Love Unbroken Sheena Binkley, 2014-03-07 Riana I wasn't expecting to meet anyone when I arrived at Shaw University After my last stint at love the only thing I wanted to focus on is getting through my first semester of college without any drama That was my intentions until I met Shawn Walker At first I didn't like him He was arrogant and cocky someone that I could easily despise if he wasn't so damn sexy But one night changed my thoughts about him I was able to let down my guard and be myself Now I have a second chance at love Will I let myself love again or will I continue to live in the past Shawn After my last girlfriend cheated on me love was not on my agenda I tried to escape it at all costs until I met Riana Robertson After thinking she was like every other girl I easily avoided being around her but that night when I saw what happened to her I had to help her I had to protect her That night changed the way I felt about her and I realized I could fall hard for her But will our relationship survive once she finds out the truth about me Or will I lose her forever *The Poet's Family Album* Calvin Towler, 2006-12 You may love photography or heritage scrap booking remembering gentler less complicated romantic times Or you may be a history buff And you may enjoy poetry and prose If you do you will certainly find a feast of history poetry and family in these pages This book celebrates the life of a man who was born a story teller and lived the life of a poet His poetry and life were one His family traveled at his side on this incredible journey All of life's experiences became the stuff out of which his verses emerged and lived I often traveled with him I'm his oldest son Calvin and co author of this book The Girl From Revolution Road Ghazaleh Golbakhsh, 2020-09-01 A powerful collection of personal essays on displacement being different and living between two worlds told with humour and self reflection A book for our times written with wit lyricism cynicism and tenderness Rachel House Based on Ghazaleh Golbakhsh's experience as an Iranian immigrant growing up in New Zealand these essays range from a childhood in war torn Iran including the trauma of a night spent in prison as a six year old to learning English so she could make friends to dating in the days of Corona This is about growing up as a young woman torn between her immigrant roots and her desire to be like everyone else The humour is sometimes offset with the more sombre reminder of the racism that has always existed in this country from misguided quips to more serious stories of harassment The impact of recent world events shows that more than ever marginalised voices are needed in our cultural discourse *Hi World, I'm Dad* James Guttman, 2025-07-25 Raising a non verbal autistic kid is a rollercoaster
