Almighty God A Study Of The Doctrine Of Divine Omnipotence:

Almighty God Gijsbert van den Brink, 1993 Peeters 1993 **The Death of Omnipotence and Birth of Amipotence**
Thomas Jay Oord, 2023-04-27 Omnipotence is dead At least it should be It has no biblical support And it dies a death of a thousand qualifications in philosophy Those harmed and hurting wonder why an omnipotent God doesn't prevent pointless pain The problem of evil buries omnipotence six feet under But the death of omnipotence is not the death of God In this ground breaking book best selling and award winning author Thomas Jay Oord explains why omnipotence should be rejected But Oord offers a replacement amipotence the power of uncontrolling love If we think love shapes and guides God's power we make better sense of life And better sense of the Bible Amipotence explains why God doesn't prevent genuine evil and overcomes other obstacles to belief An amipotent Spirit empowers all that is loving true beautiful and good No book makes a bolder but more needed argument for why God is not all powerful In this book those who care about love scripture and logic find what they've been looking for Get a copy of *The Death of Omnipotence and Birth of Amipotence* Endorsements
Omnipotence has long been considered a basic non negotiable characteristic of God But is it biblical And does it push us toward theological landmines that blow up faith In this book Oord with his typical gentle candor lays out the complex issues in clear and readable chunks In the end Oord points to the beauty and comfort of a God who is uncontrolling love Peter Enns professor of biblical studies at Eastern University author of *Curveball* Thomas Jay Oord challenges one of the most fundamental attributes of God omnipotence He discloses that a narrow view of God as Almighty is neither biblical nor adequately describes the God of Jesus Christ Oord offers a new view of God as amipotent The power of God is the power of love and the power of unconditional love is our strength Oord has made an important contribution to restoring the biblical God a God who is ever faithful in love not a power over us but the power beneath our wings Ilia Delio OSF Josephine C Connelly Endowed Chair in Theology Villanova University Omnipotence is widely believed to be one of the most important attributes of God In this book Thomas Jay Oord proposes a highly original and thought provoking thesis instead of omnipotent God should be considered amipotent This is an important book which can radically change the way we approach central problems in philosophy of religion and philosophical theology Yujin Nagasawa H G Wood Professor of the Philosophy of Religion University of Birmingham Finally God's love has been saved from God's control faithfully definitively attractively In this vibrantly accessible work Thomas Jay Oord puts to rest the demoralizing incoherent and by the way nonbiblical notion of controlling omnipotence used to justify endless injustice In its stead he unleashes amipotence code for the power of love Its time has come preach it teach it live it Catherine Keller Drew Theological School and Author of *Political Theology of Love* This book provides a provocative argument that cannot be easily dismissed This is the kind of nuance that contemporary debates over models of God need to consider R T Mullins Professor of Philosophical Theology University of Lucerne Oord charts a path to theological freedom from the tyranny of an omnipotent God This book is theology at its best grounded in

scripture rooted in love and engaged with brilliant and spirit filled minds If you have found yourself rightfully unable to accept the horrifying implications of omnipotence but struggle to conceive of a God worth calling God good news This is the book for you Sarah Lane Ritchie Science Religion Scholar Petrus van Mastricht (1630-1706) Adriaan Neele,2009-02-28 This book is a first monograph on the life and work of Petrus van Mastricht 1630 1706 Expanding the new interest in Protestant scholasticism this book portrays Mastricht as a post Reformation reformed theologian philosopher and Christian Hebraist The result provides a fresh appraisal in particular on the relationship of biblical exegesis doctrine polemic and praxis **The God Who Risks** John Sanders,2010-07-09 If God is all knowing and all powerful can he in any way be vulnerable to his creation Can God be in control of anything at all if he is not constantly in control of everything John Sanders says yes to both of these questions In *The God Who Risks* he mounts a careful and challenging argument for positive answers to both of these profound theological questions In this thoroughly revised edition Sanders clarifies his position and responds to his critics His book will not only contribute to serious ongoing theological discussion but will enlighten pastors and laypersons who struggle with questions about suffering evil and human free will **The Hermeneutics of Doctrine** Anthony C. Thiselton,2007-11-08 Throughout the book Thiselton shows how perspectives that arise from hermeneutics shed fresh light on theological method reshape horizons of understanding and reveal the relevance of doctrine for formation and for life *A Kryptic Model of the Incarnation* Andrew Ter Ern Loke,2016-03-03 The Incarnation traditionally understood as the metaphysical union between true divinity and true humanity in the one person of Jesus Christ is one of the central doctrines for Christians over the centuries Nevertheless many scholars have objected that the Scriptural account of the Incarnation is incoherent Being divine seems to entail being omniscient omnipotent and omnipresent but the New Testament portrays Jesus as having human properties such as being apparently limited in knowledge power and presence It seems logically impossible that any single individual could possess such mutually exclusive sets of properties and this leads to scepticism concerning the occurrence of the Incarnation in history *A Kryptic Model of the Incarnation* aims to provide a critical reflection of various attempts to answer these challenges and to offer a compelling response integrating aspects from analytic philosophy of religion systematic theology and historical critical studies Loke develops a new Kryptic model of the Incarnation drawing from the Greek word *Krypsis* meaning hiding and proposing that in a certain sense Christ's supernatural properties were concealed during the Incarnation **Religion in Process** Johannes A. van der Ven,2020-10-19 This book argues that contemporary Christianity is in crisis because freedom of religion is concealed and under pressure by secularization and migration A drastic change is necessary in the Catholic Church at first from a God given hierarchical structure to a democratic religion that rests on human dignity and human rights The text conveys that such a change that should happen from within will put an end to challenges such as in Catholicism where outside human rights are promoted but from inside a different story is told Cultural change in religion is also covered with the move from centuries old dictates to

the reasonable justification of freedom of experiences symbols rituals and inter religious intercourse as well as the cross communication between believers and non believers alike This approach makes religion an as yet unfinished religion The text appeals to researchers and academics working in human rights and religion **Genealogy of Nihilism** Conor Cunningham,2005-06-29 This text re reads Western history in the light of nihilistic logic which pervades two millennia of Western thought From Parmenides to Alain Badiou via Plotinus Avicenna Duns Scotus Ockham Descartes Spinoza Kant Hegel Heidegger Sartre Lacan Deleuze and Derrida a genealogy of nothingness can be witnessed in development with devastating consequences for the way we live **Ontology and Providence in Creation** Mark Ian Thomas Robson,2008-10-01 Examines and rejects a particular philosophical understanding of the processes of creation ex nihilo taking into account Leibniz s originating thesis and its development in the modern world **A Subject Index to Current Literature** Australian Public Affairs Information Service, **Critical Essays on Edward Schillebeeckx's Theology** Cornelius C. Simut,2010-02-18 This book presents the main teachings of Edward Schillebeeckx widely considered one of the most important Catholic thinkers of the twentieth century Schillebeeckx is known for his radical departure from traditional theology which he saw as no longer relevant to the modern world Because today s world has been shaped by a process of secularization heavily based on reason and progress in science technology economics urbanism etc modern people seek relevant answers to their deep existential questions that can be explained rationally In his quest to foster relevant and meaningful answers for today s world Schillebeeckx changed the traditional metaphysical content of Christian theology into explanations that radically reinterpret traditional Christian doctrines Primarily the supernatural essence of Christianity is given up as irrelevant and is replaced by a natural perspective on the world In Schillebeeckx s thoroughly historical and truly immanent theology God is man s terrestrial future Christ the symbol of universal human values and the Church is identified with the world as those communities which share these universal human values Schillebeeckx is convinced that these explanations emptied of metaphysical content can help today s people understand their existence in a new relevant and meaningful way **Philosophische Gotteserkenntnis bei Suárez und Descartes** Aza Goudriaan,1999-10-19 This volume deals with basic questions regarding the philosophical knowledge of God in Su rez and Descartes two very different but historically linked early modern philosophers It has two parts devoted to Su rez and Descartes respectively Each section examines the path along which philosophy can acquire knowledge of God the adequacy which is ascribed to this knowledge as well as selected topics of the doctrine of God s attributes Special attention has been given to both critical and positive reactions to Su rez and Descartes on the part of seventeenth century Dutch Reformed theologians The author argues that Descartes in comparison with Su rez reduced the theological interests of philosophy and also limited the starting points for attaining to a philosophical knowledge of God On the other hand Descartes elevated the presumed adequacy of this knowledge **Als in Een Spiegel** Cornelis Van Der Kooi,2005-01-01 What is meant by knowing God By sounding the work

of John Calvin and Karl Barth as mirrors of reflection and experience justice is done to the tension between the premodern and postkantian situation and a stimulus is given for a contemporary position *Scientific Theology: Nature* Alister E. McGrath, 2007-01-23 A Scientific Theology is a groundbreaking work of systematic theology in three volumes Nature Reality and Theory Now available as a three volume set Christianity and the Roots of Morality, 2017-06-06 What is the role of religion especially Christianity in morality pro social behavior and altruism Are there innate human moral capacities in the human mind When and how did they appear in the history of evolution What is the real significance of Jesus teaching in the Sermon on the Mount does it set up unique moral standards or only crystallize humans innate moral intuitions What is the role of religious teachings and religious communities in pro social behavior Christianity and the Roots of Morality Philosophical Early Christian and Empirical Perspectives casts light on these questions through interdisciplinary articles by scholars from social sciences cognitive science social psychology sociology of religion philosophy systematic theology comparative religion and biblical studies Contributors include Nancy T Ammerman István Czachesz Grace Davie Jutta Jokiranta Simo Knuuttila Kristen Monroe Mika Ojakangas Sami Pihlström Antti Raunio Heikki Rönkä Risto Saarinen Kari Syreeni Lauri Thurén Petri Ylikoski **Creation and Humanity** Veli-Matti Karkkainen, 2015-04-14 Free Creatures of an Eternal God Harm J. M. J. Goris, 1996 Peeters 1996 **Evil and Providence in Maimonides'S Guide of the Perplexed** Modestus Anyaegbu, 2014-11-21 Maimonides's rationalist rejection and interpretation of anthropomorphism play a major part in his reading of the problem of evil and providence in the guide of the perplexed The debate has been on finding an explanation as to why the righteous suffer and the vicious prosper in a world under the providence of a divine Creator The anthropomorphic bent given to the legendary case of the biblical Job has given us the concept of God as a personal agent But confronted with the reality of his innocent suffering this image of God leaves much to be desired We shall argue that Maimonides's theory of providence as consequent upon the intellect and evil as consequent upon the absence of intellectual perfection are based on the concept of God as existence It is the absence of intellectual perfection that marks man qua animal and leaves him open to chance occurrences and evil A Promotional Write Up The present work places before us the strange position and it must be said a little bit shocking to us of the great Jewish thinker on the question of providence Only the intelligent that is to say the human beings who have effectively actualized their intellects and have come to an accomplished knowledge are considered and personally protected by the Eternal In other words the traditional piety that is usually asked of the believers by religious authorities is not sufficient This piety is still marked by illusion and does not procure for man the true knowledge of God which is worthy of him The individual ought to overcome pietistic representations in order to open himself to divine truth which is accessible only through knowledge This is what the Book of Job illustrates At the time when the actuality does not cease to present before us the question of the status of religion and the religious within modernity the attempt by Maimonides to articulate these two styles carries an indisputable force of conviction as shown with

abundant evidence in the work presented by Modestus Anyaegbu Jean Michel Counet president of the Institut Suprieur de Philosophie Universit Catholique de Louvain Belgium **The Heart of Biblical Theology** Mark W. Elliott,2016-03-09

Providing a model of how to do biblical theology this book also explores important emerging trends over the last five years including reception history as a means to grasping the theology of the bible theological interpretation as a new form of lectio divina meditative reading the place of Jewish interpretation in forming a biblical theology and the ever present problem of losing Old Testament theology in New Testament theology The second half of the book discusses the theme of Providence as found in both Testaments with insights gained from the history of biblical interpretation and from major attempts at working out a theology of Providence Elliott focuses on Providence as it has been perceived rather than the themes of God s goodness and powerfulness in themselves **The Mortgage of the Past** Francis Oakley,2012-04-24 Francis Oakley continues his

magisterial three part history of the emergence of Western political thought during the Middle Ages with this second volume in the series Here Oakley explores kingship from the tenth century to the beginning of the fourteenth showing how under the stresses of religious and cultural development kingship became an inceasingly secular institution A masterpiece and the central part of a trilogy that will be a true masterwork Jeffrey Burton Russell University of California Santa Barbara

This is likewise one of the factors by obtaining the soft documents of this **Almighty God A Study Of The Doctrine Of Divine Omnipotence** by online. You might not require more era to spend to go to the ebook inauguration as with ease as search for them. In some cases, you likewise pull off not discover the message Almighty God A Study Of The Doctrine Of Divine Omnipotence that you are looking for. It will enormously squander the time.

However below, next you visit this web page, it will be correspondingly extremely simple to acquire as well as download lead Almighty God A Study Of The Doctrine Of Divine Omnipotence

It will not allow many era as we tell before. You can accomplish it even though play something else at house and even in your workplace. for that reason easy! So, are you question? Just exercise just what we allow under as well as evaluation **Almighty God A Study Of The Doctrine Of Divine Omnipotence** what you later to read!

Almighty God A Study Of The Doctrine Of Divine Omnipotence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Almighty God A Study Of The Doctrine Of Divine Omnipotence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Almighty God A Study Of The Doctrine Of Divine Omnipotence has opened up a world of possibilities. Downloading Almighty God A Study Of The Doctrine Of Divine Omnipotence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Almighty God A Study Of The Doctrine Of Divine Omnipotence has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Almighty God A Study Of The Doctrine Of Divine Omnipotence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Almighty God A Study Of The Doctrine Of Divine Omnipotence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Almighty God A Study Of The Doctrine Of Divine Omnipotence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Almighty God A Study Of The Doctrine Of Divine Omnipotence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Almighty God A Study Of The Doctrine Of Divine Omnipotence Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Almighty God A Study Of The Doctrine Of Divine Omnipotence is one of the best book in our library for free trial. We provide copy of Almighty God A Study Of The Doctrine Of Divine Omnipotence in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Almighty God A Study Of The Doctrine Of Divine Omnipotence. Where to download Almighty God A Study Of The Doctrine Of Divine Omnipotence online for free? Are you looking for Almighty God A Study Of The Doctrine Of Divine Omnipotence PDF? This is definitely going to save you time and cash in something you should think about.
