

CONSERVATISM IN AMERICA SINCE 1930

Edited by Gregory L. Schneider

Conservatism In America Since 1930 A Reader

Marcus M. Witcher

Conservatism In America Since 1930 A Reader:

Conservatism in America Since 1930 Gregory L. Schneider, 2003-06 Presents forty essays speeches and other documents on conservatism or by conservatives spanning 1930 to the turn of the century including works by Seward Collins Barry Goldwater William F Buckley Jr Irving Kristol Ronald Reagan Newt Gingrich and others *Conservatism in America Since 1930* Gregory L. Schneider, 2003-06 Presents forty essays speeches and other documents on conservatism or by conservatives spanning 1930 to the turn of the century including works by Seward Collins Barry Goldwater William F Buckley Jr Irving Kristol Ronald Reagan Newt Gingrich and others [The Conservative Intellectual Movement in America Since 1945](#) George H. Nash, 2023-03-28 First published in 1976 George H Nash s celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This new edition published in commemoration of the book s thirtieth anniversary includes a new preface and conclusion by the author and will continue to instruct anyone interested in how today s conservative movement was born *Encyclopedia of Politics* Rodney P. Carlisle, 2005-03-17 With the Left and Right amusingly placed into left hand v 1 and right hand v 2 volumes respectively this encyclopedia contains articles on the people ideas events laws and issues associated with left and right politics in language that will be accessible to the high school and undergraduate student as well as the general reader Each entry includes cross references and a bibliography Among the topics for politics of the left are Susan B Anthony Jean Jacques Rousseau abolitionism desegregation ACLU the New Deal Solidarity and the Workingmen s Party Entries are included in each volume for 40 countries and regions giving the history and current affairs for politics in each Among the topics for the right are capitalism Darwinism censorship martial law and the Christian Coalition The contributors teach at universities worldwide some are independent scholars Carlisle is at Rutgers U Annotation 2004 Book News Inc Portland OR booknews com

Radical Conservatism Robert Brent Toplin, 2006 An unflinching look at the origins philosophy meanings and impact of the radical form of conservatism that currently dominates American politics Analyzing the literature books magazines newspapers and broadcast sources that define and promote conservatism Toplin leads the reader on a provocative tour of the conservative mind as viewed by a liberal tour guide [The Conservative Century](#) Gregory L. Schneider, 2009-11-16 This concise history focuses on the development of American conservatism in the twentieth century up to the present Gregory L Schneider traces the course of a once reactionary movement opposed to progressive reform and the New Deal and describes how it came to advance alternative policies and programs that revolutionized the shaping of domestic politics foreign policy and economic policy Along the way he profiles such influential thinkers as William F Buckley Frank Meyer Henry Regnery and Barry Goldwater He also details how the decline of liberalism after the 1960s helped conservatives gain political power and how their energized activism and organization culminated in the election of Ronald Reagan in 1980 Schneider also describes how the years since the Reagan Revolution have been decidedly mixed for American conservatives [Rebels All!](#)

Kevin Mattson,2008-06-03 Do you ever wonder why conservative pundits drop the word faggot or talk about killing and then Christianizing Muslims abroad Do you wonder why the right s spokespeople seem so confrontational rude and over the top recently Does it seem strange that conservative books have such apocalyptic titles Do you marvel at why conservative writers trumpeted the rebel qualities of George W Bush just a few years back There is no doubt that the style of the political right today is tough brash and by many accounts not very conservative sounding After all isn t conservatism supposed to be about maintaining standards upholding civility and frowning upon rebellion Historian Kevin Mattson explains the apparent contradictions of the party in this fresh examination of the postwar conservative mind Examining a big cast of characters that includes William F Buckley Whittaker Chambers Norman Podhoretz Irving Kristol Kevin Phillips David Brooks and others Mattson shows how right wing intellectuals have always but in different ways played to the populist and rowdy tendencies in America s political culture He boldly compares the conservative intellectual movement to the radical utopians among the New Left of the 1960s and he explains how conservatism has ingested central features of American culture including a distrust of sophistication and intellectualism and a love of popular culture sensation shock and celebrity Both a work of history and political criticism *Rebels All* shows how the conservative mind made itself appealing but also points to its endemic problems Mattson s conclusion outlines how a recast liberalism should respond to the conservative ascendancy that has marked our politics for the last thirty years

Race and the Making of American Liberalism Carol A. Horton,2005-09-08 Traces the roots of the contemporary crisis of progressive liberalism deep into the racial past of America Horton argues that the contemporary conservative claim that the American liberal tradition has been rooted in a color blind conception of individual rights is inaccurate misleading

American Conservatism Sanford V. Levinson,Joel Parker,Melissa S. Williams,2016-05-17 About half of the essays date back to panels of the American Society for Political and Legal Philosophy that were held in January of 2007 at the annual meeting of the American Association of Law Schools the remainder were delivered at a conference held at the University of Texas Law in September 2012 Preface

Apostles of Reason Molly Worthen,2016 In *Apostles of Reason* Molly Worthen offers a sweeping history of modern American evangelicalism arguing that the faith has been shaped not by shared beliefs but by battles over the relationship between faith and reason

Superfluous Southerners John J. Langdale, III,2012-11-01 In *Superfluous Southerners* John J Langdale III tells the story of traditionalist conservatism and its boundaries in twentieth century America Because this time period encompasses both the rise of the modern conservative movement and the demise of southern regional distinctiveness it affords an ideal setting both for observing the potentiality of American conservatism and for understanding the fate of the traditionalist man of letters Langdale uses the intellectual and literary histories of John Crowe Ransom Donald Davidson and Allen Tate the three principal contributors to the Agrarian manifesto *I ll Take My Stand* and of their three most remarkable intellectual descendants Cleanth Brooks Richard Weaver and Melvin Bradford to explore these issues Langdale begins his study with

some observations on the nature of American exceptionalism and the intrinsic barriers which it presents to the traditionalist conservative imagination While works like Louis Menand's *The Metaphysical Club* have traced the origins of modern pragmatic liberalism during the late nineteenth century the nature of conservative thought in postbellum America remains less completely understood Accordingly Langdale considers the origins of the New Humanism movement at the turn of the twentieth century then turning to the manner in which midwesterners Irving Babbitt and Paul Elmer Moore stirred the imagination of the southern Agrarians during the 1920s After the publication of *I'll Take My Stand* in 1930 Agrarianism splintered into three distinct modes of traditionalist conservatism John Crowe Ransom sought refuge in literary criticism Donald Davidson in sectionalism and Allen Tate in an image of the religious wayfarer as a custodian of language Langdale traces the expansion of these modes of traditionalism by succeeding generations of southerners Following World War II Cleanth Brooks further refined the tradition of literary criticism while Richard Weaver elaborated the tradition of sectionalism However both Brooks and Weaver distinctively furthered Tate's notion that the integrity of language remained the fundamental concern of traditionalist conservatism Langdale concludes his study with a consideration of neoconservative opposition to M E Bradford's proposed 1980 nomination as head of the National Endowment for the Humanities and its significance for the southern man of letters in what was becoming postmodern and postsouthern America Though the post World War II ascendance of neoconservatism drastically altered American intellectual history the descendants of traditionalism remained largely superfluous to this purportedly conservative revival which had far more in common with pragmatic liberalism than with normative conservatism

Anarcho-primitivism , *Remembering the space age: Proceedings of the 50th Anniversary Conference* , Proceedings of October 2007 conference sponsored by the NASA History Division and the National Air and Space Museum to commemorate the 50th anniversary of the Sputnik 1 launch in October 1957 and the dawn of the space age

Remembering the Space Age Steven J. Dick, 2008 From the Publisher Proceedings of October 2007 conference sponsored by the NASA History Division and the National Air and Space Museum to commemorate the 50th anniversary of the Sputnik 1 launch in October 1957 and the dawn of the space age

[The Search for Reagan](#) Craig Shirley, 2024-02-13 Never before has anyone explored the mind soul and heart of Ronald Reagan The Search for Reagan explores the challenges and controversies in Reagan's life and how he successfully dealt with each depicting a man who was never as conservative as some conservatives wanted him to be but rather as conservative as he was comfortable being a man who wanted to win on his own terms and integrity Ronald Reagan was a singularly unique man and conservative who championed a wildly successful revolution leading to more freedom and less government for the American people and to the fall of communism while boosting American morale which had been his three big goals He was the first president in many years who believed optimism from the Oval Office had a direct bearing on the affairs of the nation As a consequence he left office more popular than when he entered with a whopping 73 percent approval He is beloved even

today as his presidential library is visited far more than any other presidential library by more than five million people each year He understood that American conservatism was based upon the individual and not the group He is still regarded as one of the most admired men in America The range of Reagan scholarship by virtue of books sold about him continues to grow In his presidency he solved the mystery of high inflation that had bedeviled his predecessor high interest rates and high gas prices He created over twenty million new jobs and the number of American millionaires grew from 4 414 to 34 944 He quite literally changed our world for the better and is considered by most historians to be one of our four greatest presidents along with George Washington Abraham Lincoln and Franklin Roosevelt **Larry Schweikart** Fouad Sabry,2024-02-07 Who is Larry Schweikart Larry Earl Schweikart is an American historian and retired professor of history at the University of Dayton During the 1980s and 1990s he authored numerous scholarly publications In recent years he has authored popular books including A Patriot s History of the United States 2004 and 48 Liberal Lies About American History According to professors Guy Burton and Ted Goertzel Schweikart and Allen are both history professors with distinguished publication records How you will benefit I Insights about the following Chapter 1 Larry Schweikart Chapter 2 Robert Peary Chapter 3 Panic of 1837 Chapter 4 American exceptionalism Chapter 5 Mugwumps Chapter 6 Regnery Publishing Chapter 7 Panic of 1857 Chapter 8 Danny Peary Chapter 9 Richard Weikart Chapter 10 Business history Chapter 11 Sentinel publisher Chapter 12 The Slave Community Chapter 13 A Patriot s History of the United States Chapter 14 Dave Richard Palmer Chapter 15 James R Whelan Chapter 16 Bibliography of conservatism in the United States Chapter 17 American business history Chapter 18 White Southerners Chapter 19 Jean Baptiste Abel Chapter 20 Lionel M Jacobs Chapter 21 Samuel W Mitcham Who this book is for Professionals undergraduate and graduate students enthusiasts hobbyists and those who want to go beyond basic knowledge or information about Larry Schweikart *Just How Stupid Are We?* Richard Shenkman,Rick Shenkman,2010-07 Fifty percent of Americans can name four characters from aaC AThe Simpsons aaC Au but only two out of five can name all three branches of the federal government No more than one in seven can find Iraq on a map Just how stupid are we Pretty stupid In Just How Stupid Are We best selling author Rick Shenkman takes aim at our great national piety the wisdom of the American people American democracy is as direct as it s ever beenaaC but voters are misusing abusing and abdicating their political power At once a powerful indictment of voter apathy and political indifference Just How Stupid Are We also provides concrete proposals for reforming our institutionsaaC the government the media civic organizations political partiesaaC to make them work better for the American people But first Shenkman argues we must reform ourselves The Reader's Companion to American History Eric Foner,John A. Garraty,2014-01-14 An A to Z historical encyclopedia of US people places and events with nearly 1 000 entries all equally well written crisp and entertaining Library Journal From the origins of its native peoples to its complex identity in modern times this unique alphabetical reference covers the political economic cultural and social history of America A fact filled treasure trove for history buffs The Reader s Companion is sponsored by

the Society of American Historians an organization dedicated to promoting literary excellence in the writing of biography and history Under the editorship of the eminent historians John A Garraty and Eric Foner a large and distinguished group of scholars biographers and journalists nearly four hundred contemporary authorities illuminate the critical events issues and individuals that have shaped our past Readers will find everything from a chronological account of immigration individual entries on the Bull Moose Party and the Know Nothings as well as an article on third parties in American politics pieces on specific religious groups leaders and movements and a larger scale overview of religion in America Interweaving traditional political and economic topics with the spectrum of America s social and cultural legacies everything from marriage to medicine crime to baseball fashion to literature the Companion is certain to engage the curiosity interests and passions of every reader and also provides an excellent research tool for students and teachers

American Conservatism Paul Lyons,2009 This book offers a rare opportunity to read about how a scholar s teaching informs his research in this case an examination of the nature of American conservatism It is based on an interdisciplinary senior seminar Lyons taught in Spring 2006 His teaching log including student comments from an electronic conferencing system gives a vivid sense of the daily frustrations and triumphs Lyons reflects on some of the most difficult issues in higher education today such as how to handle racism and political passions in the classroom as well as how a teacher presents his own political convictions Lyons begins with the premise that most universities have been negligent in helping undergraduates understand a movement that has shaped the political landscape for half a century In addition in a series of essays that frame the teaching log he makes the case that conservatives have too often failed to adhere to basic Burkean principles and that the best of conservatism has often appeared as a form of liberalism from thinkers such as Hannah Arendt Reinhold Niebuhr and George Kennan The essays also cover the history of conservatism conservative use of the city on a hill metaphor and an examination of how the promise of Camelot sophistication was subverted by a resurgence of right wing populism

Getting Right with Reagan Marcus M. Witcher,2019-11-29 Republicans today often ask What would Reagan do The short answer probably not what they think Hero of modern day conservatives Ronald Reagan was not even conservative enough for some of his most ardent supporters in his own time and today his practical often bipartisan approach to politics and policy would likely be deemed apostasy To try to get a clearer picture of what the real Reagan legacy is in this book Marcus M Witcher details conservatives frequently tense relationship with Ronald Reagan in the 1980s and explores how they created the latter day Reagan myth Witcher reminds us that during Reagan s time in office conservative critics complained that he had failed to bring about the promised Reagan Revolution and in 1988 many Republican hopefuls ran well to the right of his policies Notable among the dissonant acts of his administration Reagan raised taxes when necessary passed comprehensive immigration reform signed a bill that saved Social Security and worked with adversaries at home and abroad to govern effectively Even his signature accomplishment invoked by Mr Gorbachev tear down this wall was highly unpopular with the Conservative Caucus as

evidenced in their newspaper ads comparing the president to Neville Chamberlain Appeasement is as Unwise in 1988 as in 1938 Reagan's presidential library and museum positioned him above partisan politics emphasizing his administration's role in bringing about economic recovery and negotiating an end to the Cold War How this legacy as Reagan himself envisioned it became the more grandiose version fashioned by Republicans after the 1980s tells us much about the late twentieth century transformation of the GOP and as Witcher's work so deftly shows the conservative movement as we know it now

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Conservatism In America Since 1930 A Reader**

In some sort of inundated with screens and the cacophony of fast conversation, the profound energy and emotional resonance of verbal art frequently diminish in to obscurity, eclipsed by the regular assault of noise and distractions. Yet, situated within the lyrical pages of **Conservatism In America Since 1930 A Reader**, a charming function of literary brilliance that pulses with fresh thoughts, lies an memorable trip waiting to be embarked upon. Written by way of a virtuoso wordsmith, that mesmerizing opus instructions visitors on a psychological odyssey, delicately exposing the latent possible and profound affect stuck within the intricate web of language. Within the heart-wrenching expanse of the evocative examination, we can embark upon an introspective exploration of the book is central subjects, dissect their captivating publishing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

Conservatism In America Since 1930 A Reader Introduction

In the digital age, access to information has become easier than ever before. The ability to download Conservatism In America Since 1930 A Reader has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Conservatism In America Since 1930 A Reader has opened up a world of possibilities. Downloading Conservatism In America Since 1930 A Reader provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Conservatism In America Since 1930 A Reader has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Conservatism In America Since 1930 A Reader. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Conservatism In America Since 1930 A Reader. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Conservatism In

America Since 1930 A Reader, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Conservatism In America Since 1930 A Reader has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Conservatism In America Since 1930 A Reader Books
