A full repr. of ed., London 1778 & 1781** Thomas Warton, 1781 **The History of English Poetry from the Eleventh to the Seventeenth Century** Thomas Warton, 1870 **The Mending of Broken Bones** Paul Lockhart, 2025-05-13 The Mending of Broken Bones reveals the beauty of algebra guiding even the mathematically disinclined toward the discipline's intellectual gratifications Far from a mere classroom chore algebra is a rich philosophical vein and a tool for the curious a gateway to creative solutions hidden patterns and surprising unknowns **A String of Sausages: A Memoir of 1937-47** Cedric Watts, 2016 These recollections variously trivial quirky and ironic may provide some food for thought and perhaps even a few moments of entertainment for my children grandchildren or great grandchildren **Bone of My Bones** Cynthia Gaw, 2015-08-13 Bone of My Bones fictionalizes a Biblical equality and mutuality The complementarian debate usually focuses on the realm of theory and stereotypes the lived experience and the people who suffer from the contemporary Church's brand of sexism This novel fleshes out many popular gender ideas and explores how and why these conflict with Biblical truth **The Strategic Poet** Diane Lockward, 2021 The Strategic Poet Honing the Craft focuses on the craft of poetry and is based on the belief that craft can be taught and the best teacher of craft is a good poem This book assumes a knowledgeable reader that is one who already knows the language of poetry and already practices the craft This book is organized into thirteen sections each one devoted to a specific poetic strategy While only thirteen strategies are used for organizational purposes the reader will find many additional strategies referred to and discussed within the sections There is a progression from one section to the next but each section also stands alone so the reader or teacher can follow the order of the Contents or move about freely among the sections Each section begins with a Craft Talk solicited from a well known poet with a clear mastery of craft Each Craft Talk is followed by Model Poems and Prompts Each Model Poem is followed by an analysis of its craft elements especially its use of the section's strategy One Model Poem in each section is followed by a Commentary from the poet who wrote the poem and is focused on a particular strategy used in the poem Each of the thirty six Prompts is followed by two Sample Poems written to the prompts These seventy two poems demonstrate that the prompts are not mere exercises and can produce terrific poems Each section ends with three Bonus Prompts There thirty nine additional prompts were contributed by thirteen contemporary poets These short prompts provide additional practice with the strategies can be used multiple times and should lead to some good poems Contributors include 114 of our best contemporary poets This book is suitable for use by poets working independently by poets in writing groups and by teachers in the classroom **Religious Experience in Modern Poetry** Ewa Panecka, 2019-10-17 This study on religious experience in modern poetry features innovative and accessible close readings of some of the most beloved authors of English verse In today's seemingly secular age religion still remains a highly contested subject The selection of texts analysed here is representative of a wide spectrum of attitudes including a sharply critical

refusal to acknowledge Christianity as the basis of civilization Some poets see national religion as a framework for cultural identity while others worship nature as the omnipotent Force of Life trying to create their own gods Rather than reducing poetry to a background for philosophical analysis or theological deliberation this book presents diverse modes of the poetic endeavor to capture and convey the divine The chapters provide a range of perspectives on individual experience rendered into poetry as a subtle relationship between faith perception and language The text will be of interest to anyone looking for new ways of reading poetry as a spiritual quest The Soul of Creative Writing Richard Goodman, 2017-07-05 I have a faith in language said the poet W S Merwin It is the ultimate achievement that we as a species have evolved so far Language is a deep ocean of living words as varied as undersea life It is a gift inherited by each person when he or she is born it can be corrupted and regulated but it cannot be owned It is an enormous complex inexhaustible gift The Soul of Creative Writing is a tribute to language and to its potentials It explores the elements of language style rhythm sound and the choice of the right word Richard Goodman paints an image of how language can produce a life and meaning that otherwise cannot exist in the symbols themselves Goodman's stunningly creative collection was written after a lifetime of working and struggling with language He collects rich examples from writers of the past and present both great and small and uses them to illustrate how each element of our written language can be used The book begins with an analysis of words and how they can be used to create music on the page Goodman uncovers the strength of words writing about the shades of meaning that make the search for the exact word both arduous and immensely rewarding He discusses how to find the proper title and how to find a fitting subject He shows how to create nonfiction work that is vivid and memorable through the use of the same techniques fiction writers employ Goodman's volume is written with humor and clarity with fascination and reverence Writers will find it an indispensable source of creative inspiration and instruction In Goodman's words reading is a tour of a writer's efforts at manipulating language to create art to create flesh and blood and mountains cities homes and gardens out of inky symbols on the page To literary critics this book will be a guide to understanding the tools and devices of great writing **A**

Concordance to the Poems of John Keats Michael G. Becker, Robert J. Dilligan, Todd K. Bender, 2016-05-05 First published in 1981 A Concordance to the Poems of John Keats intended to provide the user with a volume suitable to the varying and increasingly specialised interests of scholarship This title offers a high degree of inclusiveness that attends to the poems and plays the emended and authoritative headings and virtually all of the variant readings considered substantive in the riches of the Keats manuscript materials This title will be of interest to students of literature **Thomas Hardy's Elegiac Prose**

and Poetry Galia Benziman, 2018-03-28 This book examines the transition from traditional to modern elegy through a close study of Thomas Hardy's oeuvre and its commitment to mourning and remembrance Hardy is usually read as an avowed elegist who writes against the collective forgetfulness typical of the late Victorian era But Hardy as argued here is dialectically implicated in the very cultural and psychological amnesia that he resists as her book demonstrates by expanding

the corpus of study beyond the spousal elegies the Poems of 1912 1913 to include a wide variety of poems novels and short stories that deal with bereavement and mourning Locating the modern aspect of Hardy s elegiac writing in this ambivalence and in the subversion of memory as unreliable the book explores the textual moments at which Hardy challenges binary dichotomies such as forgetting vs remembering narcissism vs unselfish commitment grief vs betrayal the work of mourning vs melancholia presence vs absence The book s analysis allows us to relate Hardy s elegiac poetics and particularly his description of the mourner as a writer to shifting late Victorian conceptualizations of death memory art science and gender relations *Kalevala; The Epic Poem of Finland into English, Complet* Elias Lönnrot, 2023-09-10 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **Kalevala; The Epic Poem of Finland into English, Book II** Elias Lönnrot, 2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Kalevala : the Epic Poem of Finland — Complete** Anonymous, 2022-09-04 The Kalevala the Epic Poem of Finland is a monumental collection of mythical narratives that intertwine folklore and history capturing the essence of Finnish culture and identity Constructed through a masterful assemblage of oral traditions and poetic forms this epic unfolds a tapestry of heroes goddesses and the profound interplay of nature and humanity Its rich trochaic tetrameter mirrors the oral storytelling practices creating a rhythmic flow that immerses readers in the enchanting landscapes and conflicts of ancient Finland The origins of the Kalevala are steeped in the dedication of its compiler Elias Lönnrot a physician and philologist whose life was marked by a profound commitment to the preservation of Finnish folklore Lönnrot traveled extensively through rural Finland collecting songs and tales that had been passed down through generations This deep engagement with the oral traditions informed his vision of a national epic that not only celebrates Finnish culture but also serves as a resistance against Russian domination in the 19th century I highly recommend the Kalevala to readers interested in mythology literature and cultural identity This timeless epic is not only a reflection of Finnish heritage but also resonates universally inviting contemplation on the power of storytelling and the collective human experience *One Hundred Choice Selections in Poetry and Prose*, 1890

The Bones of the Ancestors are Shaking Russell Kaschula, 2002 In *The Bones of The Ancestors Are Shaking* Russell Kaschula provides an ample introduction to the subject of oral poetry both drawing on earlier accounts and presenting his own material much of which has hitherto been unavailable in book form Kaschula presents rich texts and translations of the Xhosa praise poetry for which southern Africa has long been famous not only in the context of studies of African oral literature but also among comparative scholars of world literature The texts and translations in this book are a valuable and attractive addition to the record ranging as they do from nineteenth century examples to late twentieth century praises for Joe Slovo F W de Klerk the South African soccer squad or Nelson Mandela the latter being a special focus of the volume
