along with those of masters like Berton Coffin and Manuel Garcia to promote and facilitate vocal excellence Many concepts
are described from correct posture and alignment to improving and maintaining proper breathing from good pronunciation
and diction to producing an even pure tone and from vocal ranges to singing within and smoothly shifting between vocal
registers Mannes Vocal Faculty member Dan H Marek effectively breaks down these complicated concepts with clear
exercises helping the vocal student to achieve freedom and complete control over his or her instrument A primary section on
the history of singing stresses the importance of understanding vocal history while inspiring and motivating the student
through the experiences of opera stars such as Enrico Caruso Maria Callas and Jussi Bj rling The second section explains
vocal techniques including the use and proper pronunciation of the IPA International Phonetic Alphabet and provides 64
specific exercises with clearly defined goals designed to overcome faults and to develop vocal virtuosity Complete
instructions for transposing the exercises for both male and female voices are included as well as drawings of the exercises
