D.H. Lawrence and Human Existence, Etc. [With a Portrait.] Martin Jarrett-Kerr, 1951 D.H. Lawrence and Human Existence, Etc. [With a Portrait.] William Tiverton (pseud. [i.e. Martin Jarrett Kerr.]), 1951 *D.H. Lawrence and Human Existence ... Foreword by T.S. Eliot. (Second Edition.)*. Martin Jarrett KERR (name in religion of William Robert Jarrett Kerr.), Thomas Stearns Eliot, 1961 **D. H. Lawrence's Philosophy of Nature** Tianying Zang, 2011 This book is a study of D H Lawrence s view of nature his ecological consciousness contributes to his unique place within modern aesthetics An affinity has been examined between Lawrence s ideology of man nature relationship and the classic oriental philosophies concerning nature particularly the ancient Taoism In Lawrence s novels and essays one finds that virtually all aspects of his religious vision are anticipated in Eastern literature His almighty Holy Ghost for example who is responsible for the sacred underlying unity is named Brahman by Hindus Dharmakaya by Buddhists and Tao by Taoists His duality with its stress on the dynamic balance between complementary life principles is fully worked out in the Yin Yang philosophy of Taoism **D.H. Lawrence** R. P. Draper, 2013-01-11 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 **Criticism of Society in the English Novel Between the Wars** Hena Maes-Jelinek, 2013-05-22 The main concern of this study is the artist s vision of society its major theme is the relation between the individual and society resulting from the impact of social and political upheavals on individual life By criticism of society I mean the novelist s awareness of the social reality and of the individual s response to it the writers I deal with all proved alive to the changes that were taking place in English society between the two World Wars Though the social attitudes of the inter war years as well as the writers response to them were shaped by lasting and complex influences such as trends in philosophy and science the two Wars stand out as determining factors in the development of the novel the consequences of the First were explored by most writers in the Twenties whereas in the following decade the novelists felt compelled to voice the anxiety aroused by the threat of another conflict and to warn against its possible effects After the First World War many writers felt keenly the social disruption the old standards which were thought to have made this suicidal War possible were distrusted the code of behaviour and the moral values of the older generation were openly criticized for having led to bankruptcy Disparagement of authority increased the individual s sense of isolation his insecurity his disgust or fear Even the search for pleasure so widely satirized in the Twenties was the expression

of a cynicism born of despair The ensuing disengagement of the individual from his environment became a major theme in the novel his isolation was at once a cause for resentment and the source of his fierce individualism **The Literary**

Criticism of F. R. Leavis R. P. Bilan,1979-10-18 A comprehensive analysis and assessment of the many strands of Leavis's work emphasising the basic unity of his ideas **D. H. Lawrence and Human Existence, by Father William Tiverton.**
