Creating Small Scale Social Programs Planning Implementation And Evaluation

Lawrence L. Martin, Peter M. Kettner

Creating Small Scale Social Programs Planning Implementation And Evaluation:

Creating Small Scale Social Programs Barbara Schram,1997-10-14 This book is geared towards designing programmes to meet specific social needs and organizing the relevant community and social service resources to implement them Structured around a single case study the book clearly illustrates how to effectively plan implement and evaluate a small scale social programme Each step in the planning process is introduced and described in a way that allows the reader to vicariously participate in the evolution of the programme Useful charts time lines and resource lists are included and can be easily referenced and utilized

Designing and Planning?Programs for Nonprofit and Government Organizations Edward J. Pawlak,Robert D. Vinter,2004-08-11 Publisher Description The Handbook of Community Practice Marie Weil,Michael Reisch,2005 Encompassing community development organizing planning and social change as well as globalisation this book is grounded in participatory and empowerment practice The 36 chapters assess practice theory and research methods

Understand Social Agency Armand Lauffer,1984-11 This revised and expanded Second Edition of the widely read Understanding Your Social Agency offers students and practitioners a simple yet comprehensive introduction to organizational theory and its meaning for social agencies Each of the first ten chapters is devoted to a particular perspective for understanding the agency The final chapter considers using each of the ten perspectives independently or in tandem to solve problems within or on behalf of the agency It will be a useful guide to solving problems of an organizational nature within an agency

Family Assessment Adele Holman,1983-06 A practical guide for human service workers and students which describes and shows techniques for use in assessing families The author reviews a conceptual basis of family assessment in chapters that focus on the family as a system the family and its environment and the family life cycle She goes on to describe such methods of assessment as the ecomap the genogram family sculpture and the use of observation and checklists Throughout the guide case examples are used to illustrate concepts and show the techniques in use A special feature of particular value is the self teaching exercises designed to give the reader practice in applying these ideas and methods A concluding chapter relates family assessment to treatment or intervention

Handbook of Research Design and Social Measurement Delbert C. Miller,Neil J. Salkind,2002-01-16 If a student researcher had only one handbook on their bookshelf Miller and Salkind s Handbook would certainly have to be it With the updated material the addition of the section on ethical issues which is so well done that I m recommending it to the departmental representative to the university IRB and a new Part 4 on Qualitative Methods the new Handbook is an indispensable resource for researchers Dan Cover Department of Sociology Furman University I have observed that most instructors want to teach methodology their way to imbue the course with their own approach Miller Salkind allows one to do this easily The book is both conceptually strong e g very good coverage of epistemology research design and statistics and at the same time provides a wealth of practical knowledge scales indices professional organizations computer applications etc In addition it covers the waterfront of

methodology Michael L Vasu Director of Information Technology North Carolina State University A unique and excellent reference tool for all social science researchers and a good textbook for graduate students and senior year undergraduate classes These students are about to enter the real life of research and need a handy and comprehensive tool as a starting point that offers shortcuts for getting into real research projects For a small project the book offers enough information to get the project started For big projects the book is ideal for information on where to look for things and examples Jianhong Liu Department of Sociology Rhode Island College The book considered a necessity by many social science researchers and their students has been revised and updated while retaining the features that made it so useful The emphasis in this new edition is on the tools graduate students and more advanced researchers need to conduct high quality research Features Benefits Provides step by step instruction for students research training by beginning with how to find a creative idea a middle range theory and initial hypothesis and proceeds through design proposal collection and analysis of data followed by writing reporting and publication Section on scales and indices are organized so that readers can quickly locate and find the type of scale or index in which they may be interested All sections are now followed by useful and well considered reference sections so that readers can read more about each topic Includes updated coverage on new scales internal and external validity and new analytic techniques with extensive references on each Presents extensive coverage of how to prepare manuscripts for publication including a list of all journals covered by Sociological Abstracts along with the editorial office address and URL for each entry Discusses the importance of policy research with presentation and discussion of specific models as an adjunct to both applied and basic research techniques Provides extensive coverage of funding opportunities including those offered by the National Institutes of Health the National Science Foundation and a directory of private funding sources including relevant contact information New to this edition New Part 4 by John Creswell and Ray Maietta provides a comprehensive introduction to qualitative methods including a review of existing computer applications for collecting and analyzing data New and more current reviews and commentaries have replaced dated or no longer relevant excerpts Thousands of new references on the assessment of important sociological variables as well as references to such topics as statistical analysis computer applications and specific topics Thoroughly updated information on the use of computers and online research techniques including beginning and intermediate material about the Internet and its use by the modern research scientist Coherent and thoughtful review of the most popular statistical analysis software packages New guidelines and discussion of ethical practices in social and behavioral science research including extensive coverage of institutional review board procedures and activities Expansion of social indicators to include international coverage Plus there is an extensive and well organized table of contents with four levels of headings and for the first time in the history of the book a comprehensive index

Measuring the Performance of Human Service Programs Lawrence L. Martin, Peter M. Kettner, 2010 Government and nongovernmental human service organizations are under increasing pressure to

demonstrate that their programs work As stakeholders demand more accountability human service organizations are increasingly utilizing performance accountability and performance measurement as a way of demonstrating the efficiency quality and effectiveness of their programs Measuring the Performance of Human Service Programs Second Edition examines the reasons why performance measurement has become the major method of performance accountability today In this second edition of their classic work Martin Kettner explain in detail how to develop and utilize output quality and outcome performance measures in human service programs Special attention is given to the four types of outcome performance measures numeric counts standardized measures level of functioning LOF scales and client satisfaction

Effective Meetings John E. Tropman, 2013-12-17 Lauded for its accessible format and humorous writing style Effective Meetings Improving Group Decision Making by John E Tropman offers practical strategies for running effective meetings by highlighting the processes involved in decision making and the ways individuals contribute to making better quality decisions as a group The Third Edition of this brief text begins with guidelines for effective decision making then covers topics that include member recruitment meeting preparation agenda building and the positions and roles required for effective meeting outcomes Subsequent chapters deal with electronic meeting formats the chair and participants and the various types of meeting groups such as boards advisory groups and staff groups Author John E Tropman teaches at the University of Michigan in the School of Social Work the Stephen M Ross School of Business and the Executive Education Programs Dr Tropman also works with for profit nonprofit and government entities in a consultative capacity **Total Quality**

Management in Human Service Organizations Lawrence L. Martin, 1993-09-10 Now that business government and other fields are embracing Total Quality Management TQM as their management philosophy TQM may also hold the solution for problems that exist in human services organizations today After a brief history of TQM the author discusses the philosophy of management quality as an organizational goal the challenges of determining an organization's customers and collecting and using customer quality data He also describes how to achieve quality improvement through teamwork and shows how to use brainstorming cause and effect diagrams check sheets and pareto analysis Among the other topics examined are contractor involvement training top management personnel training middle managers and staff and selecting an implementation strategy All the examples used in this volume are drawn from the fields of public administration gerontology public health and management of nonprofit organizations Total Quality Management in Human Service Organizations is a good backgrounder for human service administrators and organizations prior to undergoing a more detailed agency discussion of or training in TQM It is also of great value to students and faculty in social work administration programs who are interested in the basics of TQM **Moving Up And Out** Lori Holyfield, 2002 Focusing on single women with children in poverty and the obstacles they encounter in trying to change their lives and class position
