 Four little words that cut right to the quick of any man 33-year-old Mark Sawyer is no exception when he hears these
 dreaded words from his own romantic interest Already in a tailspin from losing a coveted job in the radio industry in addition
 to the potential loss of the first great love of his life hearing this brutal assault on his manhood drives Mark into a deeper
 sense of hopelessness What if this charming barmaid is right about him Mark reflects upon the path that brought him to his
 current state His torturous days in Catholic school and high school the fast-paced highs and lows of his time in the New
 Jersey radio business and the people who have made lasting impressions on him along the way As Mark looks back on his life
 and the man he wants to prove himself to be he must decide where his past should lead him Should he risk forgoing the
 career he has worked hard to establish and chase his heart down to North Carolina or play it safe and stay in the rat race of
 New Jersey Or maybe there is something else holding him back from his future Author Michael L. Salvador weaves together
 the growing pains of adulthood with religious symbolism of the holy trinity Through a coming-of-age story that will appeal to
 anyone who has questioned their direction in life *Peace of Mind* follows the story of a man searching for his place in life and
 ultimately his own salvation **Fortune Cookies** John Darling, 2010 Cursed Blessings/Blessed Curses Robert I.
 Darden, 2001-07-18 My life began as most lives do but somewhere along the line it was realized that there were things about
 my life that were not normal I further began to realize that I had no real foundation no actual link to the people around me so
 I began searching myself and the result of this search is what landed on paper My only way of dealing with the lies chaos and
 abuse that filled my young existence was to put my thoughts and feelings down on paper knowing that if I told people what
 was going inside they would not believe me This is what happened in my head in my life in my world from ages 15 to 29 This
 is the result of growing up surrounded by ignorance loathing and hatred when all I ever wanted was love and understanding
