**Famous Animals in History and Popular Culture** Ann C. Paietta, Jean Kauppila, 2023-05-02 During the First World War President Woodrow Wilson bought a flock of sheep to trim the White House grounds to save money on groundskeeping One of the sheep called Old Ike even became a public phenomenon for his ornery disposition and his penchant for chewing tobacco Included here are hundreds of well researched accounts of the fascinating animals that have played vital roles throughout history Featured animals include Able who flew on a space mission Bayou Salvador Dali's ocelot companion and G I Joe a pigeon who saved more than 100 people during World War II These and many other stories detail the unexpected contributions of our animal companions in settings of war space travel stage and screen The book is organized alphabetically by the given name of each animal and entries feature compelling factual descriptions in a storytelling format

*Animals in Film* Jonathan Burt, 2004-02-03 From Salvador Dalí to Walt Disney animals have been a constant yet little considered presence in film Indeed it may come as a surprise to learn that animals were a central inspiration to the development of moving pictures themselves In *Animals in Film* Jonathan Burt points out that the mobility of animals presented technical and conceptual challenges to early film makers the solutions of which were an important factor in advancing photographic technology accelerating the speed of both film and camera The early filming of animals also marked one of the most significant and far reaching changes in the history of animal representation and has largely determined the way animals have been visualized in the twentieth century Burt looks at the extraordinary relationship between animals cinema and photography including the pioneering work of Eadweard Muybridge and Jules Etienne Marey and the technological developments and challenges posed by the animal as a specific kind of moving object *Animals in Film* is a shrewd account of the politics of animals in cinema of how movies and video have developed as weapons for animal rights activists and of the roles that animals have played in film from the avant garde to Hollywood
