Annotated Checklist Of The Birds Of Illinois:

The Birds of Dearborn, an Annotated Checklist Julie A. Craves, 2007-04-07 This book provides the most intensive modern study of birds ever compiled for southeastern Michigan Over 65 000 bird records spanning over 30 years went into this annotated checklist which provides information on over 250 bird species including residency status relative abundance migration dates and banding data Introductory material includes birding locations in Dearborn and on the campus of the University of Michigan Dearborn with maps Much of the data is applicable to the entire metropolitan Detroit region

Illinois Hiking and Backpacking Trails Walter Zyznieuski, George Zyznieuski, Walter G. Zyznieuski, 1993 In this completely revised expanded and updated edition Walter G Zyznieuski and George S Zyznieuski describe sixty nine trails that total more than eight hundred miles Thirteen new trails have been added in this edition All but four of the original maps have been revised and updated and many new photographs are included Since the first edition was published there have been many changes along the trails or at the parks or forests where the trails were located In order to update their book the Zyznieuskis contacted the headquarters of each park and forest to obtain detailed and up to date information In the appendixes the Zyznieuskis provide information on obtaining trail maps hiking organizations and rules and regulations for Illinois state parks and recreation areas As in the first edition the authors have hiked each trail they describe It is their firsthand experience that makes it possible for them to provide reliable detailed and up to date information on each of these trails for Illinois hikers and backpackers
