Covenant Discipleship Christian Formation Through Mutual Accountability:

Covenant Discipleship David Lowes Watson,2002-04-30 David Lowes Watson advances the practice of mutual accountability in Christian discipleship by expanding and updating the original handbook for covenant discipleship groups Accountable Discipleship was the manual for covenant discipleship groups for more than six years with over 20 000 copies printed in three editions This new version should prove valuable in leading existing groups to a deeper level of discipleship and newcomers to a fresh discovery of the best of the Methodist tradition Of special interest is Watson s recovery from John Wesley s General Rules for the early Methodist societies of a fourfold General Rule of discipleship To witness to Jesus Christ in the world and to follow his teachings through acts of compassion justice worship and devotion under the guidance of the Holy Spirit

Guide for Covenant Discipleship Groups Gayle Turner Watson,2011-07-11 Covenant Discipleship Groups have a long history of helping Christians grow as disciples Based on the early Methodist class meetings Covenant Discipleship Groups provide a way for Christians today to be accountable disciples of Jesus Christ Q A s Q WHAT IS A COVENANT DISCIPLESHIP GROUP A Covenant Discipleship Groups consists of up to seven persons who meet together for one hour each week to hold themselves mutually accountable for their discipleship They do this by means of a covenant that they have written Q WHAT IS THE PURPOSE OF A COVENANT DISCIPLESHIP GROUP A Covenant Discipleship Groups are intended solely for mutual accountability and prayerful support for living as disciples in the world They are not where our discipleship happens but where we make sure that it happens Q WHY DOES THE GROUP NEED A COVENANT A The covenants we make with one another help us keep our covenant with God We make covenants with one another because we live in a world that has yet to accept God s salvation We constantly face temptations to turn away from God and we need some means of mutual support John Wesley and the early Methodists understood this need and saw that nothing short of binding themselves to mutual accountability would suffice By the grace of God they agreed to watch over each other in love Q WHY JOIN A COVENANT DISCIPLESHIP GROUP A By joining with other Christians in a weekly meeting members of Covenant Discipleship Groups learn to center their lives on Jesus Christ by following his teachings and supporting one another in living out the basics of Christian discipleship Q WHAT WILL HAPPEN TO ME IN A COVENANT DISCIPLESHIP GROUP A You will become more aware of God s grace in your life You will find new ways of serving God and your neighbor You will find your understanding of God s will greatly enhanced Q How WILL THIS BOOK HELP ME A This handbook is primarily a practical reference manual for starting developing sustaining and incorporating Covenant Discipleship Groups into the mission and ministry of the church

The Complete Book of Everyday Christianity R. Paul Stevens,Robert Banks,2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of

academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ **Making Disciples in a World**

Parish Paul W. Chilcote, 2011-04-01 In this collection of inspirational and challenging essays Methodists from around the globe reflect on the practice of disciple making in their own contexts From their own perspectives they address questions like What are the challenges you face What biblical images shape your missional practice What examples of Christian authenticity inspire your communities What gifts related to mission and evangelism do you offer the global community of faith Churches on every continent have their own stories of struggle and faithfulness Indeed each distinct community within any given region has a voice of its own that deserves to be heard The voices included in this volume belong to women and men alike Likewise they resound with the accents of Africa and Asia Latin and North America Europe and Oceania Each voice is distinct but all articulate a vision of faith made effective through love In a world characterized variously by poverty and violence as well as prosperity and peace the church must reclaim its central mission to make disciples of Jesus Christ In their effort to articulate a vision of mission and evangelism the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another To be the ambassadors of the gospel we need each other and we need to pay attention to the voices that sound different from our own This volume takes a large step in that vital direction **Disciples Together**

Walton Roger, 2015-04-21 Discipleship is one of the key words used in the churches today and there are many initiatives in the mainstream churches to enable people to grow as disciples of Christ *Relational Discipleship* Brian Craig

Drurey, 2017-03-28 God is waiting for each of us to return home In fact God is already out in the world searching and inviting each person to take the journey back to God's house Relational Discipleship Moving Back Home with God approaches discipleship from a fresh perspective and intentionally draws on biblical principles and examples of discipleship In this approach the metaphor of a house is used to describe our journey back to God Hospitality plays a key factor in how discipleship from this perspective warmly calls each person forward in each step Other modes of discipleship are solely focused on transformation of the disciple Here in this model the transformation of the discipler must occur first Then the discipler can be a warm host helping other travelers on the path to God's house Join in the journey today and see how Relational Discipleship offers the call to move back home with God *The Soul of Discernment* Elizabeth Liebert, 2015-08-24

The Soul of Discernment provides concrete steps for groups of people who work together and need to make important decisions church sessions nonprofit hiring committees etc Liebert calls this process the Social Discernment Cycle a process for seeking God's call in a particular situation It is called social because it deals primarily with human communities in their social structural rather than interpersonal aspects Liebert explains It is a cycle because one completed round of discernment

prepares for the next The Social Discernment Cycle is particularly apt for any discernment that involves a structure system or institution This book helps groups work through this cycle to answer the question How is God leading us individually or together to act in this particular moment in our organization Spiritual Formation in Local Faith Communities Neil Pembroke,Ewan Kelly,Theo Pleizier,William S. Schmidt,Jan-Albert van den Berg,2022-03-31 Spiritual formation in our local churches is too often poorly done or it is virtually nonexistent We developed this innovative approach to spiritual formation in the congregation because it is desperately needed The prompt cards are used to spark deep reflection and shape potentially life transforming conversations with a pastor around spiritual practices spiritual character personal and social ethics and emotional well being The model was trialed in five countries We heard time and time again how the six week process fired a passion to go deeper with Christ Some reported praying regularly for the first time in decades Others found the Scriptures coming alive after years of going through the motions In this book the authors present a simple but powerful method and offer in depth theological reflection on related issues Some of the important areas covered are early church approaches to spiritual formation contemporary spiritual practices spiritual character the indissoluble link between spirituality and moral virtue the spirituality of the pastor and the positive psychology approach **Renovating Holiness** Thomas Jay Oord,Joshua Broward,2015-02-03 This book is a call for change Even more it calls for open conversation about change For too long many in the Church of the Nazarene have considered the doctrine of holiness off limits a sacred cow impervious to all forces of cultural modification and theological renewal It s time for a real change because the church needs renovation These 100 essays from Millennial and Xer leaders explore how holiness might be understood and lived today The Marketplace Ministry Handbook Robert J. Banks,R. Paul Stevens,2005 Work has become for many people the central reference point in their lives and the main consumer of their time and energy Whether people have much or little money is what much of life revolves around There is an implicit theology in everyone s attitude to and handling of work This book looks at the relationship between God and the marketplace at work as a spiritual discipline and at how to handle some of the main pressures and dilemmas that arise in a work setting The combined wisdom of dozens of experts makes this volume a great place to start thinking about how Christians should approach subjects such as ADVERTISING BUSINESS ETHICS COMPETITION COMPROMISE CONTRACTS CREDIT DEBT FIRING GOSSIP INSURANCE INTEGRITY INVESTMENT LEADERSHIP LOYALTY MANAGEMENT NEGOTIATING NETWORKING OFFICE POLITICS PROMOTION RETIREMENT SHIFTWORK STEWARDSHIP STRESS STRIKES UNIONS VOLUNTEER WORK WHISTLE BLOWING R Paul Stevens is the David J Brown Family Professor of Marketplace Theology and Leadership at Regent College in Vancouver and the author of many books on marriage work and everyday life His many books include The Other Six Days Liberating the Laity Marriage Spirituality Living the Story and Down to Earth Spirituality Robert Banks is past director and dean of Macquarie Christian Studies Institute in Sydney Australia He has written widely on work community and popular culture including The Tyranny of

Preaching Prophetic Care Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today's social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice With contributions from Donna Allen L Susan Bond Teresa Fry Brown Gennifer Brooks Teresa Eisenlohr Anna Carter Florence Kenyatta Gilbert R Mark Giuliano David Schnasa Jacobsen John McClure Mary Elizabeth Moore Mary Alice Mulligan Debra Mumford Peter Paris Luke Powery Shelly Rambo Lee Ramsey Robert London Smith Amy Steele Frank A Thomas Lisa Thompson Scott Williamson

Sunggu Yang Ted A Smith William B McClain **Remnant Christianity in a Post-Christian World** W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative The Poor and the People Called Methodists Richard P. Heitzenrater, 2002 Details the progression of Methodist s views toward poverty stricken individuals between 1729 and 1999 *Missional Church* Lois Barrett, 1998-02-09 What would a theology of the Church look like that took seriously the fact that North America is now itself a mission field This question lies at the foundation of this volume written by an ecumenical team of six noted missiologists Lois Barrett Inagrace T Dietterich Darrell L Guder George R Hunsberger Alan J Roxburgh and Craig Van Gelder The result of a three year research project undertaken by The Gospel and Our Culture Network this book issues a firm challenge for the church to recover its missional call right here in North America while also offering the tools to help it do so The authors examine North America s secular culture and the church s loss of dominance in today s society They then present a biblically based theology that takes seriously the church s missional vocation and draw out the consequences of this theology for the structure and institutions of the church Radical Small Groups David Slamp, 2014-06-25 FINALLY a book that takes you beyond programs and spells out exactly how to put spiritual growth on steroids in your church Here is an exciting way to think synergistically and dramatically accelerate authentic life change There has never been a book more urgent to read than this one in our impersonal society and spiritually impoverished world Radical Small Groups is a cutting edge resource to bring vitality to your group and transformation to your church The foundational concept here is that small groups should be an intrigal part of a dynamic approach to ministry not an isolated program The result A powerful synergism between Sunday school worship Bible studies and small groups all producing true life change Bring true vitality to your group or church with the biblical principles taught here No other book will give you such a comprehensive and practical vision of the Great Commission to make disciples If you read only one book this year to add purpose to your life and life in your church this is the one Whether you are starting a group beginning a small group ministry or want to take existing groups to a new level this revolutionary book is a must read In this book you will be challenged to Develop dynamic and healthy small group Gain a new
