,2001-05 Gorgeous for God Lisa Natoli,2013-03-18 Gorgeous for God is the story of my own spiritual awakening based on A Course in Miracles It is very ordinary story Things happened slowly for methere were no bells or whistles No going into the

light I didn't have a near death experience. Instead one by one things that were no longer serving me dissolved and fell away. Alcoholism, cigarette smoking, fear, conflict, doubt. I found that as time went on the ego identity that I had built up over the years started to crumble slowly, very slowly, at times painfully so, and I found myself having almost no interest in the things I used to be interested in. For me, enlightenment was when I stopped seeking for ways to improve myself. It was when I recognized that my old way of being was not working. I realized the necessity to see myself differently as loved, loving, and lovable, and not try to come up with a new improved identity.
