imaginative and very active seven year old whose mind and body is always on the go She never seems to stop Even as she sleeps she is dreaming about the things she plans to do tomorrow Annie is always thinking up new ideas and inventing things There's a little bit of Annie in every child Are you like Annie in any of her ways *Fighter* William Forde, 2014-11-02 William Forde has brought together in *Fighter* two stories which will enchant and enthrall the young reader of primary school age Maw tells the story of a 13 year old boy of midget size who refuses to give in to the extortion and demands of the school bully Midnight Fighter tells the story about the relationship which 8 year old Cassey Blake a girl who has cerebral palsy establishes with a crippled foal Both stories illustrate the indomitable spirit of children to survive as equals in the environment they inhabit *At The Rainbow's End* Robert Dean Frelow, 2006-10-03 At the Rainbow's End is about the lives

of Jefferson and Mary Bright plantation owners about their struggles and the struggles of recently freed slaves to survive in a newly ordered society Lurking in the background is the Ku Klux Klan who kill and threaten all who would oppose them in a desperate effort to restore the old order an insurgency that fosters among other things jealousy and murder and events that threaten Jefferson and Mary with more than the loss of a way of life **Midnight Fighter** William Forde,2014-08-19 The beauty of life lies not in the physical characteristics of the world s children but in our indomitable spirit to survive as equals in the environment we inhabit We are each but a mere part of a more perfect whole endowed with differing abilities and handicaps When we live our lives in love we live it in constant hope When we live side by side harmoniously we co exist in peace and understanding Cassey Blake an 8 year old cerebral palsy sufferer befriends a dying foal This tender and enchanting story tells of how Cassey sleeps by day and works by night to save the life of Midnight Fighter a colt from champion stock who will never run jump or walk again without a limp Share and experience the love bravery and sheer perseverance expressed between Cassey and her crippled companion **Annie's Rainbow** Fern Michaels,1992 A young woman finds a bag of money uses it to open a successful business only to find her world changed when the original owner of the money wants to reclaim it **Sleezy the Fox** William Forde,2014-10-11 Sleezy the Fox is a book of four stories about the overarching theme of second chances On the surface it deals with the immigration of a married couple and their seven children into a strange country the bullying of neighbours the ostracizing of offenders from the community as a whole and the alienation that often exists between man and wild beast and beast and wild man Each of us shall experience or perpetrate some wrong in our lives At the critical stage of reconciliation and healing it is vitally important that we are able to give others and ourselves the benefit of a second chance And if you are like I used to be growing up you may need to receive a second chance many times before you eventually get it right **Butterworth's Brigade** William Forde,2014-11-18 The worlds of 12 year old Axel Tyler and 73 year old Brigadier Butterworth couldn t possibly be farther apart While one is content to live life to the full in the fast track of 1990 s Britain the other yearns for the day when the country regains its senses and returns to those pre war values that made Britain Great When events conspire to bring the 12 year old rebel and the madcap Brigadier face to face conflict becomes inevitable as the irreconcilable values and beliefs of two widely different worlds collide The war between the two combatants is fought within a privatised concentration camp which is situated deep in the heart of Arundel Forest Who will win the hearts and minds of the 59 teenage rebel prisoners who have all been expelled from their schools and imprisoned in Arundel Forest Axel or the Brigadier At stake is nothing less than the future of Great Britain and the values of its young **Tales From Portlaw Volume 12: 'Fourteen Days'** William Forde,2017-11-10 This love story is about a dying man and his personal assistant in his haulage firm During the last fourteen days of his life the dying man s lover strikes up a new relationship in the hospital ward with a patient in an adjacent bed After her lover s death she disappears and the new patient who is infatuated with her pursues his dream across the Irish Sea only to discover that love is never
