized will be saved and whoever does not believe will be condemned Miracle signs will accompany those who believe They will drive out demons speak in tongues protected from snakes and from drinking anything poisonous They will lay hands on the sick diseased and dis eased and heal them It is my prayer that you will be blessed with a deeper level of wisdom knowledge and
