Teaching English Language Learners through Technology Tony Erben, Ruth Ban, Martha Castañeda, 2008-09-01. In *Teaching English Language Learners through Technology*, the authors explore the use of computers and technology as a pedagogical tool to aid in the appropriate instruction of ELLs across all content areas. The special focus of this book is on the informed use of various technologies and software programs that can specifically aid ELLs. Strategies are also provided for varying levels of access: whether teachers teach in a one-computer classroom, have access to multiple computers, or have the ability to go into a computer lab at their school. A fully annotated list of web and print resources completes the volume, making this a valuable reference to help teachers harness the power of computer-assisted technologies in meeting the challenges of including all learners in effective instruction.

Teaching Social Studies to English Language Learners Stephen J. Thornton, Bárbara C. Cruz, 2013-03-12. *Teaching Social Studies to English Language Learners* provides readers with a comprehensive understanding of both the challenges that face English language learners (ELLs) and ways in which educators might address them in the social studies classroom. The authors offer context-specific strategies for the full range of the social studies curriculum, including geography, U.S. history, world history, economics, and government. These practical instructional strategies will effectively engage learners and can be incorporated as a regular part of instruction in any classroom. An annotated list of web and print resources completes the volume, making this a valuable reference to help social studies teachers meet the challenges of including all learners in effective instruction. Features and updates to this new edition include: An updated and streamlined Part 1 provides an essential overview of ELL theory in a social studies-specific context. Teaching Tips offer helpful suggestions and ideas for creating and modifying lesson plans to be inclusive of ELLs. Additional practical examples and new pedagogical elements in Part 3 include more visuals, suggestions for harnessing new technologies, discussion questions, and reflection points. New material that takes into account the demands of the Common Core State Standards as well as updates to the web and print resources in Part 4.
