14 Day Wedding Planner With Internet Guide:

14-day Wedding Planner with Internet Guide Don Altman, Sanda Altman, 1999 Los Angeles CA June 23 1999 Wedding planning has finally come of age the computer age that is A dream wedding can be planned almost entirely over the Internet according to Don and Sanda Altman authors of a new book 14 Day Wedding Planner With Internet Guide Published by Los Angeles based Moon Lake Media it is the first book that shows how to use the Internet to plan a wedding The book which also features a unique theme wedding planner streamlines the planning process good news for today's time challenged and stressed out working brides and grooms Unlike author Don Altman's first book 201 Unique Ways to Make Your Wedding Special this new one was developed out of necessity Like any busy career oriented couple getting married he says we found ourselves fighting the clock Our careers and family obligations seemed to absorb every available second leaving us with little time or energy for the myriad of wedding decisions we had to make 14 Day Wedding Planner With Internet Guide saved our sanity and helped us create the dream wedding we always wanted faster stress free and for less than we ever imagined 14 Day Wedding Planner With Internet Guide follows along with a basic wedding calendar A Web Tips and Internet Guide located at the end of each chapter makes it easy to find Web sites and resources relating to a chapter's particular theme and planning tasks Included are tools for wedding budgeting shared planning calendars for the bride and groom online sources for thousands of different gowns online etiquette advice a host of online announcement and bridal registry options online wedding music and DJs limousines tips on using the Internet to find local caterers and florists honeymoon and travel planning tools and Internet price comparisons There are even handy time saver sites such as a nationwide marriage license finder site and sites that can print out a free map of your wedding reception in just seconds While the Internet can save wedding planners a vast amount of time energy and even money 14 Day Wedding Planner With Internet Guide features a unique theme planning system that makes planning easier even without using the Internet What really makes the book special says Altman is the approach that gives each chapter or planning stage a central theme So instead of organizing a number of disconnected items you can focus on related things For example we have a chapter for planning all the mood setting elements such as crafting the ceremony and choosing the music and invitations Working on all these things together gives you a better idea of the big picture of what you're trying to create That's a big benefit One chapter you put on your creative hat another chapter your shopping hat and so on Not only is this more fun but it makes sense and it helps you focus and accomplish your goals with greater purpose productivity creativity and vision There's no other wedding planner like it The authors used it to plan their own wedding a complete event for nearly 100 guests that included separate ceremony and reception sites with extensive floral arrangements and live music photography videography a three tiered cake a candle light ceremony and reception a stretch white limo and more Altman points out that his entire wedding was put together in no more than a total of 14 days unconsecutively Still he advises that planners think in terms of planning stages rather than days

which can stretched over a period of months or even a year Either way you ll save on stress and time he says Did his own wedding go off without a hitch Well almost says Altman until the photographer got totally lost and nearly didn t make it to the ceremony

Miss Manners' Guide to a Surprisingly Dignified Wedding Jacobina

Martin, Judith Martin, 2010-01-11 Bride and mother of the bride rebel against today's monster weddings and explain how weddings can be charming, affordable and excruciatingly correct. Today's brides are bombarded with wedding advice that promises perfection but urges achieving it through selfishness. It's your wedding and you can do whatever you like: greed, choosing the presents that guests are directed to buy and showing off. This is your chance to show everyone what you're about. Couples wishing to resist such pressure see elopement or a slapdash wedding as the only alternatives to a gaudy blowout. But none of these choices appealed to a bride who happened to have been brought up by Miss Manners, Judith Martin, and her newlywed daughter Jacobina explain how to have a dignified ceremony and delightful celebration without succumbing to the now prevalent pattern of the vulgar, money-draining wedding that exhausts families and exploits friends.

Wedding Planning and Management Maggie Daniels, Carrie Wosicki, 2013-11-12 *Wedding Planning and Management Consultancy for Diverse Clients* 2nd Edition provides students, consultants, vendors, scholars, and engaged couples with a comprehensive introduction to the business of weddings. Looking through an event management lens, this is the only book to thoroughly explore the fundamentals of weddings, including historical and cultural foundations, practice, and the business of wedding planning in one volume. An emphasis on diversity: traditions from cultures around the globe are integrated throughout with over 80 international case studies that inspire and set standards for best practice. Since the first edition, there have been many changes in the business of weddings, and this second edition has been updated in the following ways: Updated content to reflect recent issues and trends in areas such as family dynamics, media influences, impacts of technology, legislation, and the global economy. Every chapter is updated with the most recent research, statistics, vendor information, and consultant guidelines. New international case studies explore current research, cultural traditions, vendor relations, and consulting best practice. New companion website for instructors that includes PowerPoint slides, case study solutions, additional discussion ideas, and assignments. The book is illustrated in full color and contains over 150 images by top wedding photojournalist Rodney Bailey. End of chapter checklists, practical scenarios, and review questions to test readers' knowledge as they progress. Maggie Daniels and Carrie Loveless bring a combination of over 40 years of industry practice and teaching experience and have written a book that is the ideal guide to successful wedding planning and management. The Complete Idiot's Guide to the Perfect Wedding, 3E Teddy Lenderman, 2000-04-09 This wedding guide contains a section on using the Internet as a fast tool to help brides and grooms plan their weddings.
