Anna A Farewell To Juarez:

Anna Sara V. Olds,T. M. Roy,2003 In the early 1900s several colonies of Americans living in Mexico were forced to leave the country and everything they owned behind as the soldiers of Pancho Villa swept through the area They were simple hardworking people many of them farmers They lived peacefully with their Mexican neighbors Eight year old Anna is the middle child in one of these American families Although she has to work hard to help her family she loves having fun and has many adventures just being a kid But her ordered peaceful life becomes full of fear and uncertainty as the Mexican Revolution brings some of Pancho Villa s army to her hometown of Juarez Strange and scary things start to happen People are threatened some of them hurt a few of them murdered Some soldiers even point a cannon at their school while all the kids are in class This story is based on the real life experiences of the author s grandmother and on events that really happened It is a story readers of all ages will enjoy over and over again **Fool Me Once** Mary Burton King,2010-12-10

This nail biting murder mystery revolves around a married couple Rebecca and Marcus who after twenty years of marriage realize that they despise each other Marcus is a prominent criminal defense attorney with a law firm in Atlanta Georgia who has accumulated millions but refuses to share his wealth with his wife Rebecca Since the couple s two children are preparing to leave the nest for college both Rebecca and Marcus decide it is time to make a radical change in their lives Rebecca forced by Marcus to be a stay at home mom has been mentally and verbally abused by Marcus for the last sixteen years and can t stand her life as it is any longer She desires nothing more than to be free from the clutches of her abusive controlling dominating adulterous tightwad husband and sees her opportunity for freedom after Marcus s two failed attempts to kill her Marcus s greed ultimately leads to his horrific demise Rebecca serves him the dish he never expected revenge served cold

Children's Books in Print, 2007 ,2006 **For They Don't Know What They Are Doing** Goerdn Abel,2024-04-18 It seems to most people who are inundated with news from the press television or the internet that the problems in their own country or in the world are getting bigger and bigger and that politics and politicians are getting worse and worse Politicians are unable to solve the problems at hand or can only do so poorly They lack a focus on the common good of all citizens and their actions frequently constitute the root cause of the issue Almost everyone is aware that only bad news sells well but they are usually unable to free themselves from this misjudgment Maybe this book can help people overcome this trap of thought and point out ways to make positive changes in the future Indeed by analyzing the social development of Homo Sapiens since the acquisition of the ability to write this work aims to demonstrate ways in which our political culture can be improved through a more effective selection of politicians and in so doing avoiding potentially catastrophic misappointments **Santa Anna of Mexico** Will Fowler,2009-10-25 Antonio Lopez de Santa Anna 1794 1876 is one of the most famous and infamous figures in Mexican history Six times the country s president he is consistently depicted as a traitor a turncoat and a tyrant the exclusive cause of all of Mexico s misfortunes following the country s independence from Spain He is also as this

biography makes clear grossly misrepresented Will Fowler provides a revised picture of Santa Anna's life offering new insights into his activities in his bailiwick of Veracruz and in his numerous military engagements The Santa Anna who emerges from this book is an intelligent dynamic yet reluctant leader ingeniously deceptive at times courageous and patriotic at others His extraordinary story is that of a middle class provincial criollo a high ranking officer an arbitrator a dedicated landowner and a political leader who tried to prosper personally and help his country develop at a time of severe and repeated crises as the colony that was New Spain gave way to a young troubled besieged and beleaguered Mexican nation
