april s la Bible      *Virgile's Vineyard* Patrick Moon, 2014-01-28 How did a region so long notorious for mere quantity transform itself into one of the world s most exciting vineyards And what does it take to make a great wine even on a shoestring In *Virgile s Vineyard* Patrick Moon explores the world of Languedoc wine Among the cast of characters that Patrick meets during his year of discovery is Virgile a young local wine maker who offers to initiate him into the mysteries of each season s work in the fields and in the cellar Virgile is passionately committed to perfection even though his limited means afford him just a handful of hectares and the smallest cellar imaginable At the other extreme is Manu Patrick s dipsomaniac neighbour a diehard traditionalist producing a private wine lake of unspeakable rouge With Manu as his self appointed guide Patrick embarks on a quest for the revolution s leading lights a succession of lively encounters with growers as diverse as the wines themselves interwoven with entertaining digressions into the history of the region s wine making Meanwhile the author struggles to deal with his long neglected French home an unfamiliar and unpredictable world where the brambles have grown as tall as the olive trees the water supply has just dried up and there is a ferocious animal under the roof tiles First published in 2003 *Virgile s Vineyard* is now back by popular demand as a new and extended edition As rich in humour as it is full of fascinating information this book is a great read for any Francophile or wine lover      Proceedings ,1965
