Alligators in the Swamp

Power, Ministry, and Leadership

foreword by
Andrew Young

Alligators In The Swamp Power Ministry And Leadership

KJ Lindholm-Leary

Alligators In The Swamp Power Ministry And Leadership:

Alligators in the Swamp George Button Thompson, 2005 Explores the nature of power and the challenges it proposes to pastoral ministry By using the metaphor of alligators in the swamp it illustrates the complexity of power and how it can be used effectively *Integrating Work in Theological Education* Kathleen A. Cahalan, Edward Foley, Gordon S.

Mikoski, 2017-03-09 If only we could do a better job of helping students at connecting the dots theological educators commonly lament Integration often proposed as a solution to the woes of professional education for ministry would help students integrate knowledge skills spirituality and integrity When these remain disconnected incompetence ensues and the cost runs high for churches denominations and ministers themselves However we fail in thinking that integrating work is for students alone It is a multifaceted constructive process of learning that is contextual reflective and dialogical It aims toward important ends competent leaders who can guide Christian communities today It entails rhythms not stages and dynamic movement including disintegration Integrating work is learning in motion across domains and among and between persons It is social and communal born of a life of learning together for faculty staff administrators and students It is work that bridges the long standing gaps between school ministry practice and life It s a verb not a noun Here a diverse group of theological educators through descriptive case studies theological reflection and theory building offer a distinctive contribution to understanding integrating work and how best to achieve it across three domains in community curriculums and courses

Church on the Edge of Somewhere George B. Thompson Jr., 2007-11-19 Most congregations today exist in what George Thompson calls the middle of anywhere They live comfortably with their surrounding culture focusing their energies on serving the needs of their current members These congregations have many strengths and gifts that they can exercise without changing a thing But Thompson envisions a deeper more prophetic call for congregations to explore the meaning of being in the world but not of it a church on the edge of somewhere Thompson sees a church that is deeply engaged in ministering to the community while calling on others to commit to doing the same By analyzing the interaction between a congregation s focus of identity and their stance with the world Thompson has created a helpful grid for congregations to place themselves on today s cultural map A congregation that sees itself as existing on the margins of society will look different than one that sees itself as embedded in society A congregation that hears a call to serve the surrounding community will look different from one that focuses on its internal needs Knowing where they stand now is the key for congregations to discover where they must go in the future to fully live out their call to be God s people in the world **A**

Spiritual Companion to How to Get Along with Your Church Beverly A. Thompson, 2010-01-01 If you are like most pastors you earnestly thought you knew what the congregation you are serving was like when you answered God s call to serve them Something has opened your eyes and now you know that you really don t know The good news is you are ready to find out from Day One I thought I knew When churches are in crisis pastoral leadership is under attack and pastors and

church officials struggle to find a way to better understand why things happen or don't happen Thompson's own pastoral experience led her to look beyond the popular family systems model to seek something that helps churches grow strong and pastors to become leaders She found solutions in George B Thompson Jr's book *How to Get Along with Your Church Creating Cultural Capital for Doing Ministry* and was inspired to develop a spiritual guide that strengthens the usefulness and effectiveness of his book Specifically keyed to *How to Get Along with Your Church* this spiritual companion provides 100 days of daily meditation and journaling for pastors who are learning with a culture model to lead their churches into a new understanding and rediscovery of their corporate calling

Bridgebuilding Alastair McKay, 2019-06-30 There is a prevailing culture of niceness within churches which can lead to conflict avoidance suppression and denial Consequently ministers and church leaders often struggle to handle tensions difference and competing demands within their congregations Drawing on practical theology conflict theory family systems theory and experience Bridgebuilding will help church ministers and church members find more fruitful ways of engaging with tensions and conflicts in the life of the Church It offers numerous practical tools for transforming conflict into opportunities for personal and corporate growth It complements the Growing Bridgebuilders training course developed by Bridge Builders with CPAS

How to Get Along with Your Pastor George B. Thompson, 2015-06-10 This is a book that tries to help church members step back and see the bigger picture An effective pastoral relationship is more like a couple who loves to dance together or a band that plays wonderful music If we spend too much time on the details without remembering that we want to dance and sing our church will not have much to offer to Gospel ministry This book then seeks to blaze a new trail for churches who want to thrive in authentic faithful ministry with their pastor In other words it is a book for churches who want to get along with their pastor It is a book for church deacons elders and other officers who recognize that a healthy trusting respectful relationship between pastor and congregation becomes the foundation for the church's vitality It is a book designed to give you the tools you need to help your pastor become the best pastor that she or he can be with you Statistics show that approximately thirteen hundred American pastors unwillingly leave their congregations each month These sudden changes have negative long term effects on both the pastor and the congregation Thompson believes it is extremely important to find practical easy to understand ways to train pastors and churches on how to approach disagreement much more constructively and shows how to do so in this new book

American Book Publishing Record, 2005

Building the Body Gary L. McIntosh, Phil Stevenson, 2018-01-02 Just as a physically healthy person at an ideal weight and with good blood pressure and cholesterol numbers might not actually be fit enough to run a 5k so churches can appear healthy with no obvious issues maintaining a healthy size and yet not exhibit fitness A fit church is one that is not satisfied with merely coasting along with no problems A fit church is actively making disciples maturing in faith developing strong leaders reaching out to the community and more Building the Body offers pastors and church leaders twelve characteristics of fit churches and shows them how they can move their church

through five levels of fitness from beginner all the way to elite just as an athlete through training and practice can become the top in his or her class Includes comparison charts at the end of each chapter so readers can clearly see where their church currently falls and concluding Complete the Progress Chart so that they can see what their goals should be for the future

What Works and What Doesn't in Youth Ministry Nido R. Qubein,1986-09 *The Once and Future Church Collection* Loren B. Mead,2001-10-01 In 1991 *The Once and Future Church* by Alban Institute founder and former director Loren B Mead created an instant sensation in congregational circles with its prophetic insights into the life of the church in a post Christendom era Still often quoted and in demand the book stands as Alban s all time best seller Two subsequent titles *Transforming Congregations for the Future* and *Five Challenges for the Once and Future Church* extended Mead s original vision with similar success To celebrate the tenth anniversary of the publication of *The Once and Future Church* Alban released all three of these books as a single special edition hardcover In addition to these classic texts in beautiful newly designed formats this collection features an interview with Loren Mead discussing how his views have changed since the books first publications and his current thoughts on directions for the church in the twenty first century This hardcover volume is the perfect gift for graduating seminary students new congregational leaders or for pastors whose original editions of these three books may be dog eared or missing and a wonderful addition to every church library All who love the church and pray for the future of our congregations will value this opportunity to have Loren Mead s seminal works in a single long lived edition

Political Psalms, Form #17.076 Brook Stockton,2024-05-20 Political songs *The Once and Future Church* Loren B. Mead,1991-06-01 Mead takes a broad look at past and present changes in the church and postulates a future to which those changes are calling us Denominations once structured to deliver resources to far off lands of foreign mission now encounter the mission field in the layperson s workplace and the community surrounding the local congregation Thus the church is called to reinvention for this new mission frontier

AF Press Clips ,1979 *AF Press Clips* United States Department of State. Bureau of African Affairs,1979

The Top Ten Mistakes Leaders Make Hans Finzel,1994 Don t let this happen to you not even when there is a book like this to help you avoid the top ten leadership mistake "The"

Illustrated London News ,1866 *Youth's Companion* ,1899 **The Youth's Companion** Nathaniel Willis,Daniel Sharp Ford,1899 Includes music *Keesing's Record of World Events* ,1993 **A.D.** ,1973
