Annotated Bibliography, World's Columbian Exposition, Chicago 1893 G. L. Dybwad, Joy V. Bliss, 1992

Annotated Bibliography, World's Columbian Exposition, Chicago 1893 G. L. Dybwad, Joy V. Bliss, 1999 Annotated Bibliography G. L. Dybwad, Joy V. Bliss, 1999 **Annotated Bibliography** G. L. Dybwad, Joy V. Bliss, 2002 *Chicago's Great World's Fairs* John E. Findling, 1994 *Popular Culture and the Enduring Myth of Chicago, 1871-1968* Lisa Krissoff Boehm, 2004 This book is an examination of the image of Chicago in American popular culture between the Great Chicago Fire of 1871 and Chicago's 1968 Democratic National Convention **Anthropological Resources** Lee S. Dutton, 2013-05-13 This work provides access to information on the rich and often little known legacy of anthropological scholarship preserved in a diversity of archives libraries and museums Selected anthropological manuscripts papers fieldnotes site reports photographs and sound recordings in more than 150 repositories are described Coverage of resources in North American repositories is extensive while Great Britain France the Netherlands Australia and certain other countries are more selectively represented Entries are arranged by repository location and most contributors draw upon a special knowledge of the resources described Contributors include James R Glenn National Anthropological Archives Elizabeth Edwards and Veronica Lawrence Pitt Rivers Museum University of Oxford Francisco Demetrio S J Museum and Archives Xavier University Philippines and many others The guide covers selected documentation in social and cultural anthropology physical anthropology archaeology and folklore Some major area studies collections such as the Asia Collections Cornell University Libraries and the Melanesian Archive at the University of California San Diego are also represented Web URLs have been cited when available and personal and ethnic name indexes are provided Chicago Day at the World's Columbian Exposition G. L. Dybwad, Joy V. Bliss, 1997 **Finding the Plot** Loïc Artiago, Diana Holmes, David

Platten, 2014-08-11 Plot writes Peter Brooks is so basic to our very experience of reading and indeed to our articulation of experience in general that criticism has often passed it over in silence Reading for the Plot xi Finding the Plot both explores and helps to redress this critical neglect The book brings together an international group of scholars to address the nature effects and specific pleasures of consuming stories If the central focus is on France and popular literary fiction the book's scope like contemporary fiction itself observes no national frontiers and extends across a variety of media The book addresses both the empirical question of which genres and types of text have been and are most popular and the theoretical questions of how plots work what pleasures they offer to readers and why it matters that the plot should not be lost

Challenging Past and Present Ellen P. Conant, 2006-02-28 The complex and coherent development of Japanese art during the course of the nineteenth century was inadvertently disrupted by a political event the Meiji Restoration of 1868 Scholars of both the preceding Edo 1615 1868 and the succeeding Meiji 1868 1912 eras have shunned the decades bordering this arbitrary divide thus creating an art historical void that the former view as a period of waning technical and creative

inventiveness and the latter as one threatened by Meiji reforms and indiscriminate westernization and modernization Challenging Past and Present to the contrary demonstrates that the period 1840 1890 as seen progressively rather than retrospectively experienced a dramatic transformation in the visual arts which in turn made possible the creative achievements of the twentieth century The first group of chapters takes as its theme the diverse cultural currents of the transitional period particularly as they applied to art The second section deals with the inconsistent yet determinedly pragmatic courses pursued by artists entrepreneurs and patrons to achieve a secure footing in the uncertain terrain of early Meiji Further chapters look at how painters and sculptors sought to absorb and integrate foreign influences and reinterpret their own stylistic mediums

Women Building History Wanda Corn,2023-09-01 This handsomely illustrated book is a welcome addition to the history of women during America s Gilded Age Wanda M Corn takes as her topic the grand neo classical Woman s Building at the 1893 Columbian Exposition in Chicago a structure celebrating modern woman s progress in education arts and sciences Looking closely at the paintings and sculptures women artists made to decorate the structure including the murals by Mary Cassatt and Mary MacMonnies Corn uncovers an unspoken but consensual program to visualize a history of the female sex and promote an expansion of modern woman s opportunities Beautifully written with informative sidebars by Annelise K Madsen and artist biographies by Charlene G Garfinkle this volume illuminates the originality of the public images female artists created in 1893 and inserts them into the complex discourse of fin de si cle woman s politics The Woman s Building offered female artists an unprecedented opportunity to create public art and imagine an historical narrative that put women rather than men at its center

Unfair Labor? David Beck,2019-07-01 Unfair Labor is the first book to explore the economic impact of Native Americans who participated in the 1893 World s Columbian Exposition held in Chicago By the late nineteenth century tribal economic systems across the Americas were decimated and tribal members were desperate to find ways to support their families and control their own labor As U S federal policies stymied economic development in tribal communities individual Indians found creative new ways to make a living by participating in the cash economy Before and during the exposition American Indians played an astonishingly broad role in both the creation and the collection of materials for the fair and in a variety of jobs on and off the fairgrounds While anthropologists portrayed Indians as a remembrance of the past the hundreds of Native Americans who participated were carving out new economic pathways Once the fair opened Indians from tribes across the United States as well as other indigenous people flocked to Chicago Although they were brought in to serve as displays to fairgoers they had other motives as well Once in Chicago they worked to exploit circumstances to their best advantage Some succeeded others did not Unfair Labor breaks new ground by telling the stories of individual laborers at the fair uncovering the roles that Indians played in the changing economic conditions of tribal peoples and redefining their place in the American socioeconomic landscape

Gendering the Fair Tracey Jean Boisseau,Abigail M. Markwyn,2010 This field defining work opens the study of world s

fairs to women's and gender history exploring the intersections of masculinity femininity exoticism display and performance at these influential events As the first global gatherings of mass numbers of attendees world's fairs and expositions introduced cross class multi racial and mixed sex audiences to each other as well as to cultural concepts and breakthroughs in science and technology Gendering the Fair focuses on the manipulation of gender ideology as a crucial factor in the world's fairs incredible power to shape public opinions of nations government and culture Established and rising scholars working in a variety of disciplines and locales discuss how gender played a role in various countries exhibits and how these nations capitalized on opportunities to revise national and international understandings of womanhood Spanning several centuries and extending across the globe from Portugal to London and from Chicago to Paris the essays cover topics including women's work at the fairs the suffrage movement the intersection of faith gender and patriotism and the ability of fair organizers to manipulate fairgoers experience of the fairgrounds as gendered space The volume includes a foreword by preeminent world's fair historian Robert W Rydell Contributors are TJ Boisseau Anne Clendinning Lisa K Langlois Abigail M Markwyn Sarah J Moore Isabel Morais Mary Pepchinski Elisabeth Israels Perry Andrea G Radke Moss Alison Rowley and Anne Wohlcke

Disposing of Modernity Rebecca S. Graff, 2020-07-08 Through archaeological and archival research from sites associated with the 1893 World's Columbian Exposition in Chicago Disposing of Modernity explores the changing world of urban America at the turn of the twentieth century Featuring excavations of trash deposited during the fair Rebecca Graff's first of its kind study reveals changing consumer patterns notions of domesticity and progress and anxieties about the modernization of society Graff examines artifacts architecture and written records from the 1893 fair's Ohio Building which was used as a clubhouse for fairgoers in Jackson Park and the Charnley Persky House an aesthetically modern city residence designed by Louis Sullivan and Frank Lloyd Wright Many of the items she uncovers were products that first debuted at world's fairs and materials such as mineral water bottles cheese containers dentures and dinnerware illustrate how fairs created markets for new goods and influenced consumer practices Graff discusses how the fair's ephemeral nature gave it transformative power in Chicago society and she connects its accompanying conspicuous disposal habits to today's waste disposal regimes Reflecting on the planning of the Obama Presidential Center at the site of the Chicago World's Fair she draws attention to the ways the historical trends documented here continue in the present Published in cooperation with the Society for Historical Archaeology

Visions of Belonging Julia B. Rosenbaum, 2006 In the late nineteenth and early twentieth centuries depictions of New England flooded the American art scene Childe Hassam Willard Metcalf Theodore Robinson and Julian Weir and other well known artists produced images of quaint villages agricultural labor scenic rural churches and the distinctive New England landscape Julia B Rosenbaum asks why and how a range of artists including Impressionist and Modernist painters and sculptors and exhibitors fashioned this particular vision of New England in their work Against the backdrop of industrialization immigration and persistent post Civil War sectionalism many Americans

yearned for national unity and identity As Rosenbaum finds New England emerged as symbolic of cultural and spiritual achievement and democratic values that served as an example for the nation By addressing the struggles for national unity the book offers a new interpretation of turn of the century American art Ultimately Visions of Belonging demonstrates how the local became so important to the national how art was crucial to the formation of national identity and how internal nation building takes place within the realm of culture as well as politics And even as later artists such as Georgia O Keeffe challenged New England s cultural hegemony the appeal of linking regional identity to national ideals continued in distinctive ways Beautifully illustrated with color plates and almost sixty halftones Visions of Belonging explores the interplay between art objects and the shaping of loyalties and identities in a formative phase of American culture It will appeal not only to art historians but also to anyone with an interest in nineteenth century studies the Gilded Age and Progressive Era American studies New England history and culture and American cultural and intellectual history Exhibiting Religion John P. Burris,2001 In this revision of his dissertation in religion at U of California Santa Barbara Burris religious studies Stetson U explores the development of a comparative study of religion as this can be deduced from the exhibits on world religion and culture at 19th century world expositions The book s four main themes are the colonial mindset of the exhibiting of cultures and their religions the effect of evolutionary theory on the defining of American religious and social hierarchies the role of the expositions in popularizing the theory of social evolution and the denigration of primitive peoples and their religions through comparative display The text is as much cultural studies as religious studies and will appeal to those interested in American societal and intellectual trends of this period Annotation copyrighted by Book News Inc Portland OR Footsteps at the American World's Fairs Stanley K. Hunter,1996 *Pioneers of American Landscape Design* Charles A. Birnbaum,Lisa E. Crowder,1993 **History of Vegetarianism and Veganism Worldwide (1970-2022)** William Shurtleff; Akiko Aoyagi,2022-03-10 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 48 photographs and illustrations mostly color Free of charge in digital PDF format **History of Seventh-day Adventist Work with Soyfoods, Vegetarianism, Meat Alternatives, Wheat Gluten, Dietary Fiber and Peanut Butter (1863-2013)** William Shurtleff,Akiko Aoyagi,2014-01-06 The most comprehensive book on this subject ever published With 3 638 references
