Steps to the Victorious Walk Frank King,2007 Steps to the Victorious Walk provides a systematic and biblical road map to spiritual maturity The text is recommended for all believers who desire to live a vibrant Christian life Practical Life **Walk Where Jesus Walked** Wayne Nelson,2004-09-03 In John 14 12 Jesus told His folowers then and His folowers today by extension that they would do the works He did and even greater works than these would they do because He was going back to His Father In the ministry of the Apostles the mighty works Jesus did indeed were done by them Starting with Peter and John who went to the temple to pray and encountered a man lame from birth who had never stood on his feet his entire life they began to do the works Jesus did Peter simply said to the lame man at the Temple In the Name of Jesus Christ of Nazareth rise up and walk and the man not only began to immediately walk but to leap and dance around Thus began the journey of the Apostles down the same road that Jesus walked doing the miraculous works that He had done So why are we not today doing the miraculous works that Jesus and the Apostles did That s what this book explores **The Gift of Life** Ruben Perez,2012-03 The purpose of the writing of this book is to help people understand life should not be taken for granted because life is the gift of God a gift given to us that we are to make the most out of it is our responsibility to understand life and make it better for and others to bring life to a higher dimension to having the power to getting where you want to get to I have written this book out of my own life experience after being on dialysis 36 year have been 26 minor surgery and five major surgery and I still have my gift of life is a race not only on scene how far we run but how good of the

condition are we at the end of the race This race is not based on yourself only this race is based on a team this world is the team we need to team up with others if they do not understand we help them understand it is our responsibility to team up with others and be united a team can start spiritually with prayer a team must have great things to move on love support caring support Faith support We must look up at God for directions in our team a team like this should be ever make it through trials and tribulations Never give up never looked back never feel your loan and you will make it to the top yes the top where were all along I have written this book learning from many trials and tribulations I can still live a happy life and getting to understand the supernatural life that went out having a true relationship with our Wonderful Heavenly Father there is no life because our Heavenly father is Life

Walking

as Christ : The Life of Divine Authority Isaac Newton Corns,2025-02-12 This book is a powerful life changing book that unveils the true authority and identity of every believer in Christ It is not just a teaching but a revelation that empowers me to rule in life walk in supernatural power and manifest the Kingdom of God on earth Through scriptural truth and faith filled declarations this book dismantles fear doubt and limitation replacing them with boldness divine authority and an unshakable awareness of my sonship in Christ No longer am I a passive believer I am a ruler a king and an ambassador of heaven enforcing God s will and walking in total victory now and forever [A Brief Walk through the Books of the New Testament](#)

Tony Smith,2024-06-21 The Bible is the written Word of God that reveals to us God s purpose for His Creation In the Old Testament God makes it clear that mankind is separated from Him by his sin nature and He appointed one day in the year that addressed the matters for man s sin the Day of Atonement On the Day of Atonement sacrificial blood was shed and taken from the sin offering in the temple brought by the High Priest into the Most Holy Place and there the High Priest sprinkled it before the Lord seven times This atoned for the sins as of that day but did not atone for our sin nature for which the prophesied Messiah was expected to come to be our atonement He would come as the Old Testament prophets predicted to deliver whoever will receive Him into their hearts the grace of complete forgiveness for our sin nature and life eternal in Christ This is the New Testament New Covenant offered by God the Son of Man meeting the human need that emanates from our souls seeking identity Who am I why am I here where am I going The Word of God is where we find answers to these needs speaking to the deepest part of our being As children of God through having receiving Christ our old sin nature has died in Christ s shed blood on the Cross and our new life begins in His resurrection and continues in eternity [Walking with the Lord Vol II Lent-Easter Homilies](#)

Marcellus Earl,2010-04-24 This is Vol II of a series of homilies by Fr Marcellus Earl at the Abbey of the Genesee The homilies were given during the liturgical seasons of Lent and Easter as a help to the congregation in living their spiritual life during those seasons *Walking the Stations* Donald Heinz,2025-02-17 In a time when Catholic piety is often fixed on the Good Friday stations of the cross and evangelical piety is associated with an imaginary what would Jesus do and much of Protestant religion has slimmed Jesus down from the fully dimensioned Christology of the Gospels and contemporary Christianity misses a Christ who has moved into the neighborhood John 1 14 and fully engaged the world and its peoples and touring liberals tout how little a Christian actually needs to believe this book chooses fourteen episodes from Jesus entire life and makes them way stations on a pilgrimage on which we gather to meet Jesus in person share him in community and follow him to a fully realized discipleship Such way stations may recall the medieval imitation of Christ or the notion of a Christian pilgrimage during which we make the way by walking Historically pilgrimage is meant to evoke I want to be in that number Yet identifying these stations is fully congruent with contemporary New Testament scholarship whether liberal or historically orthodox The significance of this book is that it sets forth a process of adult Christian education today that is rich with all the dimensions of Jesus life from birth to death and

resurrection with all the happenings in between And most important it turns adult Christian education into a compelling Bible study in community and one that attracts participation like walking a labyrinth Through such engagement it recovers for lively practice today the mostly forgotten medieval imitatio Christi and inserts this into the nearly forgotten but once vividly realized practice of pilgrimage overdue today as a way of imprinting the Christian walk onto the culture and onto individual believers and their communities Finally it follows contemporary Gospel scholarship back to the historical Jesus through visionary Holy Land tours or a modern walking the way stations that constitute Jesus own life and our immersion in it that would constitute true discipleship

Believers Walk In Power Richard B Simmons, 2021-12-30 The precious and all powerful Holy Spirit is a person While not human He has a will speaks to believers and yearns for personal relationships He is God and is living inside every believer of Jesus Christ The Holy Spirit also desires to fellowship comfort and encourage believers The truth is that God is communicating in many ways every day most people don t realize it is God speaking by the Holy Spirit God desires that we hear His voice In John 10 27 NLT Jesus said My sheep listen to my voice I know them and they follow me The Holy Spirit has a tremendous desire for communication with us Another aspect of the Holy Spirit is His Power is unlimited and complete all powerful and creative having no limits whatsoever As we look at Jesus in the natural He taught encouraged and trusted by the Power of the Holy Spirit The Holy Spirit desires to commune and move through us powerfully to fulfill the direction of Jesus for each believer to go and do what He did and greater This book will observe miracles the Holy Spirit has brought through Jesus in His ministry and many miracles He has brought forth in my own life The Holy Spirit desires to move through every believer of Jesus in unlimited power The Holy Spirit is the voice of truth and therefore we must have communication with the Holy Spirit as part of our relationship with Him This book is a journey that will awaken you to the voice and power of The Holy Spirit Our relationship with the Holy Spirit is one of the most significant relationships you will ever have He is always with us desiring to direct support and assist us No amount of human effort or gritty determination can create or grow spiritual fruit but the Holy Spirit s impact in a yielded heart can supernaturally perform miracles
