

Alma Cogan

Serene Dominic

Alma Cogan:

Alma Cogan Gordon Burn,2011-06-16 How does it feel to be never allowed to die In his classic debut novel Gordon Burn takes Britain's biggest selling vocalist of the 1950s and turns her story into an equation of celebrity and murder Fictional characters jostle for space with real life stars from John Lennon to Doris Day and Sammy Davis Jr as Burn in a breathtaking act of appropriation reinvents the popular culture of the post war years As beautifully written as it is disturbing Alma Cogan remains a stinging relevant exploration of the sad dark underside of fame An extraordinary unprecedented novel Audacious innovative and totally compelling William Boyd *Alma Cogan* Sandra Caron,1991 **Alma Cogan. [With Portraits.]**

Alma Angela COGAN,1960 **Alma Cogan** Gordon Burn,1992 **The Very Best of Alma Cogan (cassette)**. Alma* Cogan, **Postmodernity, Ethics and the Novel** Andrew Gibson,2002-01-04 In Postmodernity Ethics and the Novel Andrew Gibson sets out to demonstrate that postmodern theory has actually made possible an ethical discourse around fiction Each chapter elaborates and discusses a particular aspect of Levinas thought and raises questions for that thought and its bearing on the novel It also contains detailed analyses of particular texts Part of the book's originality is its concentration on a range of modernist and postmodern novels which have seldom if ever served as the basis for a larger ethical theory of fiction Postmodernity Ethics and the Novel discusses among others the writings of Joseph Conrad Henry James Jane Austen Samuel Beckett Marcel Proust and Salman Rushdie Alma Cogan ,1960 Burt Bacharach: Song By Song Serene Dominic,2003-12-01 Best known as the composer of such hits as Dionne Warwick's Walk On By Dusty Springfield's The Look of Love and the Carpenters Close to You Burt Bacharach wrote the music for over 700 published songs and has been recorded by some 2 000 artists from Frank Sinatra and Elvis Presley to the Beatles and the Supremes Song By Song is a witty cheeky song by song journey through Bacharach's vast recorded oeuvre from Nat King Cole's little known 1952 version of Once in a Blue Moon to Burt's recent collaborations with Elvis Costello Lyle Lovett and Chicago **I**

Had to Go There to Get Here Ken Holmes,2011-08-01 There was a lust for fame and fortune Only then would he become the biggest pull on the planet But the closer he got to his fortune the more he became disillusioned with the value of money as he discovered a world full of greed evil and corruption He falls in love and realises that's what he's been looking for all his life but there is work to do He is now Don Quixote the character Cervantes saw four hundred years ago and he must slay the evil giants before he is worthy of the fair Dulcinea But they are many Though Don Quixote is not alone there have been forces guiding him giving him strength all his life way outside our comprehension and they're getting stronger and so is he

Violence and Dystopia Daniel Cojocaru,2015-09-18 Violence and Dystopia is a critical examination of imitative desire scapegoating and sacrifice in selected contemporary Western dystopian narratives through the lens of Ren Girard's mimetic theory The first chapter offers an overview of the history of Western utopia dystopia with a special emphasis on the problem of conflictive mimesis and scapegoating violence and a critical introduction to Girard's theory The second chapter is devoted

to J G Ballard's seminal novel *Crash* 1973 Chuck Palahniuk's *Fight Club* 1996 and *Rant* 2007 and Brad Anderson's film *The Machinist* 2004 It is argued that the car crash functions as a metaphor for conflictive mimetic desire and leads to a quasi-sacrificial crisis as defined by Girard for archaic religion The third chapter focuses on the psychogeographical writings of Iain Sinclair and Peter Ackroyd Walking the streets of London the pedestrian represents the excluded underside of the world of Ballardian speed The walking subject is portrayed in terms of the expelled victim of Girardian theory The fourth chapter considers violent crowds as portrayed by Ballard's late fiction the writings of Stewart Home and David Peace's *GB84* 2004 In accordance with Girard's hypothesis the discussed narratives reveal the failure of scapegoat expulsion to restore peace to the potentially self-destructive violent crowds The fifth chapter examines the post-apocalyptic environments resulting from failed scapegoat expulsion and mimetic conflict out of control as portrayed in Sinclair's *Radon Daughters* 1994 Margaret Atwood's *The Handmaid's Tale* 1985 and *Oryx and Crake* 2003 and Will Self's *The Book of Dave* 2006 **The Big Snow** David

Park, 2012-07-05 Northern Ireland 1963 In a house with windows flung defiantly wide a wife dies before her husband can make his confession Elsewhere an old woman searches desperately for a wedding dress in her dream of love And in the very heart of the city the purity of snow is tainted by the murder of a young woman leaving one man in race against time to find the murderer before the snow melts This is the story of a time muffled and made claustrophobic by unprecedented snow falls Suddenly shaken free from the normal patterns of their lives by the extremity of the weather people find their intimate desires thrown into sharp relief and David Park shows this flawed slice of humanity to be somehow glorious Ingenious SUNDAY TIMES A magnificent writer BELFAST TELEGRAPH Park writes prose like a poet and the invisible lines of national borders and tribal territory are etched into a text which rolls thorough time and space THE TIMES Some of the more exhibitionist fictional voices currently clamouring for our attention seem mute in comparison INDEPENDENT Considerable dexterity freshness and insight A well-crafted closely observed tale WASHINGTON POST *RUNAWAY - The Del Shannon Story* Brian C. Young, 2023-06-30 *RUNAWAY* is a fascinating account of the life and music of 60s rock star Del Shannon From humble beginnings in the rural Midwest this bar band guitarist rocketed to overnight superstar status when his first big hit clinched the 1 spot on the American Billboard charts resulting in an international hit in over 20 other countries during the year 1961 Del Shannon soon followed up *Runaway* with more hits including *Hats Off To Larry* *So Long* *Baby Hey Little Girl* *The Swiss Maid* *Little Town Flirt* *Two Kinds of Teardrops* *Handy Man* *Do You Wanna Dance* *Keep Searchin* and *Stranger In Town* Shannon was the first American artist to cover a Beatles song in *From Me To You* In the late 60s and early 70s he shifted his focus into production launching the career of country artist Johnny Carver discovering a group called Smith that saw a 3 hit with a Shannon Smith arrangement of *Baby It's You* and produced fellow contemporary Brian Hyland's Top 5 hit *Gypsy Woman* Del worked with Jeff Lynne and Dave Edmunds in the 70s with Tom Petty seeking him out to produce Shannon's comeback album in 1981 resulting in a 33 hit *Sea of Love* in America **The Little House in Highbury** Derek

Ansell,2010-08-05 Set in 1955 North London this is a romance between 3 separate couples and their friendship over a two year period But a strange neighbour who moves into a house next door to the central couple begins to disrupt their lives and cause problems that come to a head changing their lives *Stylistics* Jonathan Hope,Laura Wright,2002-09-11 Using a wide range of twentieth century literary prose Laura Wright and Jonathan Hope provide an interactive introduction to the techniques of stylistic analysis Divided up into five sections the noun phrase the verb phrase the clause text structure and vocabulary the book also provides an introduction to the basics of descriptive grammar for beginning students Presumes no prior linguistic knowledge Provides a comprehensive glossary of terms Adaptable designed to be used in a variety of classroom contexts Introduces students to an enormous range of 20th century literature from James Joyce to Roddy Doyle A practical coursebook rather than a survey account of stylistics as a discipline the book provides over forty opportunities for hands on stylistic analysis For each linguistic feature under discussion the reader is offered a definition a text for analysis exercises and tasks in addition to a suggested solution *Stylistics A Practical Coursebook* is genuinely student friendly and will be an invaluable tool for all beginning undergraduates and A level students of language and literature **Fictions of Art History** Mark Ledbury,2013-10-28 *DIV Fictions of Art History* the most recent addition to the Clark Studies in the Visual Arts series addresses art history s complex relationships with fiction poetry and creative writing Inspired by a 2010 conference the volume examines art historians viewing practices and modes of writing How the contributors ask are we to unravel the supposed facts of history from the fictions constructed in works of art How do art historians employ or resist devices of fiction and what are the effects of those choices on the reader In styles by turns witty elliptical and plain speaking the essays in *Fictions of Art History* are fascinating and provocative critical interventions in art history div **The Long and Winding Road** Vince Tracy,2013-06-06 There must have been a time when you just could not get a certain song out of your head Perhaps it was the last sound played at the disco or perhaps theres a certain riff in a song that haunts you Perhaps its one of those songs which have a special meaning for you or a special person in your life Whatever the reason we all have had musical influences throughout our life and some we have deliberately chosen whilst others have crept in because we watch television and listen to the radio We also have been subjected to other musical influences from shops restaurants churches dance halls and anyone whistling or singing near us Why was it almost impossible to remember Shakespeares quotations when I tried to learn them for school yet I can remember words to songs without even trying to memorise them As someone who has made a living from playing music for others to listen to it has interested me greatly to find out whether any of the records which have made the popular music charts has had a greater influence on me than I have realized I will also try to remember the words to the songs I heard in my younger years without using either reference books or a safety net I will also attempt to put the music in some kind of time frame looking at what else was happening aside from the music I will also identify how my own appreciation of music has evolved and that charts become less important with age This will be the basis

of a large part of my book I will also try to show that I have had to show a good amount of true grit and determination in order to eventually find the job I had always wanted from my childhood days of listening to Radio Luxembourg and Radio Caroline Moreover it takes a lifetime to really see your priorities Join me now in my musical voyage of discovery

Critiquing Violent Crime in the Media Maria Mellins, Sarah Moore, 2022-01-01 This book explores the recent surge in true crime by critically exploring how murder and violence are represented in documentaries films podcasts museums novels and in the press and the effects From a range of contributors it touches on a wide variety of topics overall and illustrates how examining true crime across the changing popular media landscape can contribute to important debates in contemporary culture and society It encourages a critical eye towards understanding the harmful stereotypes myths and misinformation that popular media can bring Arranged into four sections including true crime trials representations of victims the consumption of serial killer narratives and true crime spaces each chapter explores different themes and topics across traditional and newer media These topics include emotion and appeals for justice in Making a Murderer MeToo and misogyny in crime narratives true crime journalism being exploitative the ethics of consuming dark tourism and the appetite for true crime live streamed murder and the ways in which true murder accounts might lend insight into other types of crime such as domestic violence and stalking This book stimulates discussion on undergraduate courses in crime media and culture as well as in film and media studies and it also speaks to those with a general interest in true crime **Tommy Steele** Sebastian Lassandro, 2021-07-11 The first ever complete and authorised biography of Britain's first rock n roller and all round entertainment legend Fully approved and endorsed by Sir Tommy Steele himself the first time he has given approval for such a work to be completed A completely comprehensive and detailed study of Tommy's incomparable 65 year career Handsomely illustrated with rare and archival photographs from Tommy Steele's archive Foreword by Sir Tim Rice with direct contributions from Dame Judi Dench Petula Clark Elaine Paige Paul Nicholas Lesley Ann Warren and also from many of Tommy's theatrical co stars In the summer of 1956 while on shore leave from the Merchant Navy Thomas Hicks was spotted playing a new type of music in a coffee bar in London Having never heard anything like this rock performed in Britain he became an overnight sensation never returning to his ship He changed his name to Tommy Steele and for 65 years he has been Britain's greatest showman In a remarkable career spanning radio records Broadway and Hollywood Tommy Steele started the rock revolution in the UK before moving to lighter family entertainment and becoming a well loved household name He received an OBE for Services to Entertainment in 1979 and a knighthood for Services to Entertainment and Charity in 2020 He has conquered the West End Hollywood and Broadway holds records for the longest running one man show in the London's West End and also the record for most appearances at the hallowed London Palladium However his remarkable career has never been detailed accurately and comprehensively until now Authorised by Sir Tommy Steele himself A Life in the Spotlight offers readers a detailed insight into the career of an unrivalled entertainment legend with countless facts

stories details and anecdotes never before committed to print

Thank Your Lucky Stars: The 60's Pop Show

Featuring The Kinks, The Beatles And The Rolling Stones Kevin Mulrennan, Fully revised and expanded this history of the influential 1960 s pop show contains a wealth of facts information and trivia on ABC s Lucky Stars a weekly pop show that ran from 1961 to 1966 The Beatles the Kinks and the Rolling Stones were among the many hundreds of artists that travelled up the M1 to the Alpha studios in Birmingham to appear on the show Chapters in the book deal with the history of the show an analysis of the surviving episodes a detailed look at a rare surviving script a discussion of the crew books and records the artists who appeared from 1961 to 1966 and the songs they performed and the Australian version of the show Fully illustrated throughout there are many references to how the show was reported in the U K press Original host and television and radio legend Pete Murray has very kindly written the foreword Pete says Thank Your Lucky Stars was a pleasant and easy programme to work on We were given plenty of freedom to play whichever songs we wanted The big difference between Thank Your Lucky Stars and Top of the Pops Lucky Stars was not driven by the charts we had the complete freedom to play whatever we wanted I remember meeting The Springfields on the show and I really enjoyed working with them what a lovely group of people really friendly Thank Your Lucky Stars was a great sixties tv show that has been sadly neglected in the archives in recent years I am delighted that Kevin Mulrennan has brought out this long overdue book I d like to say that not just on behalf of myself but also on behalf all the others who worked on that lovely show Pete Murray Thank Your Lucky Stars presenter and original host of Top of the Pops Thank Your Lucky Stars was unique in that it straddled the pre and post Beatles era of British pop music There are brief biographies of all the artists appearing on the show as well as the guest Disc Jockeys In addition to the main hosts Pete Murray Keith Fordyce Brian Matthew and Jim Dale I have discovered that John Benson Martin Locke Simon Dee and Don Moss introduced the show too Fans and performers alike recall their memories of this super show Hopefully this book will raise the profile of this forgotten gem of 1960 s British television and you ll be thanking your lucky stars you bought it

ABC Music Shows Volume One 1956 to 1959:

Featuring Marty Wilde, Billy Fury, Cliff Richard and other artists on Jack Good's Oh Boy! Kevin Mulrennan, Following the success of my previous book which dealt with the pop show Thank Your Lucky Stars I have now decided to look at the music shows that appeared on A B C Weekend Television A B C Weekend Television catered for viewers in the Midland and the North for thirteen glorious years from 1956 to 1968 The format will be similar to my previous work I shall take a chronological view with mini biographies where appropriate trivia interesting facts pictures and opinions both my own and from the contemporary public I shall not be looking at the previous company that was called A B C that morphed into A T V Television Nor will I be looking at music shows shown on A B C but not directly produced by them Therefore shows such as Sunday Night At The London Palladium and The Jack Jackson Show will not be featured as they merit a book in their own right If a weekend is absent from the diary it probably means A B C was concentrating on sports that particular weekend In

the 60 s sports such as tennis rugby league and motor racing had a high profile Sadly most of the shows mentioned here are not preserved in the archives Television was considered an ephemeral pleasure back then Preserving a show was in many cases impossible or too expensive The powerful music unions discouraged repeat showings and many shows went out live and there was no need to record them Tapes were reused on a regular basis with shows being wiped forever within a few weeks of transmission Mercifully a handful of Oh Boys survive along with a snippet of Cliff in the anniversary show The ABC of ABC A George Formby section from a 1957 Top Of The Bill has popped up on YouTube A Chas McDevitt clip featuring a very young Jean Marsh opening a door may very well come from the same show British Pathe News have lovely features on Ship Canal Showboat showing the likes of Thora Hird rehearsing in Manchester in 1956 as well as a feature on Holiday Town Parade A few Sunday Breaks exist Sadly I could find nothing from programmes such as Bid For Fame Top Numbers After Hours and many more great shows Writing this book really struck me how viewing habits have changed over the decades Television was on just two channels Daytime shows were rare and television ended before midnight Televisions were expensive Shows tended to be on at exactly the same time each week to build up audience figures But some things never change Even back then some people moaned at the quality of the shows and were fed up of seeing the same stars week in week out Hopefully you will gain more pleasure reading the book than those killjoys

As recognized, adventure as capably as experience approximately lesson, amusement, as competently as understanding can be gotten by just checking out a books **Alma Cogan** furthermore it is not directly done, you could say yes even more as regards this life, in relation to the world.

We present you this proper as competently as simple mannerism to acquire those all. We provide Alma Cogan and numerous book collections from fictions to scientific research in any way. accompanied by them is this Alma Cogan that can be your partner.
