Alphabetical Order A Melofarce In Two Acts:

Alphabetical Order Richard F. Dietrich, R. Dietrich, 2005-08 Alphabetical Order A Melofarce in Two Acts is a contra PC look at the simultaneous farce and melodrama that is higher education in America. It uses the extremes of the classroom absurdities from the 1970s on to dramatize the highly comic standoff among teachers, students, and administrators at all times and in all places that always ends in the same old shootout, never mind polite appearances. Professor Dog, President Staffuk, and the campus cops and the know-it-all mind of their own, not interested in education, students led by the voluptuous mini-skirted make-love-not-war Eve Alpha and the always politically motivated reactionary Bob Beta will remind you of the anarchy that always lies in wait in every classroom and the way that it is always smashed. And thereby projects an image of the larger world. Times change, the forms of anarchy change, but the eventual suppression of it is always alphabetical. In the sudden application of arbitrary power when things get out of hand, Alpha sit here, Beta sit there, Gamma sit here. But you won't be able to sit still as this laugh-out-loud school daze drama plays itself out.
