The Independent. *Dad's Army* is quite simply the most successful British TV sitcom of all time. Eighty episodes were made and are constantly repeated. The first black and white series re-shown for the first time in 1999 attracted 4.6m viewers, outperforming *Have I Got News for You* and almost outstripping Channel Four's most popular programme *Friends*. When the second series was shown on Saturday nights in 1998 it took 7 million viewers and 40% of the audience. This book will be the last word on the series. There have been other books, but this is first to present the whole story from how the series got made, scripts, locations, filming, the real history of the Home Guard, the background to the actors who played in the series, every episode catalogued and much more. The creators have volunteered to open their archives which include the original programme, research, annotated scripts and location photographs. Now recognised as one of the great shows of this and any TV era, Perry and Croft have decided the programme requires a monument and this book will be it.

 politics and cultural impact *Dad's Army Goes to War* Melody Foreman, 2024-12-30 For decades the classic evergreen BBC
 comedy Dad's Army has entertained millions of viewers around the world But the farcical antics of Walmington on Sea's
 bumbling Home Guard platoon camouflage the true military service of some of the actors themselves Despite their light
 hearted appearance many of the cast saw active service in one or even both of the world wars and much of it far from
 humorous The inspiration behind the sitcom was the experiences of one its writers Jimmy Perry who as a young 16 year old
 wannabe comedian was still waiting for his call up papers when he joined the eager warriors of the Home Guard in 1940
 Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which
 put his name up in lights Indeed was it Perry's own goofy gullibility as a teenager that helped form the character of Private
 Pike Also admitted Perry the affable Lance Corporal Jones in real life Clive Dunn a former prisoner of war who served in the
 4th Queen's Own Hussars was partly based on an old soldier Perry knew who had served in the Sudan This veteran recalled
 being told by a CO to piss on your rifle to cool it down Perry went on to serve in India in the Royal Artillery and then later
 with Combined Services Entertainments As a twenty year old British Army officer David Croft was stationed in North Africa
 when a raft of comical events including his struggles with a Bofors gun went on to shape the calamities which befall the Dad

s Army troopers theater mad Derbyshire lad Arthur Lowe who played the redoubtable Captain Mainwaring was thin with knobbly knees when he was seconded to the No 2 Field Entertainment Unit in Egypt Meantime languid good mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946 The astonishing bravery of actor and playwright Arnold Ridley who was denied a DSO and a Military Medal for his actions during the First World War makes for heart rending reading His creation of dear old Private Godfrey won him millions of adoring fans The classical actor John Laurie Private We re all doomed Frazer was also a hero of the trenches Always dry witted he once made everyone laugh on set when he remarked I ve played every part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad s Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph
