The Book of Isaiah : Volume I : Chapters 1 to 18 ,1972 **Clouds Are the Dust of His Feet!** H. Wayne Sampson PhD ThD,2015-11-16 Man s fascination with clouds is legendary their appearance their formation their beauty Meteorologists use clouds to help predict weather There s even a Cloud Appreciation Society with more than 34 000 members who share pictures and stories of clouds Clouds also remind us of God s majesty power and beauty in creation Indeed the heavens declare the majesty of God In *Clouds Are the Dust of His Feet* author H Wayne Sampson shares the role of clouds in Scripture He examined each of the 157 references in the Bible referring to clouds and then organized them into several similar groupings to determine their function or role in the verse In the course of this study Dr Sampson discovered that clouds in Scripture reveal an array of characteristics of the almighty God such as His might creative power mercy and gracious provision as well as the promise of security by our heavenly Father Dr Sampson also demonstrates God s imagination in using clouds as transporters His kindness in establishing a way for the frightened Israelites to speak to him and His guidance and protective power Clouds are the Dust of His Feet communicates that clouds as well as all the other wonders of nature should remind us of the loving creator *Of Dead Kings and Dirges* R. Mark Shipp,2002 **Preliminary biblical studies** David M. Steimle,2015-05-29 This work is a compilation of research designed to assist students researching the Bible and passing a program at a University in biblical studies It covers a myriad of topics focusing primarily on the biblical text and contains deeper exposition on texts and themes commonly researched in an undergraduate Graduate Christian studies and Masters in Divinity programs that focus on the Bible This text is divided by the Old and New Testament and further subdivided based on traditional category of the Bible *Yahweh's Council* Ellen White,2014-04-28 Ellen White explores the depiction of the divine council under the authority of Yahweh in the type scenes of the Hebrew Bible She proposes criteria for determining a Council of Yahweh type scene and membership requirements Following these criteria the Council of Yahweh texts are Isaiah 6 1 Kings 22 Job 1 2 Zechariah 3 and Daniel 7 After determining a cast of characters the author explores the structure of the council and realizes that the structure contains three tiers with two divisions on tiers 2 and 3 The first tier belongs to the chief god the second tier is called the Councilors and the two divisions are Judicial Officials and Advisors The third tier is the Agents and the two divisions on this tier are the Court Officers and Commissioned Characters who play a role relating to the council but are not themselves members of the council are also analyzed Finally Ellen White evaluates the potential for conceptual evolution especially in relationship to monotheism and the participation of human beings within the Council of Yahweh *Cushites in the Hebrew Bible* Kevin Burrell,2020-01-13 Cushites in the Hebrew Bible offers a reassessment of Cushite ethnographic representations in the biblical literature as a counterpoint to misconceptions about Africa and people of African descent which are largely a feature of the modern age Whereas current interpretations have tended to emphasize unfavourable portraits of the people biblical writers called Cushites Kevin Burrell

illuminates the biblical perspective through a comparative assessment of ancient and modern forms of identity construction Past and present modes of defining difference betray both similarities and differences to ethnic representations in the Hebrew Bible providing important contexts for understanding the biblical view This book contributes to a clearer understanding of the theological historical and ethnic dynamics underpinning representations of Cushites in the Hebrew Bible
