**The Layman's Way of Understanding the Bible and Your Life** Elvis Gomes,2019-08-19 The Bible God's handbook to you B basic I instruction B before L leaving E earth This book was written in layman terms in order to explain the purpose of the Bible so that anyone can understand it and not only someone who has studied it The purpose for this is to express how the Bible and the outcome of your life go hand in hand You truly can determine the type of life you live by just reading and understanding the Bible Think of the Bible as your personal guide all the rules and answers are in this one book Even after death you can still have eternal life but only if you choose to follow it The Bible and God is all you need to live a contented and blessed life because God designed it that way I do pray that this book helps you understand all the aspects of why and how the Bible can change your life Please read His word carefully and open your heart mind and soul to allow Him to take over Eliana; or, A layman's contributions to theology Francis Edward Chase,1852

**Atheism Religion and Life (A Layman's Perspective)** Brian Hinkley,2015-04-10 A book that lays bare the fallacy of religion It makes an unmistakable statement on the personal effect religion has on the individual and the damage inflicted on the cultural political and economic life of the world's population Arguments for and against religion atheism and the philosophy of life are examined but always geared towards the layman Humour and irreverent commentary assists the reader to question Bible events in a fashion that helps the ordinary person to understand religion from an atheist's perspective The bogus claims made by religions are dissected by the clever use of stories quotes and examining relevant sections of the Bible Veiled sections of the Bible that most of the public either have never heard of or don't believe exist are exposed A provocative read to challenge both the religious and non religious It is concise and understandable Agree or disagree one thing all critics agree upon it will make you think about life and religion **A Layman's Look at Water in Alabama** George Washington Swindel,G. Watford,2012-03-05 In theory this treatise should include the more than 115 countries that the United States has military presence and the Central Intelligence Agency has operatives However that would be overstating the intention of the treatise What is endeavored here is an attempt to give the American people a short view of the involvement of America the National Security Agency and the Central Intelligence Agency in world affairs It is not the intent of this treatise to be a criticism of my homeland the United States of America Indeed in most countries on the globe I would be arrested jailed tortured and put to death for even attempting such a project The very fact that I can write this book and still be alive is a testament to Americas unique form of capitalism      **A layman's charge to the clergy of the Church of England [signed Philo-Cranmer].** Philo-Cranmer (pseud.),1828
