Dad And Me:

Finding the Dad I Never Had Melissa Weikel, 2022-11-04 The book tells a story of Missy's life journey in how she found the dad she never had. It is packed full of suspense and a life filled with such darkness before finding God. Sharing stories of how she overcame abuse and abandonment from a young age. The hardship she experienced from losing everything she owned in a fire and a terrible car accident that left her helpless. Beaten, broken and bruised, this book shares how God has given her Beauty for Ashes.

Why Me Father? C. Christine Pressley, 2020-02-28 I chose the title of this book because that was the question I ask almost every minute of my life. Whether it be to my earth-bound father or my heavenly Father, I was raised believing in God, so when these tragic events happened in my life, the question got even more frequent. I could not understand what I had done so bad in my life to be treated like I was. Through God's help, I don't ask that question anymore. I understand that there is a reason for every second of our life, whether good or bad. I finally understand we may not know that reason, but God knows, and that is fine with me. I know God is always with us through our journey on this earth. This book was so hard for me to write emotionally to let everyone know my emotional and physical pain. But I felt drawn by God to let everyone know God is real and he is there for you. All you have to do is ask. May God bless you and your family.

McClure's Magazine, 1897 **You Just Can't Make This Sh*t Up; Extremely Comical and Unbelievably True Memoirs of a Childhood, Adolescence and Adulthood.** Dr. Dominique Marie Fufidio, 2023-06-16 About the Book Author Dominique Fufidio wanted to write a book but about what? While reading the first couple chapters of the autobiography by comedian Kevin Hart, she was inspired reading stories about his father. This prompted her to break out her computer and write the first chapter of *You Just Can't Make This Sh*t Up*. Dominique started to write a story of childhood, the story of her childhood, all stories that involved her dad. These short stories are the same she had been telling for years, entertaining others while letting them into her life. Dominique's childhood memoirs made her the life of every party and her father a legend. Many wish to meet her dad, now all can know the stories of Dominique Fufidio, her childhood and her experiences centralized around her father. If you didn't know these stories are recollections of memories and experiences you wouldn't believe them to be true, they are just flat out absurd. These stories are so far out of the norm of how children are
