Patterns of agile and creative methods for Solo-Entrepreneurs - an empirical research Jörg Stroisch,2021-02-27 Design Thinking and other agile methods are firmly established frameworks in innovation and project management for teams and many studies deal with their use in companies Solo Entre preneurs as the quasi smallest possible unit of a company are seldom in view when applying these ideas Their situation also differs significantly from that of larger corporate entities as evidenced for example by the fact that personal challenges can also affect general economic success much more quickly This master thesis used a qualitative method mix of qualitative interviews feedback grids and most importantly practical workshops based on the Design based research approach to investigate the extent to which the use of agile methods is beneficial and meaningful in addressing business cases of Solo Entrepreneurs

Collaboration in Creative Design Panos Markopoulos,Jean-Bernard Martens,Julian Malins,Karin Coninx,Aggelos Liapis,2016-05-11 This book presents a number of new methods tools and

approaches aimed to assist researchers and designers during the early stages of the design process focusing on the need to approach the development of new interactive products systems and related services by closely observing the needs of potential end users through adopting a design thinking approach A wide range of design approaches are explored some emphasizing on the physicality of interaction and the products designed others exploring interactive design and the emerging user experience UX with a focus on the value to the end user Contemporary design processes and the role of software tools to support design are also discussed The researchers draw their expertise from a wide range of fields and it is this interdisciplinary approach which provides a unique perspective resulting in a flexible collection of methods that can be applied to a wide range of design contexts Interaction and UX designers and product design specialists will all find Collaboration in Creative Design an essential read
