

# CREATING COMMUNITY ACCEPTANCE FOR HANDICAPPED PEOPLE

*Roberta Nelson*

This book presents an integrated body of knowledge aimed at helping the reader teach the community to be tolerant and supportive of people with differences. It is designed for — indeed, is a essential reading for — everyone working in the helping professions, everyone involved with mentally and physically handicapped people, and everyone concerned with human rights and dignity.

**Disability and Social Movements** Rachel Carling-Jenkins,2016-05-23 This book provides the reader with a ground breaking understanding of disability and social movements By describing how disability is philosophically historically and theoretically positioned Carling Jenkins is able to then examine disability relationally through an evaluation of the

contributions of groups engaged in similar human rights struggles The book locates disability rights as a new social movement and provides an explanation for why disability has been divided rather than united in Australia Finally it investigates whether the recent campaign to implement a national disability insurance scheme represents a re emergence of the movement It will be of interest to all scholars and students of both disability studies and social movements
