Twenty-six years have passed since the link between heaven and earth was severed and all hell broke loose. The fighting raged until the human magic users took over the cities, driving most of the preternaturals into hiding. This is the world Sydney Burgess has grown up in, locked inside her father's compound. As the daughter of a human mother and a vampire king, she has all the weaknesses of a vampire but none of their strengths. Anthony keeps her on a tight leash, ever vigilant against the constant imagined threats to her safety. But all she wants is to break free and start a real life. Noah Riley has lived in captivity for the past twenty years, so long he barely knows how to be a werewolf anymore. Even with a photographic memory, most of his past before the facility feels fuzzy at best. His strongest memories are of the little girl he protected during his childhood, Sydney. When he reaches his full power on his twenty-eighth birth moon, he'll have a chance to break free to find her and finally reunite with his family. But vampires and werewolves are mortal enemies. Even if Sydney is Noah's true mate, the vampire king would kill him before he ever let a filthy werewolf near her, especially one of questionable sanity.

The Verses of Hamed Karimi Hamed Karimi, 2014-09-11 This book is for anyone that wants to read love, relish and hate anything about a book such as this. This book which I have written right from the very basic to the primeval instincts of a human being: happy, sad, in love, hated, tortured and rejected to the inflaming hatred that one might have for the wrongs of society and all that promulgates from hence. You might find the contents of this book resonating either one or perhaps another side of the human emotion and the human psyche which is so in total grasp of the situation and the instigation of the human ego and stigma that accompanies it along with hardship of reality, the sole remission which is giving in to the ecstasy and gravitating to the better end and leverage that one seeks. I have hoped to fulfill that by writing this book, compiled of short stories, quotations, poetries, paragraphs, mini plays and three writings that I just added for the heck of it as I was deeply involved with them. To anyone who dares to dream.
