

As he read, I fell in love the way you fall
asleep: slowly, and then all at once.
– John Green, *The Fault in Our Stars*

Crackerto Say I Love You

Carlen Lavigne, Heather Marcovitch

Crackerto Say I Love You:

Cracker Molly Brown, 1996 Forced to freelance with the cops psychologist Dr Fitzgerald tells detectives that the killers of a loan shark are a young man and young woman using sex as a weapon and murder as an aphrodisiac not realizing that the couple is on to the next crime this time targeting a cop Reprint AB

Contemporary Authors Lisa Kumar, 2004-07 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers

Fontella Jones and the 'Alah of the Jew Justeen Force, You could call The Fontella Jones Chronicles a detective novel series a mystery novel series or a crime novel series But they re something much more than that These are crossover stories that walk the edge of a precipice called political social and racial correctness They blur the line between reality and fiction and peel back the thin layer of society s civility exposing the raw roiling malevolence that lurks beneath The Chronicles are a portrait of a black female cop in flux Caught in the hot sweaty grip of a dimension between apathy and anarchy she has taken a stand as a thinking human being in a place where prejudices can kill and a closed mind can destroy A place where her whiskied searches on long silent nights for faith strength and truth drag her through the sewers of the less positive pursuits of man human slaughter torture and misery Dispensing justice is her only solace Enter the world of Fontella Jones at your own risk

American Remakes of British Television Carlen Lavigne, Heather Marcovitch, 2011-03-31 Ever since Norman Lear remade the BBC series Till Death Us Do Part into All in the Family American remakes of British television shows have become part of the American cultural fabric Indeed some of the programs currently said to exemplify American tastes and attitudes from reality programs like American Idol and What Not to Wear to the mock documentary approach of The Office are adaptations of successful British shows Carlen Lavigne and Heather Marcovitch s American Remakes of British Television Transformations and Mistranslations is a multidisciplinary collection of essays that focuses on questions raised when a foreign show is adapted for the American market What does it mean to remake a television program What does the process of Americanization entail What might the success or failure of a remade series tell us about the differences between American and British producers and audiences This volume examines British to American television remakes from 1971 to the present The American remakes in this volume do not share a common genre format or even level of critical or popular acclaim What these programs do have in common however is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences The contributors display a multitude of perspectives in their essays British to American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable Sanford and Son is examined in terms of race and class issues Essays on Life on Mars and Doctor Who stress television s role in shaping collective cultural memories An essay on Queer as Folk explores the romance genre and

also talks about differences in national sexual politics An examination of *The Office* discusses how the American remake actually endorses the bureaucracy that the British original satirized
