**Al-Mawrid** Munīr Ba'labakkī, 1967 *A Comparative Study of Four English Translations of Sûrat Ad-Dukhân on the Semantic Level* Saudi Sadiq, 2010-03-08 Through combining a knowledge of translation theory and application the present book aims at holding a semantic comparison of four English translations attempted by Muhammad Marmaduke Pickthall Abdull h Y suf Al Arthur J Arberry and Muhammad Mahm d Gh l of S rat Ad Dukh n the Chapter of Smoke As a theoretical framework the book deals with several linguistic and cultural problems of translation with special reference to Qur n translation and the principles that should be considered on translating the Qur n The core of the book is a comparison of sixty eight lexical syntactic and stylistic selections from S rat Ad Dukh n The comparison depends on various Qur n interpretations and Arabic dictionaries to decide the precise meaning s of the selections Then a translation is suggested and the four translations are judged the correct ones are acknowledged and the mistaken shown along with the reasons underlying the mistake s To reach the precise meaning in English and judge the translations compared accurately many English dictionaries are utilized The comparison shows that the best translation in terms of meaning precision and easiness of expression is that of Gh l followed by Pickthall s Arberry s and Al s respectively Al-Mawrid Munir Ba'labakki, 1996

**An Ethnography of Fragrance** Dinah Jung, 2022-06-08 The perfumery arts in Asia have traditionally been presented as exotic or in recent decades mainly ignored The ethnographic report in hand recalibrates the character and meaning of perfumery in the Islamic world illustrated by the local example of Adan La j By retelling the stories which have become associated with specific fragrances there the author simultaneously introduces the reader to the history and culture of Islam and the southern edge of Yemen The cultural exchange along the Indian Ocean Rim and within the colonial empires supported the spread and refinement of aromatics The result is a new and fascinating portrayal and explanation of perfumery in general as well as of its tradition and special features in West Asia up to recent times *Basics of Translation* Mahmoud Altarabin, 2019-08-09 This text is an essential coursebook for all Arab learners studying translation Featuring a bottom up approach to translation issues it is informative interesting and self explanatory The examples used in the book cover a wide range of topics and are tuned to suit the level of beginner translation students The unique combination of discussion and practical exercises following each topic makes this book ideal for Arab undergraduate students Encyclopedia of Arabic Language and Linguistics C. H. M. Versteegh, Mushira Eid, Alaa Elgibali, Manfred Woidich, Andrzej Zaborski, 2005 A major new multi volume reference work the Encyclopedia of Arabic Language and Linguistics A unique collaboration of over hundreds of scholars from around the world the Encyclopedia of Arabic Language and Linguistics covers all relevant aspects of the study of Arabic and deals with all levels of the language pre Classical Arabic Classical Arabic Modern Standard Arabic Arabic vernaculars mixed varieties of Arabic **Al-Mawrid** M. Baalbaki, 1986 *The Oxford Handbook of Arabic Linguistics* Jonathan Owens, 2013-10-03 Until about 60 years ago linguistic research on the Arabic language in the West was restricted to

inquiries on Classical Arabic and the Classical tradition and spoken Arabic dialects with historical studies embedded within the broader field of Semitic languages This situation is changing quickly not only through the continuation of older research traditions but also with the integration of new research fields and perspectives With this expansion comes the danger of specialists in Arabic losing an overview of the field and of leaving non specialists without basic resources for evaluating domains of research which they may be interested in for comparative purposes The Oxford Handbook of Arabic Linguistics will confront this problem by combining state of the art overviews with essays on issues of perspective controversy and point of view In twenty four chapters leading experts from around the world will lay out their own stances on controversial issues The book not only evaluates ways in which questions and theories established in general linguistics and its sub fields elucidate Arabic but also challenges approaches which might result in accommodating Arabic to non Arabic interpretations and brings out the Arabic specificity of individual problems The Handbook in one compact volume gives critical expression to a language which covers large populations and geographical areas has a long written tradition and has been the locus of major intellectual fervor and debate

*The Global Translator's Handbook* Morry Sofer, 2012-12-16 A practical guide to translation as a profession this book provides everything translators need to know from digital equipment to translation techniques dictionaries in over seventy languages and sources of translation work It is the premier sourcebook for all linguists used by both beginners and veterans and its predecessor *The Translator's Handbook* has been praised by some of the world's leading translators such as Gregory Rabassa and Marina Orellana

*Carrying on the Tradition: A Social and Intellectual History of Hadith Transmission across a Thousand Years* Garrett Davidson, 2020-07-20 In *Carrying on the Tradition* Garrett Davidson employs a variety of largely unutilized print as well as archival sources collected from the Near East North Africa India Europe and North America He analyses these sources to excavate the fundamental reinvention of the conceptions and practices of hadith transmission that resulted from the establishment of the hadith canon Further the book examines how hadith scholars reimagined the transmission of hadith not as a scholarly tool as it had originally been but instead as among other things an act of pious emulation of the forefathers It demonstrates the emergence of new genres and subgenres of hadith literature as a result of this shift examining them as artefacts of the cultural social and intellectual history of Muslim religiosity from the tenth to twentieth centuries

**The Translator's Handbook** Morry Sofer, 2006 Since 1997 this translator's guide has been the worldwide leader in its field and has elicited high praise from some of the world's best translators It has been fully updated in the 2006 edition
