Koerner,1993 So foundational is this invention to modern aesthetics Koerner argues that interpreting it takes us to the limits of traditional art historical method Self portraiture becomes legible less through a history leading up to it or through a sum of contexts that occasion it than through its historical sight line to the present After a thorough examination of Durer s startlingly new self portraits the author turns to the work of Baldung Durer s most gifted pupil and demonstrates how the apprentice willfully disfigured Durer s vision Baldung replaced the master s self portraits with some of the most obscene and bizarre pictures in the history of art In images of nude witches animated cadavers and copulating horses Baldung portrays the debased self of the viewer as the true subject of art The Moment of Self Portraiture thus unfolds as passages from teacher to student artist to viewer reception all within a culture that at once deified and abhorred originality

Encyclopedia of Identity Ronald L. Jackson,Michael A. Hogg,2010-06-29 Alphabetically arranged entries offer a comprehensive overview of the definitions politics manifestations concepts and ideas related to identity **Vivian Maier: Self-Portraits** ,2013-10-29 The original instant classic which set the world afire The first book to introduce the phenomenon that is the life story and work of Vivian Maier A good street photographer must be possessed of many talents an eye for detail light and composition impeccable timing a populist or humanitarian outlook and a tireless ability to constantly shoot shoot shoot and never miss a moment It is hard enough to find these qualities in trained photographers with the benefit of schooling and mentors and a community of fellow artists and aficionados supporting and rewarding their efforts It is incredibly rare to find it in someone with no formal training and no network of peers Yet Vivian Maier is all of these things a professional nanny who from the 1950s until the 1990s took over 100 000 photographs worldwide from France to New York City to Chicago and dozens of other countries and yet showed the results to no one The photos are amazing both for the breadth of the work and for the high quality of the humorous moving beautiful and raw images of all facets of city life in America s post war golden age It wasn t until local historian John Maloof purchased a box of Maier s negatives from a Chicago auction house and began collecting and championing her marvelous work just a few years ago that any of it saw the light of day Presented here for the first time in print Vivian Maier Street Photographer collects the best of her incredible unseen body of work Please note that all blank pages in the book were chosen as part of the design by the publisher
