

The background of the image is a close-up, soft-focus photograph of numerous white rose petals. The petals are layered and overlapping, creating a delicate and romantic texture. The lighting is warm and gentle, highlighting the natural curves and veins of the petals. A semi-transparent white rectangular box is centered over the image, containing the text in a black script font.

*"Dad, your love
was the foundation
of my life.
I miss you deeply."*

Daddy's Forbidden Desire Pepper Monroe,2025-10-11 You re marrying my mother Jack I said And I m pregnant with your baby Pardon The icy voice behind us froze me in place I didn t need to turn to know who it was Jack s grip tightened but my knees were already giving out I turned slowly and Celeste stood in the doorway her face a porcelain mask of shock and fury Mum I took a trembling step toward her instinctively wrapping my arms around my stomach Please I can explain I let his father touch me I didn t mean for it to happen It was supposed to be just one night a reckless decision to escape the pain of a broken past I didn t know who he was only that he was older magnetic and made me feel wanted for the first time in years But that night changed everything Jackson Romero isn t just anyone He s the father of my first love the boy who broke my heart ten years ago And now I m pregnant Worse Jackson is about to become my stepfather and his son is back in my life They say age is just a number and Jackson belongs to my mother But how can I walk away when every part of me already belongs to him When my body remembers his touch but my heart still aches for the boy who turned his back on me Caught between the twisted lies my mother spins the betrayal of the boy I once loved and the dangerously irresistible man I never

should have touched I m faced with a choice that could destroy us all In our story love always comes with a price And someone lurking in the shadows will stop at nothing to make sure I pay it no matter the cost **Daddy's Girl** Charlotte Vale-Allen,2009-04 On Writing Daddy s GirlAfter I had been through many versions of the manuscript written over almost a decade I decided that for this book to have validity it would be necessary not only to show the past but also to give a picture of the present illustrating how the events of my childhood affected me at the time as well as later in life as an adult and a parent Given that I wrote the book in the first place as a document that I hoped would be useful to others who d suffered abuse and also to professionals I felt it was very important to present detailed portraits of the child I was and the woman I grew to be in large measure as a result of trying to cope with the long term effects of the abuse As well I thought it was vital to illustrate how fallout from the abuse can be felt down through the generations if one fails to exercise awareness and caution So the book weaves back and forth between past and present the present being 1979 when the final version was completed I also had to decide at the very start whether I was going to dole out snippets of truth or be completely truthful and address the issue as fully as I was able There seemed no point to writing an autobiographical account of incest if I was going to be anything less than completely truthful It was not difficult to tell the truth nor was the writing of the book a cathartic experience as many have imagined it to be The fact is that I had long since confronted my personal demons and had managed to relegate the past to the past something exceedingly difficult for many victims of any all forms of abuse to do A few years ago in correcting the page proofs of a new British edition of the book I reread DADDY S GIRL and was gratified by what I d written Often with my novels I am not at all happy when I reread them I think that as an author I have little if any objectivity about my work once it s completed and so am not necessarily a good judge of it But I am proud of DADDY S GIRL Since its publication in 1980 it has been of help to a lot of people And ultimately it s my way of returning some measure of the kindness and attention people showed me when I was working my way along the rough roadway toward my future
