**Barbara Mensch**

## **D H Lawrence A Basic Study Of His Ideas:**

*D.H. Lawrence* Mary Freeman,1961      *D.H. Lawrence, a Basic Study of His Ideas* Mary Freeman,1961      *D H Lawrence* Mary E. Wilkins Freeman,2012-04-01      **A D.H. Lawrence Handbook** Keith Sagar,1982 Includes information on author and playwright D H Lawrence such as a chronology of his life a chronology of his writings a checklist of his reading calendar and maps of his travel bibliography filmography and discography      **The Consciousness of D.H. Lawrence** Daniel J. Schneider,1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence s thought and feeling over the course of his lifetime The author blends intellectual biography and psychology to focus on Lawrence s religious nature as a shaping force in his life      **D.H. Lawrence** Fiona Becket, Annotation This guide moves beyond the controversy surrounding Lady Chatterley s Lover to examine the prolific output of poetry novels and non fiction that made Lawrence a central figure in the Modernist movement

**D.H. Lawrence and Italian Futurism** Andrew Harrison,2021-11-22 The significance of D H Lawrence s reading of two Italian Futurist volumes in the summer of 1914 is widely acknowledged but the nature of its significance has not been more closely examined nor traced through his major fictional and discursive writings of the Great War and its aftermath D H Lawrence and Italian Futurism addresses the oversight firstly by examining the context to Lawrence s now famous June 1914 letters concerning Futurism secondly by placing Futurism and Lawrence s interest in Futurism in the light of the movement s intellectual indebtedness to nineteenth century Naturalism and thirdly by providing new readings of *The Rainbow* *Women in Love* and *Studies in Classic American Literature* which draw on these contextual materials The book s form will make it attractive to scholars and students of European modernism as well as to those interested in the works of D H Lawrence

**Major Short Stories of D.H. Lawrence** Martin F. Kearney,2016-12-05 First published in 1998 This reference guide is designed for those who would be knowledge able readers of major short stories by D H Lawrence when the store of scholarship investigation and appraisal is far too vast for all but the expert An inclusive examination of what has been written about these short stories each chapter deals with a different short story and consists of five distinct sections 1 the complete publication history including all revisions and variants 2 a thorough examination of recognized and hitherto unrecognized sources as well as the influences at work on Lawrence in the creation of the story 3 the story s relationship to Lawrence s other writings 4 acknowledgement and summary of all extant critical studies and 5 a bibliography of works cited This study concentrates on six short stories culled from Lawrence s more than fifty works of short fiction      **D. H. Lawrence's Philosophy of Nature** Tianying Zang,2011 This book is a study of D H Lawrence s view of nature his ecological consciousness contributes to his unique place within modern aesthetics An affinity has been examined between Lawrence s ideology of man nature relationship and the classic oriental philosophies concerning nature particularly the ancient Taoism

In Lawrence's novels and essays one finds that virtually all aspects of his religious vision are anticipated in Eastern literature. His almighty Holy Ghost for example who is responsible for the sacred underlying unity is named Brahman by Hindus, Dharmakaya by Buddhists and Tao by Taoists. His duality with its stress on the dynamic balance between complementary life principles is fully worked out in the Yin Yang philosophy of Taoism.

**D. H. Lawrence's Bestiary** Kenneth Inniss, 2019-01-29. No detailed description available for D. H. Lawrence's Bestiary.

**The Risen Adam** Virginia Hyde, 2010-11. Showing Lawrence's familiarity with biblical typology from both written and visual sources. Virginia Hyde explores its many ironic and paradoxical versions in his works. She demonstrates his use of typological precursors of Christ such as Adam and David, Moses and Aaron and his development of a coherent cosmology centered on the cross and the Tree of Life. These features often take on radically revisionist meanings when informed by Lawrence's interests in theosophy and occult lore. Hyde fully recognized Lawrence's intensely dynamic style and examines the ways in which he works creatively with his models. Hyde sheds new light on Lawrence's leadership views linking them to patriarchal assumptions inherent in biblical typology. She utilizes manuscripts and sketches as well as his traditional works to show that a complex form of biblical symbolism affects both his form and content in unexpected ways. His symbols are often traceable to iconographic models with typological significance. The Risen Adam includes pioneering treatments of the first Quetzalcoatl, the 1923 version of The Plumed Serpent so different in part from the final novel as to form a separate creative effort. Hyde also offers provocative new readings of The Rainbow, Women in Love, Aaron's Rod, The Border Line, The Plumed Serpent, David, The Man Who Died, Birds, Beasts and Flowers and other works. The book is illustrated with artwork by Lawrence and with examples of the medieval and other iconography he knew.

*D.H. Lawrence's Son and Lovers: A Critique* D.S. Dalal, 2007-10. *Richard Wagner and the Modern British Novel* John Louis DiGaetani, 1978. Examines the profound influence Richard Wagner had on modern British fiction and such authors and artists as Shaw, Ford Madox Ford, Oscar Wilde, Aubrey Beardsley and Jessie Weston.

*Sexual Politics* Kate Millett, 2016-02-16. A sensation upon its publication in 1970, Sexual Politics documents the subjugation of women in great literature and art. Kate Millett's analysis targets four revered authors: D. H. Lawrence, Henry Miller, Norman Mailer and Jean Genet and builds a damning profile of literature's patriarchal myths and their extension into psychology, philosophy and politics. Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life. This new edition features the scholar Catharine A. MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism.

*D. H. Lawrence and the Authoritarian Personality* Barbara Mensch, 1991-06-18. A documentation of D. H. Lawrence's insight into and portrayal of the destruction of self and society inherent in authoritarianism. The author begins her study with detailed definitions of the operative terms upon which the book is based: fascism, authoritarianism and totalitarianism.

**Primitivism** Michael Bell, 2017-07-06. Cover, Half Title Page, Title Page.

Copyright Page 2017 Reprint Acknowledgements Original Title Page Original Copyright Page Dedication Page Contents Acknowledgements General Editor s Preface Introduction 1 Primitive Sensibility 2 Conscious Primitivism 3 The Historical Context 4 The Primitivism of the Critics 5 Conclusion and Further Directions Select Bibliography Index     Lawrence's Leadership Politics and the Turn Against Women Cornelia Nixon, 2024-03-29 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1986     *The Moon's Dominion* Gavriel Reisner, 1981 Posits a causal relationship between two themes in Lawrence s fiction usually thought to be unrelated the dominance of women and the conflict between the tale and the teller The connection is revealed in the course of a systematic analysis of the tale teller division in Lawrence s earlier novels     *Spellbound* Maria M. Tatar, 2015-03-08 Franz Anton Mesmer s concept of animal magnetism exercised a profound influence on key European and American thinkers Mesmer who saw in his discovery the secret of health had hoped to recover the harmony between man and nature by harnessing the power of magnetic fluids In calling attention to the existence of a second self that surfaces in the hypnotic trance Mesmer made his real contribution and took the first decisive steps on the road leading to the unconscious While most critical studies of mesmerism originate in the history of science or medicine Maria Tatar s book takes a fresh approach by tracing the impact of mesmerism on literature The author launches her account with a portrait of Mesmer and places his views in the context of eighteenth century thought She then explores the significance of Mesmer s ideas and studies their influence on nineteenth century German French and American writers In conclusion she examines the ways in which modern authors absorbed and reshaped the mesmerist legacy bequeathed to them by earlier generations Whether discussing the electrical energy vibrating through Kleist s dramas the electrical heat radiating from Hoffmann s figures the streams of magnetic fluid coursing through Balzac s novels or the magnetic chain of humanity linking Hawthorne s characters Professor Tatar recaptures the meaning of ideas motifs and metaphors often overlooked by literary critics Her study illuminates in a remarkable way the subtle connections between science psychology and literature Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905     **Studies in American Literature** ,1966
