Creation and Cosmology E. O. James, 1969 *Creation and cosmology* E. O. James, 1969 **Creation and Cosmology** James, 2018-08-14 Preliminary Material E O James Introduction E O James Middle Eastern Cosmology E O James India and the Far East E O James Iran and Anatolia E O James Greece and Rome E O James Christianity E O James The Evolutionary Process E O James Conclusion E O James Bibliography E O James Index E O James *The Search for Ultimate Reality* Dan Liroy, 2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Liroy maintains that both passages utilize polemical theology to refute distorted views of ultimate reality Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found through faith in the Son **Creation** David Fergusson, 2014-09-21 Creation in scripture Creatio ex nihilo Creation and fall The providence of God Deism and natural theology Evolution and cosmic fine tuning Animals the environment and extraterrestrials *Annual Egyptological Bibliography, Volume 23* Jac. Reynolds, Theodore M. Ludwig, 1980-01-01 *Time Matters* T.M. Rudavsky, 2012-02-01 Despite the importance of time and cosmology to Western thought surprisingly little attention has been paid to these issues in histories of Jewish philosophy Focusing on how medieval philosophers constructed a philosophical theology that was sensitive to religious constraints and yet also incorporated compelling elements of science and philosophy T M Rudavsky traces the development of the concepts of time cosmology and creation in the writings of Ibn Gabirol Maimonides Gersonides Crescas Spinoza and others *Water and Sacred Architecture* Anat Geva, 2023-05-25 This edited book examines architectural representations that tie water as a physical and symbolic property with the sacred The discussion centers on two levels of this relationship how water influenced the sacredness of buildings across history and different religions and how sacred architecture expressed the spiritual meaning of water The volume deliberately offers original material on various unique contextual and design aspects of water and sacred architecture rather than an attempt to produce a historic chronological

analysis on the topic or focusing on a specific geographical region As such this unique volume adds a new dimension to the study of sacred architecture The book s chapters are compiled by a stellar group of scholars and practitioners from the US Canada Europe Asia and Africa It addresses major aspects of water in religious buildings such as rituals pilgrimage water as a cultural material and place making hydro systems modern practices environmental considerations the contribution of water to transforming secular into sacred and future digital cyber context of water and sacredness All chapters are based on original archival studies historical documents and field visits to the sites and buildings These examinations show water as an expression of architectural design its materiality and its spiritual values The book will be of interest to architects historians environmentalists archaeologists religious scholars and preservationists *Bibliographie Internationale de L'histoire Des Religions* ,1954 **Toward the Millennium** Peter Schäfer,2018-09-24 This collection of 16 articles represents a selection of the papers delivered in the course of a seminar 1995 1996 at the Institute for Advanced Study in Princeton and its concluding joint symposium held at the Institute and Princeton University Wide ranging in scope the volume covers messianic expectations from biblical times up to modern and contemporaneous adaptations whereby the focus lies on the messianic concept within Judaism diversity and variety of messianic expectations in antiquity messianic movements at the time of the Crusades and around the fifth millennium 1240 the Pseudo Messiah Sabbatai Avi in the early modern period the philosophers Hermann Cohen Franz Rosenzweig and Walter Benjamin with respect to their thinking about messianism as well as the Lubavitch movement Also included are investigations on pagan Graeco Roman writings and messianic strands in the medieval and baroque Christian context The section on the modern period contains contributions dealing with the Ahmaddiyya movement in India messianic currents in the socio political culture of the Weimar Republic as well as certain messianic aspects in the very recent so called Branch Davidian community in Waco Texas The broad spectrum of stimulating analyses provides a fresh re evaluation of an apparently timeless phenomenon 'The Heathen in his Blindness...' S.N. Balagangadhara,2018-08-14 Today most intellectuals agree that a Christianity has profoundly influenced western culture b members from different cultures experience many aspects of the world differently c the empirical and theoretical study of both culture and religion emerged within the West The present study argues that these truisms have implications for the conceptualization of religion and culture More specifically the thesis is that non western cultures and religions differ from the descriptions prevalent in the West and it is also explained why this has been the case The author proposes novel analyses of religion the Roman religio the construction of religions in India and the nature of cultural differences Religion is important to the West because the constitution and the identity of western culture is tied to the dynamic of Christianity as a religion

Syncretistic Religious Communities in the Near East Kehl-Bodrogi,Otter-Beaujean,Barbara Kellner-Heikele,2018-11-13 This volume deals with Islamic sects in the Near East such as the Alevis Turkey Druzes Libanon Alawis Syria Ahl i Haqq Iran Iraq and Shabak Iraq which have in common a syncretistic system of belief with a strong Shi ite

influence as well as secrecy and endogamy The contributions in this volume focus on the present situation of these communities their relation to mainstream Islam their involvement in national and ethnic politics aspects of faith and rituals the relevance of sacred texts modes of religious and social transformation and the recent revival of Alevism In view of the new visibility of these formerly hidden sects and their increasing social and political importance this volume provides important information for all scholars interested in the religious and political situation of the region **The Ugaritic Baal Cycle** Mark S. Smith,1994 This volume provides a lengthy introduction and detailed translation and commentary for the first two tablets of the Baal Cycle which witnesses to both the religious worldview of Ugarit and many of the formative religious concepts and images in the Bible *'Germinal' and Zola's Philosophical and Religious Thought* Philip Walker,1984-01-01 Zola s masterpiece of working life *Germinal* 1885 exposes the inhuman conditions of miners in northern France in the 1860s By Zola s death in 1902 it had come to symbolize the call for freedom from oppression so forcefully that the crowd which gathered at his State funeral chanted *Germinal Germinal* While it is a dramatic novel of working life and everyday relationships *Germinal* is also a complex novel of ideas given fresh vigor and power in this new translation It is also the thirteenth book in the Rougon Macquart cycle which celebrates its centenary in October 1993 with a new film **Dreams, Sufism and Sainthood** Katz,2018-08-14 Based on Muhammad al Zaw w s extraordinary diary of 109 dream conversations with the Prophet Muhammad this study provides a rare intimate view of 15th century North African Muslim life The study reconstructs Zaw w s lifestory over a critical ten year period and examines his career as a sufi in the historical context of North Africa and Mamluk Cairo Psychological aspects of Zaw w s religious experience are thoroughly explored The concluding chapter provides an introduction to the role of dreams and visions in medieval Islam Particular attention is paid to the way Zaw w and his successors used their visions to legitimate claims to being awliya or living saints *The Water God's Temple of the Guangsheng Monastery* Anning Jing,2021-10-01 An investigation of the myth history inscriptions architecture sculpture painting iconological program festival rituals and theater of the only known intact ancient dragon king temple in China *"Be Fertile and Increase, Fill the Earth and Master It"* Jeremy Cohen,2019-05-15 This innovative interdisciplinary book reconstructs the career of Genesis 1 28 Be fertile and increase fill the earth and master it in Judaism and Christianity from antiquity through the Reformation Jeremy Cohen tracks the text through all the Jewish and Christian sources in which it figures significantly in law exegesis homily theology mysticism philosophy and even vernacular poetry In his view the verse situates man and woman on a cosmic frontier midway between the angelic and the bestial charging them with singular responsibilities that bear directly on Jewish and Christian ideas of God s chosen people
